## Reading Raymond Carver:

*Reading Raymond Carver* Randolph Runyon, 1992-06 This is a study of Raymond Carver which seeks to show that beneath a surface of apparent simplicity a self referential metafiction emerges It reveals the intricate texture and strategic juxtapositions through which Carver's short story collections become a reflection on themselves Reading Raymond Carver Randolph Paul Runyon, 2001

**Reading Raymond Carver** Mary Frey, 2017-06 When Mary Frey began photographing family friends and strangers in her immediate environment in 1979 she was in a state of transition Studies finished first teaching assignment pregnant responsibilities duties worries and the need to look for meaning in everyday life After a childhood in the sense of an imminent nuclear catastrophe in an America where lifestyle magazines and television give directions how the BRAVE NEW WORLD should look and function Mary Frey has made strange pictures Technically perfect between snapshot and enactment intimacy and distance Charged banalities with children adolescents and adults middle class USA 35 years ago No reportage a psychogram Stockphotos that no magazine would have printed no agency would have used for a campaign Weird In the end Raymond Carver asks Would I live my life over again Make the same unforgiveable mistakes And as Raymond Carver in words Mary Frey answers with her pictures YES

**Raymond Carver: Collected Stories (LOA #195)** Raymond Carver, 2009-08-20 In collections such as *Will You Please Be Quiet Please* and *What We Talk About When We Talk About Love* Raymond Carver wrote with unflinching exactness about men and women enduring lives on the knife edge of poverty and other deprivations Beneath his pared down surfaces run disturbing violent undercurrents Suggestive rather than explicit and seeming all the more powerful for what is left unsaid Carver's stories were held up as exemplars of a new school in American fiction known as minimalism or dirty realism a movement whose wide influence continues to this day Carver's stories were brilliant in their detachment and use of the oblique ambiguous gesture yet there were signs of a different sort of sensibility at work In books such as *Cathedral* and the later tales included in the collected stories volume *Where I'm Calling From* Carver revealed himself to be a more expansive writer than in the earlier published books displaying Chekhovian sympathies toward his characters and relying less on elliptical effects In gathering all of Carver's stories including early sketches and posthumously discovered works *The Library of America's Collected Stories* provides a comprehensive overview of Carver's career as we have come to know it the promise of *Will You Please Be Quiet Please* and the breakthrough of *What We Talk About When We Talk About Love* through the departures taken in *Cathedral* and the pathos of the late stories But it also prompts a fresh consideration of Carver by presenting *Beginners* an edition of the manuscript of *What We Talk About When We Talk About Love* that Carver submitted to Gordon Lish his editor and a crucial influence on his development Lish's editing was so extensive that at one point Carver wrote him an anguished letter asking him not to publish the book now for the first time readers can read both the manuscript and published versions of the collection that established Carver as a major American writer Offering a fascinating window into the complex fraught relation between writer and editor

Beginners expands our sense of Carver and is essential reading for anyone who cares about his achievement LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **What We Read**

**when We Read Raymond Carver-- a Short Story Study** Roxanne Marie McDonald, 1994 Raymond Carver Carol Sklenicka, 2009-11-24 The first biography of America's best known short story writer of the late twentieth century The London Times called Raymond Carver the American Chekhov The beloved mischievous but more modest short story writer and poet thought of himself as a lucky man whose renunciation of alcohol allowed him to live ten years longer than I or anyone expected In that last decade Carver became the leading figure in a resurgence of the short story Readers embraced his precise sad often funny and poignant tales of ordinary people and their troubles poverty drunkenness embittered marriages difficulties brought on by neglect rather than intent Since Carver died in 1988 at age fifty his legacy has been mythologized by admirers and tainted by controversy over a zealous editor's shaping of his first two story collections Carol Sklenicka penetrates the myths and controversies Her decade long search of archives across the United States and her extensive interviews with Carver's relatives friends and colleagues have enabled her to write the definitive story of the iconic literary figure Laced with the voices of people who knew Carver intimately her biography offers a fresh appreciation of his work and an unbiased vivid portrait of the writer **The Poetry of Raymond Carver** Sandra Lee Kleppe, 2016-02-24 Best known as one of the great short story writers of the twentieth century Raymond Carver also published several volumes of poetry and considered himself as much a poet as a fiction writer Sandra Lee Kleppe combines comparative analysis with an in depth examination of Carver's poems making a case for the quality of Carver's poetic output and showing the central role Carver's pursuit of poetry played in his career as a writer Carver constructed his own organic literary system of autopoetics a concept connected to a paradigm shift in our understanding of the inter relatedness of biological and cultural systems This idea is seen as informing Carver's entire production and a distinguishing feature of Kleppe's book is its contextualization of Carver's poetry within the complex literary and scientific systems that influenced his development as a writer Kleppe addresses the common themes and intertextual links between Carver's poetry and short story careers situates Carver's poetry within the love poem tradition explores the connections between neurology and poetic memories and examines Carver's use of the elegy genre within the context of his terminal illness Tellingly Carver's poetry which has aroused slight interest among literary scholars is frequently taught to medical students This testimony to the interdisciplinary implications of Carver's work suggests the appropriateness of Kleppe's culminating discussion of Carver's work as a bridge between the fields of literature and medicine **The Visual Poetics of Raymond Carver** Ayala Amir, 2010-07-17 The Visual Poetics of Raymond

Carver draws on the study of visual arts to illuminate the short stories of noted author Raymond Carver in the broader context of vision and visualization in a literary text Ayala Amir examines Carver's use of the eye of the camera technique Amir uncovers the tensions that structure his visual aesthetics and examines assumptions that govern scholarly discussions of his work relating these matters to the complex nature of photography and to the current visual turn of cultural studies The research uses visual approaches to reflect upon traditional issues of narrative study duration dialogue narration description frame character and meaning Amir shows how Carver's visual aesthetics shapes the meaning of his stories while also challenging accepted notions of the boundaries of the literary

*A Reader's Companion to the Short Story in English* Erin

Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory

**A Study Guide for Raymond Carver's "Where I'm Calling From"** Gale, Cengage Learning, **The Stories of Raymond Carver** Kirk Nessel, 1995 Raymond Carver known in some circles as the godfather of minimalism has been credited by many as the rejuvenator of the once dying American short story Drawing on representative tales from each of Carver's major volumes of fiction Nessel's critical exploration leads us deep into the heart of Carver country an eerie post industrial world of low rent survivors In this comprehensive study of Carver Nessel discusses the relationship of minimalism

and postmodern trends and the rise of new realism By locating Carver in the gallery of American letters Nessel shows him to be at once more simple and more complex than we might have believed skillfully laying the groundwork for Carver studies to come

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      Reading for Life Philip Davis, 2020-02-12 Reading for Life is an anthology of poems and of extracts from prose fiction related to a series of case histories of individuals carefully reading discussing their reading lives and thinking about the relation of literature to their existence It enables readers to gain increased imaginative access to the works in question through seeing how they have intensely affected equivalent readers a novelist a poet a doctor a teacher an anthologist but also non specialists ordinary people within shared reading groups in many different settings finding help from literary texts in times of often painful personal need It is the story of the work done by Philip Davis research unit the Centre for Research into Reading Literature and Society CRILS at the University of Liverpool in a ten year partnership with the outreach charity The Reader taking serious literature to often neglected communities and struggling individuals through the shared reading alive and aloud of literature from all ages Reading for Life is a detailed account of what reading literature can do for a wide variety of individuals in relation to a wide variety of texts it will be of interest to serious readers in the wider world as much as to scholars working within literary studies and to all those involved in thinking about the therapeutic interactions of literature and life in psychology medicine and mental health support settings      A Study Guide for Raymond Carver's Cathedral Gale, Cengage Learning, 2015-09-15 A Study Guide for Raymond Carver's Cathedral excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs      A Moment of Transcendence Amy Lynn Leo, 2001 This is an essay about reading Raymond Carver It deals mostly with his work in general rather than with what individual stories mean or exemplify My aim is to describe and understand the experience of Carver that I had upon my first reading I will show how reading Raymond Carver can be a spiritual experience and in fact was for me The reading experience becomes spiritual when readers exchange meaning with the characters through identification and by doing so consider themselves in such a way that they fully embrace the patterns of their lives and manage to transcend them Because this is an essay based on experience and the feeling imparted by the stories it is not focused entirely on texts The experience that I will discuss happens in interaction with the stories but mostly outside of them and therefore is not well suited to close readings and textual examination In fact these approaches exist contrary to my purpose which is to highlight an immediate experience that is only possible to reflect upon once the reader is beyond the text I will use the theological work of Paul Tillich and Ludwig Feuerbach to illuminate a spiritual reading of Carver I do this hoping not to impose their theories on Carver but to use their language since my own will often fall short to explicate an experience that was already present in my reading before I began to examine it Tillich's ideas on ultimate

concern will provide a background for my understanding of Carver's fiction as spiritual and for viewing humanity as alienated from our realities a condition which is temporarily soothed through reading Carver. Feuerbach articulates a belief in species consciousness that sets up humans as essentially relational and provides a context for understanding the identification with Carver's characters that is necessary in reaching transcendence.

**Raymond Carver** Adam Meyer, 1995 An acknowledged master of the short story Raymond Carver 1938-88 excelled at portraying the hardscrabble existence of blue collar workers frustrated and disillusioned by the false promises of the American dream. This terrain was well known to Carver who long worked at blue collar jobs to support his family and personally struggled with the transiency alcoholism economic privation and despair he depicts so poignantly in his fiction. At the same time he overcame these obstacles aided by among others the writer John Gardner the editor Gordon Lish and the poet Tess Gallagher to become a major figure in the resurgence of the short story and the revival of realistic writing. For collections like *Will You Please Be Quiet Please* *What We Talk About When We Talk about Love* and the magnificent *Cathedral* Carver won honor after honor including nominations for the National Book Award the National Book Critics Circle Award and the Pulitzer Prize. And with the 1993 release of Robert Altman's film *Short Cuts* Carver long known to readers of serious fiction attained widespread public recognition. Tracing these themes and more is Adam Meyer's *Raymond Carver* which considers more of the writer's fiction and poetry than has any previous book length study. Writing with luminous clarity Meyer delves into the biographical elements shaping the writer's career and probes Carver's style and subject matter he then examines the majority of the fictional works organizing his material according to distinct phases in the writer's canon while devoting a separate chapter to Carver's poetry. Of special appeal are Meyer's insightful comparison of stories published in multiple versions and his informed discussion of minimalism a term often applied to Carver's writings but Meyer argues only partly if at all with accuracy.

Raymond Carver's Short Fiction in the History of Black Humor Jingqiong Zhou, 2006 This first book length study on the black humor in Raymond Carver's work includes valuable interpretations of Carver's aesthetics as well as the psycho social implications of his short fiction. The presence of an indeterminate menace in the oppressive situations of black humor in Carver as compared to a European tradition of existentialist writing and his American predecessors including Twain Heller Barth and others is mitigated through humor so it is not dominant. As a result a subtle promise emerges in the characters' lives.

Paradigms of Authority in the Carver Canon Péter Boczor, 2015-04-16 Raymond Carver's personal story as a writer became publicly known through an unusually intense cooperation with his literary agent Gordon Lish. Carver's career can be viewed as the story of a fight for the control of his writerly voice in which he is doomed to fail due to the heterogeneity characterizing the genesis of his works. The parallel versions of the same stories in the Carver canon not only pose a threat to any attempt of a simplistic evaluation of his literary legacy but also raise questions about the authority of the writer. The author of the present book considers the choices Carver Lish and other editors made part of the collective social act of manufacturing and attempts to

carry out a neutral analysis of the various versions
