

PLOT ELEMENTS

The **plot** of a story is the series of events that make up a story.

There are five plot elements in a story.

Climax:

- the turning point of the story
- usually the most exciting or surprising part of the story

Rising Action:

- the main parts of the story which includes the problem
- Usually set up as 3 – 4 main events

Falling Action:

- the events that follow the climax
- leads to the resolution

Exposition:

- occurs at the beginning
- introduces the main character, setting, and basic situation needed to understand the story

Resolution:

- the end of the story where all the loose ends are tied up

Reading with Peter Brooks Rachel Bowlby,2024-11-30 For many decades Peter Brooks s critical writing has been a force of illumination and inspiration for readers of many kinds with memorable books that continue to generate new thinking *Reading for the Plot* was perhaps the best known of these until Brooks published *Seduced by Story* 2022 a provocative calling out of the now ubiquitous cultural stress on stories of all and any kind The mini essays in this volume build on the diverse strands of Brooks s work in their own ways to demonstrate and celebrate its significance for critical thinking across a range of different disciplinary fields and institutional settings in literary history and narrative theory in psychoanalytic and legal studies through interdisciplinary initiatives at Yale There are also two longer essays by Peter Brooks himself including one on

his experience of prison teaching **Conrad's Marlow** Paul Wake,2013-07-19 Variouslly described as the average pilgrim a wanderer and a Buddha preaching in European clothes Charlie Marlow is the voice behind Joseph Conrad s Youth 1898 Heart of Darkness 1899 Lord Jim 1900 and Chance 1912 Conrad s Marlow offers a comprehensive account and critical analysis of one of Conrad s most celebrated creations asking both who and what is Marlow a character or a narrator a biographer or an autobiographical screen a messenger or an interpreter a bearer of truth or a misguided liar Reading Conrad s fiction alongside the work of Walter Benjamin Maurice Blanchot Jacques Derrida and Martin Heidegger and offering an investigation into the connection between narrative and death this book argues that Marlow s essence is located in his liminality in his constantly shifting position and that the emergence of meaning in his stories is at all points bound up with the process of his storytelling Reading for Storyness Susan Lohafer,2020-03-03 The short story has been a staple of American literature since the nineteenth century taught in virtually every high school and consistently popular among adult readers But what makes a short story unique In Reading for Storyness Susan Lohafer former president of the Society for the Study of the Short Story argues that there is much more than length separating short stories from novels and other works of fiction With its close readings of stories by Kate Chopin Julio Cort zar Katherine Mansfield and others this book challenges assumptions about the short story and effectively redefines the genre in a fresh and original way In her analysis Lohafer combines traditional literary theory with a more unconventional mode of research monitoring the reactions of readers as they progress through a story to establish a new poetics of the genre Singling out the phenomenon of imminent closure as the genre s defining trait she then proceeds to identify preclosure points or places where a given story could end in order to access hidden layers of the reading experience She expertly harnesses this theory of preclosure to explore interactions between pedagogy and theory formalism and cultural studies fiction and nonfiction Returning to the roots of storyness Lohafer illuminates the intricacies of classic short stories and experimental forms of surreal postmodern and minimalist fiction She also discusses the impact of social constructions such as gender on the identification of preclosure points by individual readers Reading for Storyness combines cognitive science with literary theory to present a compelling argument for the uniqueness of the short story **Reading for Living Finance , The Plot-structure of Genesis** Todd L. Patterson,2018-03-06 In The Plot structure of Genesis Todd L Patterson argues that Genesis is organized by a development from complication to d nouement The question Will the righteous seed survive drives the narrative to climax Gen 4 sets up the complication Cain and Abel are the seed of the woman who should lead humanity back to God s creation sanctuary Because Cain does not master sin his unrighteousness threatens the survival of the seed Each narrative t l d t division develops this theme until d nouement in the Joseph narrative when God ensures the survival of the promised seed By showing how plot integrates with the widely recognized t l d t structure prominent motifs and enigmatic features of the text Todd L Patterson provides a surprisingly novel interpretation of Genesis **CliffsNotes Praxis Reading for Virginia**

Educators Jane R. Burstein, Diane E. Kern, 2020-12-15 The perfect way to study for Virginia's elementary education and special education reading teacher certification test with subject reviews and two model practice tests Focusing on what entry level Virginia elementary and special education teachers need to be certified to teach this test prep guide includes targeted strategies for the selected response and constructed response questions and reviews of every test specification a candidate will be tested on including instructional process assessment and diagnostic teaching oral language and communication reading development and writing and research The two practice tests are full length model exams that include answers and explanations to help candidates succeed when they take the test *Narratology* Susana Onega, Jose Angel Garcia Landa, 2014-09-19 This text provides an excellent introduction and overview of Narratology a rapidly growing field in the humanities Literary narratologists have provided many key concepts and analytical tools which are widely used in the interdisciplinary analysis of such narrative features as plot point of view speech presentation ideological perspective and interpretation The introduction explains the central concepts of narratology their historical development and draws together contemporary trends from many different disciplines into common focus It offers a compendium of the development of narratology from classical poetics to the present The essays are all prefaced by individual forewords helping the reader to place each individual selection in context Recent developments are assessed across disciplines highlighting the mutual influences of narratology and deconstruction psychoanalysis feminism film and media studies *How Children Read Biblical Narrative* Melody Renee Briggs, 2017-05-31 How do children read the Bible This book makes a major contribution to this underexplored area by analyzing how children interpret Bible stories focused around an empirical investigation of one group of eleven to fourteen year old children and their readings of the Gospel of Luke The first section of the study establishes the nature of the text and the readers in this project exploring the Gospel of Luke as a narrative of Jesus birth life death and resurrection and then looking at the developmental traits of children as readers The next section offers a model account of how biblical scholars can investigate empirical readings of Scripture by describing the methods used to bring together one group of child readers and Luke The third section then analyzes the resulting multitude of interpretations that the children offered in their reading of the book concentrating on the key trends in their interpretive strategies It critiques the children's readings of Luke but it also points to some of the surprising and beneficial results of reading Luke using the interpretive strategies of a child **Great Expectations - Charles Dickens** Harold Bloom, 2009 Possibly Dickens's greatest novelistic achievement *Song of Songs* J. Cheryl Exum, 2005-01-01 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum's verse by verse

exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **True Relations**
Frances E. Dolan, 2013-02-21 Examining seventeenth century crises of evidence and genres of evidence on which both literary critics and historians now depend True Relations explores the notion that we apprehend truth through other people's relations of it and that those relations and our own relation to them are a function of social relationships in conflict
