Hafner, 1977

El-Hi Textbooks & Serials in Print, 2005 ,2005 **Transforming Your Teaching** Kimberly Carraway, 2014-07-15

Successful teaching techniques informed by the latest research about how kids brains work Teachers are forever searching for ways to help students raise test scores or improve memory and organizational skills Brain research is finally beginning to show them how they can shape their daily teaching practices to best meet these kinds of needs and more in their students But how is a teacher to make sense of all the studies research reports and papers How can you know what will actually work in the classroom In this book Kimberly Carraway a leading educator and teacher of teachers not only summarizes the most essential principles of how the brain learns but also unpacks hundreds of ready to use applications of research in the classroom translating the science into teaching strategies and learning activities that optimize student outcomes Transforming Your Teaching is not about doing more It s about doing things more effectively With brain based tips for instructional design knowledge assessment and the enhancement of learning skills like time management note taking attention reading comprehension organization and memory this user friendly book will empower teachers administrators and parents to maximize retention and classroom success for their K 12 students **Forum** ,1983 *Resources in Education* ,1997 Reading Mastery Classic Grades Pre-K-2, Series Guide McGraw Hill, 2002-07-11 For more than thirty five years Reading Mastery Classic has been helping young learners become smarter learn to read faster and develop effective strategies for understanding Long recognized for its phonemically explicit intensive approach for teaching beginning reading Reading Mastery Classic has proven superior in research studies that measure outcomes with at risk children With Reading Mastery Classic you will provide high quality instruction that has Proven to reduce the prevalence of reading problems

Demonstrated the strongest impact on the reading growth of children at risk Elevated reading skills of at risk children well into the average range

Special Education for Young Learners with Disabilities Festus E. Obiakor, Jeffrey P. Bakken, 2019-01-07 This volume looks at current and future innovations in teaching young learners with disabilities It covers physical disabilities learning disabilities and emotional and behavioral disorders

The Causes of High and Low Reading Achievement Ronald P. Carver, 2000-02 Describes factors that cause some students to have low reading achievement others to have high reading achievement and discusses what educators can do to increase reading achievement For reading researchers grad students in reading research

Success for All Robert E. Slavin, Nancy A. Madden, 2001-01-01 Success for All is a comprehensive reform model for elementary school that combines state of the art curriculum research based instructional methods assessments and professional development with one to one tutoring extensive family support services and other strategies to ensure that every child is successful in the early grades and then builds on that success throughout the elementary years Started in 1987 it is the most widely used of all reform designs It is currently in about 1800 schools serving more than a million U S children mostly in high poverty schools It is also the most extensively researched comprehensive reform program with two dozen evaluations carried out in eight research institutions Success for All Research and Reform in Elementary Education is the first edited volume presenting research on Success for All in the U S and in five other countries for which the program has been adapted This book presents a description of Success for All an overall summary of all achievement studies reviews of research original presentations of new research and discussions of the impacts and the implications of this research and dissemination for educational policy and practice in many arenas

Handbook of Early Childhood Literacy Nigel Hall, Joanne Larson, Jackie Marsh, 2003-10-18 This volume examines early literacy research on a global scale and puts social cultural and historical analyses in the front seat without losing sight of individual and family level matters in the process It is comprehensive ground breaking and provocative and should help literacy researchers to think differently about the field Marjorie Faulstich Orellana School of Education and Social Policy Northwestern University No other publication that I am aware of brings together views from such diverse disciplines contributing to a comprehensive statement about early childhood literacy The Handbook not only reviews the current field of situated literacy but presents some important and exciting new research It is a significant resource that promises to become a landmark text Eve Bearne University of Cambridge Faculty of Education U K This handbook brings together an astonishing array of writers who explore contemporary political cultural and cognitive understandings of early childhood literacy Literacy and literacy acquisition are broadly defined here to encompass not just traditional notions of reading and writing but multimodalities multiliteracies and critical literacies It is rich and comprehensive an invaluable resource for scholars educators and students of early childhood literacy Elsa Auerbach Professor of English University of Massachusetts Boston This book is unique in its broad consideration of topics and its global focus I particularly appreciate how the editors have

situated current research in an historical context They have also included development issues pedagogy research and the newest areas of interest critical literacy and popular culture Diane Barone University of Nevada Reno In recent years there has been a virtual revolution in early childhood studies with a mass of books and papers seeking to re examine and reposition childhood At the same time an equally significant area has developed within literacy studies reflecting a growing interest in the nature of literacy as a socially situated phenomenon There is increased interest in literacy as a multimodal concept in which symbolic meaning is a central concept rather than more conventional and narrower notions of literacy The Handbook of Early Childhood Literacy is central in providing access to all these different perspectives The Handbook offers a way through the vast diversity of publications on early childhood literacy by providing comprehensive and up to date reviews of research and thinking in early childhood literacy The arrangement of chapters reflects a contemporary perspective on research into early childhood literacy Major sections include the global world of early childhood literacy childhood literacy and family community and culture the development of literacy in early childhood pedagogy and early childhood literacy and researching early childhood literacy Contributions by leading authorities focus on literacy as a socially situated and global experience one that is evolving in relation to changes in contemporary culture and technological innovation
