Women Workers in the Soviet Interwar Economy M. Ilic,1998-12-21 This book examines changes in official Soviet policy towards the labour protection of women workers 1917 41 Important legislative enactments are analysed In the 1920s emphasis was placed on the protection of female labour by the agencies responsible for regulating women s role in industrial production With the mass recruitment of women workers to the Soviet industrialisation drive by the early 1930s labour protection issues were often ignored as women were encouraged to play a more equal role in the production process

University of Michigan Official Publication ,1963 Not by Bread Alone Robert Nalbandov,2016-01-01 Since its independence in 1991 Russia has struggled with the growing pains of defining its role in international politics After Vladimir Putin ascended to power in 2000 the country undertook grandiose foreign policy projects in an attempt to delineate its place among the world s superpowers With this in mind Robert Nalbandov examines the milestones of Russia s international relations since the turn of the twenty first century He focuses on the specific goals engagement practices and tools used by Putin s administration to promote Russia s vital national and strategic interests in specific geographic locations His findings illuminate Putin s foreign policy objective of reinstituting Russian global strategic dominance Nalbandov argues that identity based politics have dominated Putin s tenure and that Russia s east west split is reflected in Asian European politics Nalbandov s analysis shows that unchecked domestic power an almost exclusive application of hard power and determined ambition for unabridged global influence and a defined place as a world superpower are the keys to Putin s Russia
