Readings In The History Of Anthropology:

Readings in the History of Anthropology Regna Darnell, 1974 Anthropologie Geschichte Readings for a History of Anthropological Theory, Fifth Edition Liam D. Murphy, 2017-01-01 The fifth edition of this bestselling reader builds a strong foundation in both classical and contemporary theory with a sharpened focus on gender and anthropology and the anthropology of new media and technology Short introductions and key terms accompany every reading and light annotations have been added to aid students in reading original articles Used on its own or together with A History of Anthropological Theory Fifth Edition this anthology offers a flexible and unrivalled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today *Readings for A History of Anthropological Theory* Paul A. Erickson, Liam Donat Murphy, 2010-01-01 This comprehensive anthology presents 40 readings that are critical to an understanding of anthropological theory and the development of anthropology as an academic discipline The readings have broad anthropological appeal emphasizing social and cultural anthropology The third edition has been completely revised throughout and organized to work more closely alongside the companion overview text A History of Anthropological Theory It includes six new readings as well as two original essays written by contemporary anthropologists on Why Theory Matters These new essays help ground the more abstract readings in the collection The glossary has been significantly expanded and the discussion questions have been revised The result is a volume that offers not only a strong foundation in the history of the discipline but also a good overview of developments in twentieth and twenty first century anthropological theory including feminist anthropology postmodernity medical anthropology globalization postcolonialism and public anthropology **Readings for a History of Anthropological Theory, Sixth Edition** Paul A. Erickson, Liam D. Murphy, 2021-11-01 Readings for a History of Anthropological Theory curates and collects many of the most important publications of anthropological thought spanning the last hundred years building a strong foundation in both classical and contemporary theory The sixth edition includes seventeen new readings with a sharpened focus on public anthropology gender and sexuality race and ethnicity linguistic anthropology archaeology and the Anthropocene Each piece of writing is accompanied by a short introduction key terms study questions and further readings that elucidate the original text On its own or together with A History of Anthropological Theory sixth edition this anthology offers an unrivalled introduction to the theory of anthropology that reflects not only its history but also the changing nature of the discipline today *Readings for a History of Anthropological Theory, Fifth Edition* Paul A. Erickson, Liam Donat Murphy, 2016 This comprehensive anthology offers over 40 readings that are critical to the understanding of anthropological theory and the development of anthropology as an academic discipline The fifth edition of this popular theory reader maintains a strong foundation in both classical and contemporary anthropological theory with a sharpened focus on gender and anthropology and the anthropology of new media and technology Short introductions and key terms accompany every reading and light

annotations have been added to aid students Used on its own or together with the overview text *A History of Anthropological Theory* Fifth Edition this anthology offers a flexible and unrivaled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today *Introductory Readings in Anthropology* Hilary Callan, Brian Street, Simon Underdown, 2013-03 Anthropology seeks to understand the roots of our common humanity the diversity of cultures and world views and the organisation of social relations and practices As a method of inquiry it embraces an enormous range of topics and as a discipline it covers a multitude of fields and themes as shown in this selection of original writings As an accessible entry point for upper level students and first year undergraduates new to the study of anthropology this reader also offers guidance for teachers in exploring the subject's riches with their students That anthropology is an immensely expansive inquiry of study is demonstrated by the diversity of its topics from nature conservation campaigns to witchcraft beliefs from human evolution to fashion and style and from the repatriation of indigenous human remains to research on literacy There is no single story of anthropology Taken together these fundamental readings are evidence of a contemporary vibrant subject that has much to tell us about all the worlds in which we live

Readings for a History of Anthropological Theory - 6th Edition Liam Murphy, Paul A Erickson, 2021-08-15 The sixth edition of this bestselling reader offers a comprehensive collection of readings critical to the understanding of anthropological theory with a selection of new pieces that represent major developments in the field **Killer Apes, Naked Apes, and Just Plain Nasty People** Richard J. Perry, 2015-09 In *Killer Apes Naked Apes and Just Plain Nasty People* anthropologist Richard J Perry delivers a scathing critique of determinism Exploring the historical context and enduring popularity of the movement over the past century and a half he debunks the facile and the reductionist thinking of so many popularizers of biological determinism while considering why biological explanations have resonated in ways that serve to justify deeply conservative points of view

Readings for a History of Anthropological Theory, Fourth Edition Paul A. Erickson, Liam D. Murphy, 2013-04-21 This comprehensive anthology offers over 40 readings that are critical to the understanding of anthropological theory and the development of anthropology as an academic discipline The fourth edition maintains a strong focus on the four field roots of the discipline in North America but has been reorganized with a new section on twenty first century theory including coverage of postcolonial and public anthropology New key terms and introductions accompany each reading and a revamped glossary makes the book more student friendly Used on its own or together with the overview text *A History of Anthropological Theory* Fourth Edition this anthology offers a flexible and unrivaled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today For additional resources visit the Teaching Theory page at www.utpteachingculture.com *A History of Anthropological Theory* Paul A. Erickson, Liam Donat Murphy, 2008-01-01 This overview of the history of anthropological theory provides a comprehensive history from antiquity through to the twenty first century with a focus on the twentieth century and beyond Unlike other

volumes it also offers a four field introduction to theory As a stand alone text or used in conjunction with the companion volume Readings for a History of Anthropological Theory Erickson and Murphy offer a comprehensive affordable and contemporary introduction to anthropological theory The third edition has been updated and fully revised throughout to closely parallel the presentation in the companion reader making it easier to use both books in tandem New original essays by contemporary theorists bring theories to life and portraits of important theorists make it a handsome volume Sources and suggested readings have been updated and glossary definitions have been updated streamlined and standardized

Readings in the Theory of Religion Scott S. Elliott, Matthew Waggoner, 2016-06-16 Readings in the Theory of Religion brings together classic and contemporary texts to promote new ways of thinking about religion The texts reflect the diverse methods used in the study of religion text and textuality ritual the body gender and sexuality religion and race religion and colonialism and methodological and theoretical issues in the study of religion Readings in the Theory of Religion is an indispensable introduction to theoretical and interdisciplinary approaches in religious studies and provides the student with all the tools needed to understand this fascinating and wide ranging field

Readings in Early Anthropology James Sydney Slotkin, 1965 This book considers the beginnings of anthropology as a cultural tradition and examines how it was developed and transmitted It begins in the twelfth century when commercial capitalism and extensive acculturation spread a secular world view among intellectuals It ends with the eighteenth century because most anthropologists are familiar with the subsequent history of their science Originally published in 1963

Strangers in the South Seas Richard Lansdown, 2006-01-01 Long before Magellan entered the Pacific in 1521 Westerners entertained ideas of undiscovered oceans mighty continents and paradisaic islands at the far ends of the earth such ideas would have a long life and a deep impact in both the Pacific and the West With the discovery of Tahiti in 1767 another powerful myth was added to this collection the noble savage For the first time Westerners were confronted by a people who seemed happier than themselves This revolution in the human sciences was accompanied by one in the natural sciences after Darwin's momentous visit to the Galapagos Islands The Pacific produced other challenges for nineteenth century researchers on race and culture and for those intent on exporting their religions to this immense quarter of the globe As the century wore on the region presented opportunities and dilemmas for the imperial powers a process was accelerated by the Pacific War between 1941 and 1945 Strangers in the South Seas recounts and illustrates this story using a wealth of primary texts It includes generous excerpts from the work of explorers soldiers naturalists anthropologists artists and writers some famous some obscure It shows how the Great South Sea has been an irreplaceable distant mirror of the West and its intellectual obsessions since the Renaissance

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1974 *A History of Anthropological Theory, Fifth Edition* Paul A. Erickson, Liam D. Murphy, 2016-10-19 The fifth edition of this bestselling theory text has been revised throughout with substantial updates including more on gender and sexuality and with a new section on

Anthropologies of the Digital Age Keyword definitions have been reinstated in the margins and biographical information on theorists has been enhanced to build stronger context for readers On its own or used with the companion volume Readings for a History of Anthropological Theory this text provides comprehensive coverage in a flexible and easy to use format for teaching in the undergraduate anthropology classroom *Catalogue of the Library of the Peabody Museum of Archaeology and Ethnology* Peabody Museum of Archaeology and Ethnology. Library,1963 *A Guide to Systematic Readings in the Encyclopaedia Britannica* James Baldwin,1895 **Tertullian the African** David E. Wilhite,2011-06-24 Who was Tertullian and what can we know about him This work explores his social identities focusing on his North African milieu Theories from the discipline of social cultural anthropology including kinship class and ethnicity are accommodated and applied to selections of Tertullian s writings In light of postcolonial concerns this study utilizes the categories of Roman colonizers indigenous Africans and new elites The third category new elites is actually intended to destabilize the other two denying any essential Roman or African identity Thereafter samples from Tertullian s writings serve to illustrate comparisons of his own identities and the identities of his rhetorical opponents The overall study finds Tertullian s identities to be manifold complex and discursive Additionally his writings are understood to reflect antagonism toward Romans including Christian Romans which is significant for his so called Montanism and Romanized Africans While Tertullian accommodates much from Graeco Roman literature laws and customs he nevertheless retains a strongly stated non Roman ness and an African ity which is highlighted in the present monograph **Plantation Society in the Americas** ,1980 *A Guide to Systematic Readings in the New Werner Twentieth Century Edition of the Encyclopaedia Britannica* James Baldwin,1905
