KATHERINE O'BRIEN O'KEEFE

Reading Old English Texts

Mark Atherton

Reading Old English Texts:

Reading Old English Texts Katherine O'Brien O'Keeffe, 1997-08-28 *Reading Old English Texts* first published in 1997 focuses on the critical methods being used and developed for reading and analysing writings in Old English. The collection is timely given the explosion of interest in the theory, method and practice of critical reading. Each chapter engages with work on Old English texts from a particular methodological stance. The authors are all experts in the field but are also concerned to explain their method and its application to a broad undergraduate and graduate readership. The chapters include a brief historical background to the approach, a definition of the field or method under consideration, a discussion of some exemplary criticism with a balance of prose and verse passages, an illustration of the ways in which texts are read through this approach and some suggestions for future work.

Reading Old English Biblical Poetry Janet Schrank Ericksen, 2020-11-19 *Reading Old English Biblical Poetry* considers the Junius 11 manuscript, the only surviving illustrated book of Old English poetry in terms of its earliest readers and their multiple strategies of reading and making meaning. Junius 11 begins with the creation story and ends with the final vanquishing of Satan by Jesus. The manuscript is both a continuous whole and a collection with discontinuities and functionally independent pieces. The chapters of *Reading Old English Biblical Poetry* propose multiple models for reader engagement with the texts in this manuscript, including selective and sequential reading, reading in juxtaposition and reading in contexts within and outside of the pages of Junius 11. The study is framed by particular attention to the materiality of the manuscript and how that might have informed its early reception and it broadens considerations of reading beyond those of the manuscript's compiler and possible patron. As a book, Junius 11 reflects a rich and varied culture of reading that existed in and beyond houses of God in England in the tenth and eleventh centuries and it points to readers who had enough experience to select and find wisdom, narrative pleasure and a diversity of other things within this or any book's contents.

Introduction to Old English Peter S. Baker, 2012-02-20 Featuring numerous updates and additional anthology selections, the 3rd edition of *Introduction to Old English* confirms its reputation as a leading text designed to help students engage with Old English literature for the first time. A new edition of one of the most popular introductions to Old English. Assumes no expertise in other languages or in traditional grammar. Includes basic grammar reviews at the beginning of each major chapter and a minitext feature to aid students in practicing reading Old English. Features updates and several new anthology readings, including King Alfred's Preface to Gregory's Pastoral Care.

Reading Old English Wisdom Robert DiNapoli, 2021-02-01 This book translates and comments on a selection of Old English poems that modern scholars identify as wisdom texts. These comprise collections of maxims, philosophical and cosmological speculation and historical meditation. Composed by monastic authors from the ninth to the eleventh centuries, they mingle orthodox Christian beliefs with pre-Christian sensibilities embedded in the linguistic texture of Anglo-Saxon verse itself. Their preoccupation with how the human psyche responds to the challenges of incarnate life in space and time lends them a wide-ranging interest for

students of medieval religion social history and psychology Many are superb poems in their own right whose quality the translations here serve to communicate to modern readers The book's commentaries engage sympathetically with patterns of thought and imagination both remote from us in time and yet strangely familiar

Beginning Old English Carole Hough, John Corbett, 2017-09-09 This basic introduction to Old English is an essential guide for students with little or no linguistic knowledge Unlike other textbooks on the subject Beginning Old English focuses on the explanation and demonstration of how the language works using accessible illustrations from simplified Old English texts and showing how many features of present day English have their roots in this stage of the language Beginning Old English builds up reading skills by using simple texts to support the acquisition of key vocabulary and to develop awareness of language structure offers an introduction to the conventions of Old English poetry and how they are realised across different genres religious verse riddles elegies and heroic poetry explores issues in the translation of Old English verse guides the reader through four major texts Cynewulf and Cyneheard Beowulf extract The Battle of Maldon and The Dream of the Rood features activities glossaries illustrations and a Further Reading section Concise and approachable this invaluable text will appeal to anyone with an interest in the early history of English language and literature This is a simple introduction to Old English for students with little linguistic knowledge Unlike other textbooks Beginning Old English focuses on the explanation of how the language works using accessible illustrations from Old English texts and showing how features of present day English have their roots in this stage of the language Assumes no previous linguistic knowledge Second edition updated and revised to take advantage of the availability of digital and online resources such as the Electronic Beowulf and Learning with the Online Thesaurus of Old English A new chapter Introducing Old English Prose added to Part I complements the existing chapter on Introducing Old English Poetry by analysing the extent to which different prose genres draw on the techniques of poetry Two new texts The Ruin and Ifric's Life of St thelthryth have been added to Part II which provides graded readings from simplified texts to canonical works in Old English contains long extracts from Beowulf Cynewulf and Cyneheard The Battle of Maldon and The Dream of the Rood

Emotional Practice in Old English Literature Alice Jorgensen, 2024 An examination of how emotions were practised and performed through Old English texts Scholarship is increasingly interested in investigating concepts of emotion found in Old English literature This study takes the next step arguing that both heroic and religious texts were vehicles for emotional practice that is for doing things with emotion Using case studies from heroic poetry Beowulf The Battle of Brunanburh and The Battle of Maldon religious poetry Christ I and Christ III and homilies selections from the Vercelli Book Blickling Homilies and the works of Wulfstan it shows via detailed close readings that texts could be used to act out emotional styles manage the emotions arising from specific events and negotiate relationships both within social groups and with God Meanwhile a chapter on the Old English Boethius explores how the control of unruly emotions is theorized as the transfer of attachment from the things of this world to the things of the divine Overall the volume offers new angles on

the social functions of genres and questions of reception and performance and it gives insight into how early medieval people used emotions to relate to their world temporal and eternal

Old English Literature R. M. Liuzza, 2008-10-01

Recognizing the dramatic changes in Old English studies over the past generation this up to date anthology gathers twenty one outstanding contemporary critical writings on the prose and poetry of Anglo Saxon England from approximately the seventh through eleventh centuries The contributors focus on texts most commonly read in introductory Old English courses while also engaging with larger issues of Anglo Saxon history culture and scholarship Their approaches vary widely encompassing disciplines from linguistics to psychoanalysis In an appealing introduction to the book R M Liuzza presents an overview of Old English studies the history of the scholarship and major critical themes in the field For both newcomers and more advanced scholars of Old English these essays will provoke discussion answer questions provide background and inspire an appreciation for the complexity and energy of Anglo Saxon studies

The Transmission of Old English Poetry

Peter R. Orton, 2000 No detailed study of Old English poems surviving in multiple two or more contemporary manuscripts has yet been published in spite of a recognition as early as 1946 by Kenneth Sisam of the potential value of a monograph comparing the various versions of these poems This book fills that gap Of some 185 extant Old English poems or fragments twenty are preserved either wholly or in part in multiple manuscript versions involving a total overlap of about 679 verse lines 2 2% of the total surviving poetic corpus of 30 535 lines The various versions of each poem are here compared in close detail with a view to discovering as much as possible about the influences to which Old English poetry was exposed in the course of its transmission Among questions addressed here are the authority of late texts of Old English poems the accuracy of copyists and the extent of their understanding of the texts they reproduced the degree of freedom with which they treated their exemplar texts the significance of the deliberate modifications that they imposed and the question of oral versus literary transmission Prof Tom Shippey St Louis Univ writes Peter Orton s study is an impressive work It examines and refutes two views about OE poetry which have become accepted or canonical The first is Kenneth Sisam s statement from 1953 that a few cases where OE poems exist in two manuscripts show a laxity of phrasing and a percentage of variation which suggests oral transmission rather than literate the second Katherine O Keeffe s more modern and more nuanced argument from 1991 that such poems are the product of formulaic reading and demonstrate a state of residual orality Orton convincingly demonstrates that the variants represent more or less judicious editing A further corollary is that current editorial practice of accepting manuscript readings is a gullible one with two versions to compare

The Routledge Companion to

Humanism and Literature Michael Bryson, 2022-03-30 The Routledge Companion to Humanism and Literature provides readers with a comprehensive reassessment of the value of humanism in an intellectual landscape Offering contributions by leading international scholars this volume seeks to define literature as a core expressive form and an essential constitutive element of newly reformulated understandings of humanism While the value of humanism has recently been dominated by

anti humanist and post humanist perspectives which focused on the flaws and exclusions of previous definitions of humanism this volume examines the human problems dilemmas fears and aspirations expressed in literature as a fundamentally humanist art form and activity Divided into three overarching categories this companion will explore the histories developments debates and contestations of humanism in literature and deliver fresh definitions of the new humanism for the humanities This focus aims to transcend the boundaries of a world in which human life is all too often defined in terms of restrictions political economic theological intellectual and lived in terms of obedience conformity isolation and fear The Routledge Companion to Humanism and Literature will provide invaluable support to humanities students and scholars alike seeking to navigate the relevance and resilience of humanism across world cultures and literatures

The Poetics of Old English Tiffany Beechy, 2016-02-24 Combining literary analysis and theoretical linguistics Tiffany Beechy's timely and engaging study provides a critical reassessment of Old English texts that challenges the distinction between Anglo Saxon prose and verse ultimately recognizing an inherent poetic nature present in all Old English texts While the poetic nature of Beowulf due to the regular meter and heroic story is recognized this study demonstrates that poetry is a more widespread phenomenon than previously thought poetic patterning can be found across the Old English corpus both in verse and in so called prose Informed by Jakobsonian linguistics and oral theory Beechy's analysis focuses on the text itself to identify unique poetic strategies This demonstration includes a comparison between King Alfred's Old English version of Boethius Consolatio Philosophiae and the Latin original the poetic quality of prose homilies poetic epistemology in law codes riddles and charms and unconventional poetics even in traditional verse texts such as the short lyric Deor and the long poem Christ I The Poetics of Old English brings interrelated developments in linguistics and literary theory to the study of Anglo Saxon language and culture showing that Old English texts when considered at the level of language are surprisingly sophisticated

The Handy English Grammar Answer Book Christine A. Hult, 2015-08-17 Researching writing and citing Hiring firing and selling Texting blogging and posting Proper grammar and usage for every occasion is explored through nearly 500 answers to common questions on English grammar and language The first best place to turn for an overview of English grammar Whether you are writing a term paper a scientific article a r sum a business email a text message or presenting information in the social media The Handy English Grammar Answer Book is an engaging guide to writing with clarity It offers fundamental principles grammar rules and punctuation advice as well as insights on writing for different occasions and audiences From a brief history of the English language to the deconstruction and explanation of the different parts of a sentence and from showing how to punctuate correctly to how to organize a well argued essay this easy to use reference answers nearly 500 questions and offers fun facts on the English language and its usage including How did language begin How did English become a language spoken worldwide What is Middle English How did Noah Webster affect the English language What efforts have been made toward reforming spelling Are there any language universals What is an adverb What

is a compound sentence What is a dialect What is jargon What is a noun What is a split infinitive What is passive voice and when should you avoid it Why are English words so hard to spell What is the i before e rule How do I use commas correctly in sentences When should I use parentheses How do I use capitalization on the Internet When do I use that versus which What types of dictionaries are there How do I find the right level of formality in my writing style What is a sentence fragment What is a misused modifier Should I use its or it s What is academic writing What is the difference between primary and secondary research How do I respect copyright laws How do I use materials ethically on my own websites What is plagiarism and how do I avoid it How do I plan a structure for my term paper How do I write an outline How do I avoid writer s block What is considered good essay form How do I write business emails Should I include personal data in a r sum What is netiquette How do I write an effective blog For speakers and writers of all ages and skill levels The Handy English Grammar Answer Book brings you straightforward explanations tips on avoiding and fixing grammatical mistakes as well as numerous examples of good writing This helpful book includes an appendix of model papers letters and sample writing for every occasion from business or social communications to academic papers or Internet forums Appendices on irregular verbs idioms homophones prepositions frequently misspelled words wordy phrases frequently confused word pairs and other common mistakes bring a deeper understanding to readers There is also a glossary of commonly used terms a bibliography and an index *Complete Old English Beginner to Intermediate Course* Mark Atherton, 2019-09-03 Designed for complete beginners and tested for years with real learners Complete Old English offers a bridge from the textbook to the real world enabling you to learn the grammar understand the vocabulary and even how to translate such canonical texts as Beowulf and the earliest version of the Lord s Prayer from a critical point in our history Structured around authentic material using online audio to aid pronunciation and introducing both a grammar perspective and a full introduction to essential vocabulary this course also features 22 learning units plus maps and verb guide New edition features key set texts in an Appendix in a title suitable for classroom or self study use Authentic materials language taught through key texts Teaches the key skills reading and understanding Old English grammar and vocabulary Culture insights learn about the culture and religion of the Anglo Saxons Self tests and learning activities see and track your own progress Rely on Teach Yourself trusted by language learners for over 75 years **Reading Old English Riddles** Robert DiNapoli, 2024-09-25 The riddles collected in the Exeter Book anthology form a distinct subset of Old English literature Their provenance and concerns range from the literary to the popular the learned to the vulgar the devotional to the astringently existential As riddles of course their purpose is to intrigue beguile baffle and entertain all of which they achieve powerfully making use of the language conventions and techniques of the vernacular poetic tradition they have inherited alongside better known works such as Beowulf and The Wanderer In this book Robert DiNapoli presents nearly all of the Exeter Book riddles in modern English verse translations accompanied by substantial commentary that explores their historical psychological linguistic and literary dimensions The Cambridge

Companion to Old English Literature Malcolm Godden, Michael Lapidge, 1991-05-31 Ideal for students this collection of fifteen specially commissioned essays covers all aspects of Anglo Saxon literature from 600 1066 **The Idea of Anglo-Saxon England 1066-1901** John D. Niles, 2015-07-29 The Idea of Anglo Saxon England 1066 1901 presents the first systematic review of the ways in which Anglo Saxon studies have evolved from their beginnings to the twentieth century Tells the story of how the idea of Anglo Saxon England evolved from the Anglo Saxons themselves to the Victorians serving as a myth of origins for the English people their language and some of their most cherished institutions Combines original research with established scholarship to reveal how current conceptions of English identity might be very different if it were not for the discovery and invention of the Anglo Saxon past Reveals how documents dating from the Anglo Saxon era have greatly influenced modern attitudes toward nationhood race religious practice and constitutional liberties Includes more than fifty images of manuscripts early printed books paintings sculptures and major historians of the era *The Cambridge Introduction to Anglo-Saxon Literature* Hugh Magennis, 2011-06-16 Introducing Anglo Saxon literature in an approachable way this is an indispensable guide for students to a key literary topic **Medievalia Et Humanistica No. 27** Paul Maurice Clogan, 2000 Clogan English U North Texas and fellow of the American Academy in Rome has brought together five articles that consider the question of reading and the reader in the Roman de la Rose The Wife's Lament the Pearl the work of Jean Gerson Christine de Pizan and the Iberian writer and scholar Don Ishaq Abravanel The last third of the volume contains reviews c Book News Inc **Runes and Roman Letters in Anglo-Saxon Manuscripts** Victoria Symons, 2016-10-24 This book presents the first comprehensive study of Anglo Saxon manuscript texts containing runic letters To date there has been no comprehensive study of these works in a single volume although the need for such an examination has long been recognized This is in spite of a growing academic interest in the mise en page of early medieval manuscripts The texts discussed in this study include Old English riddles and elegies the Cynewulfian poems charms Solomon and Saturn I and the Old English Rune Poem The focus of the discussion is on the literary analysis of these texts in their palaeographic and runological contexts Anglo Saxon authors and scribes did not of course operate within a vacuum and so these primary texts are considered alongside relevant epigraphic inscriptions physical objects and historical documents Victoria Symons argues that all of these runic works are in various ways thematically focused on acts of writing visual communication and the nature of the written word The conclusion that emerges over the course of the book is that when encountered in the context of Anglo Saxon manuscripts runic letters consistently represent the written word in a way that Roman letters do not The Anglo Saxon Literature Handbook Mark C. Amodio, 2013-06-04 The Anglo Saxon Literature Handbook presents an accessible introduction to the surviving works of prose and poetry produced in Anglo Saxon England from AD 410 1066 Makes Anglo Saxon literature accessible to modern readers Helps readers to overcome the linguistic aesthetic and cultural barriers to understanding and appreciating Anglo Saxon verse and prose Introduces readers to the language politics and religion of the

Anglo Saxon literary world Presents original readings of such works as Beowulf The Battle of Maldon The Wanderer The Seafarer and The Anglo Saxon Chronicle **A Short Media History of English Literature** Ingo Berensmeyer, 2022-08-01

This book explores the history of literature as a history of changing media and modes of communication from manuscript to print from the codex to the computer and from paper to digital platforms It argues that literature has evolved and continues to evolve in sync with material forms and formats that engage our senses in multiple ways Because literary experiences are embedded in and enabled by media the book focuses on literature as a changing combination of material and immaterial features The principal agents of this history are no longer genres authors and texts but configurations of media and technologies In telling the story of these combinations from prehistory to the present Ingo Berensmeyer distinguishes between three successive dominants of media usage that have shaped literary history performance representation and connection Using English literature as a test case for a long view of media history this book combines an unusual bird s eye view across periods with illuminating readings of key texts It will prove an invaluable resource for teaching and for independent study in English or comparative literature and media studies
