Readings In Sociology An Introduction:

Sociology Anthony Giddens, Philip W. Sutton, 2010 Whilst particularly useful as a companion to the sixth edition of Giddens's *Sociology* the reader is designed for use independently or alongside other textbooks *Thirty Readings in Introductory Sociology* Kenneth Alan Gould, Tammy L. Lewis, 2012 *Thirty Readings in Introductory Sociology* introduces students to the field of sociology in an engaging accessible manner Designed to be used alone or with its companion *Ten Lessons in Introductory Sociology* the book is organized around four themes commonly examined in introductory courses What is sociology What unites society What divides society and How do societies change Rather than provide encyclopedic responses to such questions *Thirty Readings in Introductory Sociology* engages students in critical thinking while presenting key concepts and methods in sociology Edited by Kenneth A Gould and Tammy L Lewis the text raises sociological questions applies a sociological lens illustrates how data are used and presents core topics in a way that is easy for students to grasp Each section begins with an introduction by Gould and Lewis followed by three readings one classical one that uses qualitative data and a third that uses quantitative data [Readings in Introduction to Sociology](#) Pearson Custom Publishing, 1997-08 [An Introduction to Politics, State and Society](#) James W McAuley, 2003-06-04 This major new textbook will equip students with a complete understanding of contemporary politics state and society in the United Kingdom today Key underlying themes include The differences between traditional and alternative sites of power and what we mean by political the relationships between politics society and how individuals become and remain engaged with politics the rapid transformations in contemporary social structures and their impact on social and political life the role of human agency and its significance to social and political action and movements contemporary cultural and social dislocations and their impact on some of the major contested areas of political life today Key features include Key concepts and issues Key theorists and writers Discussion questions Comprehensive and accessible *An Introduction to Politics State Society* is an essential text for all undergraduate students of politics the contemporary state power and political sociology **Readings in Sociology** Lorne Tepperman, James E. Curtis, 1988 **Imagining Sociology** Catherine Corrigan-Brown, 2023 *Imagining Sociology* is an introductory sociology text that stands alone in offering full length primary source readings from Canada and around the world embedded within sociologist Catherine Corrigan Brown's insightful explanation of social theory This unique approach helps instructors save time from having to source and integrate readings into their lessons and helps students better understand sociological theories and concepts as they develop their sociological imaginations [Mapping the Social Landscape](#) Susan J. Ferguson, 2020-08-27 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop *Mapping The Social Landscape* is one of the most established and widely used readers for *Introductory Sociology* The organization follows that of a typical introductory sociology course and provides coverage of key

concepts including culture socialization deviance social structure social inequality social institutions and social change Susan J Ferguson selects edits and introduces 58 readings representing a plurality of voices and views within sociology The selections include classic statements from great thinkers like C Wright Mills Karl Marx and Max Weber as well of the works of contemporary scholars who address current social issues Throughout this collection there are many opportunities to discuss individual interactional and structural levels of society the roles of race ethnicity class gender and sexuality in shaping social life and the intersection of statuses and identities Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides Imagining Sociology Catherine Corrigan-Brown,2015-12-17 The only introductory sociology text to offer integrated readings throughout Imagining Sociology is a refreshing new introduction to the fascinating world of sociology Original readings by the founders of the discipline and today's top sociologists encourage students to engage directly with core ideas in the discipline while an accessible narrative framework offers context for understanding these ideas Combining contemporary examples and interesting activities throughout this text helps students recognize how their own lives impact and are impacted by society at large *Readings In Introduction to Sociology 101* Syracuse and Spencer,1999-09 **Urban Geography in America, 1950-2000** Brian J.L Berry,James Wheeler,2014-05-01 Urban Geography in America offers a comprehensive historiography of this major field Compiling the best essays from the flagship journal Urban Geography it shows the evolution of the field from the 1950s to 2000 as it shifted from data driven social science modeling in the 1960s to the more critical perspectives of the 1970s to postmodernism in the 1980s to feminism and globalization in the 1990s It covers all the major trends and figures and features some of the most important names in the field Ultimately this will be a necessary reference for all scholars in the field and all graduate students taking introductory courses and preparing for their comprehensive exams *Australian Sociology* K. Harley,G. Wickham,2014-07-22 Battered and bruised by injuries often self inflicted sustained in the first half of the twentieth century since 1950 sociology in Australia has fought its way back into the academic mainstream This has not been easy its fortunes seem forever mixed good in some places and dismal in others But it has proved itself resilient it is a survivor Modern Scientific Knowledge of Nature, Man, and Society Frederick Albert Cleveland,1929 *Readings for Introduction to Sociology* ,1996 *A Guide to Readings in Civic Education ...* Olive Thompson Cowell,1924 **Sociology** ,1980 **The Idea of Social Structure** Lewis A. Coser,2017-07-12 Written and compiled by friends and former students The Idea of Social Structure honors Robert K Merton considered one of the premier sociologists of the twentieth century Along with Talcott Parsons and Marion J Levy Merton was emphatic in his use of the term social structure however different they were in defining and refining the term The chapters in this volume address many of Merton's diverse sociological theories and in turn his theories impact upon a very large sociological territory The volume includes major statements on the context of working with Merton by Lewis A Coser Paul F

Lazarsfeld Robert A Nisbet and Seymour Martin Lipset as well as memorable statements covering Merton s interests in the sociology of knowledge and science planning communities medical education relative deprivation everyday life political roles and communication media This is a powerful sourcebook for understanding the work of Merton and of his intellectual successors Nisbet called the decade of the 1930s among the most vital and creative periods in American history It was certainly a period of intense struggle political military and ideological But the formation of modern sociology was without question one of the crowning achievements in the scientific evolution of the century The volume is sharply focused on Merton s work and deeply appreciative of the nature of his contribution It is a landmark effort in the study of sociology as history
