Real Fatherhood The Path Of Lyrical Parenting:

Real Fatherhood Bob Kamm, 2002-04 Originally titled Crossroad 15 the author changed the name of the book to best reflect what he feels its content is about PATHWAYS that people choose to take in their lives PATHWAYS is a simple tale of a teenager Jon who has been raised by his single parent mother Robyn in Los Angeles While Robyn is constantly on guard wanting nothing more than for her son to be happy and to grow up without being affected by the plethora of gangs and vices that become integral in so many city teenagers lives the reality is that no parent can do it alone When Jon stumbles upon Adam a somewhat free spirited man who lives in the city he finds therein a person who is a friend a mentor a brother and a father to him Ever wary of strangers Robyn actively attempts to restrain their friendship from forming for to her it represents danger to her son Danger in the form of a stranger But as events unfold suspicion and fear give way to understanding and trust Often the people we choose to let into our lives can enrich us This is a tale about learning to trust one another learning to trust ourselves and our children and those all around and understanding that the only way to grow is to learn from our choices And finally it is about learning to trust ourselves and about understanding what positive things we can accomplish in our lives and that trust is a sacred thing not to be betrayed

Kamm,2010-10-08 Both the narrative and the poetry in this book clearly demonstrate that love after 60 is not only possible it may burn with an intensity even greater than the fires of our youth Barry Bernfeld Ph D Director The Primal Institute Los Angeles The very first poem in this collection The Choice left me speechless and moved to tears something most unusual for this military veteran and leadership consultant For me Bob Kamms poetry comes not only from the center of his love but from the center of Love itself John Scherer author of Five Questions That Change Everything Bob Kamms genius is abundantly on display as he fills his pages with both beauty and humor each enlivening the spirit in its own unique way His masterful control of line length and the space it creates assures the reader will give each concise and precious thought image and phrase its due Norm Jackson Ph D Cal Poly San Luis Obispo retired

Lyric Heart Bob Kamm,2007-03-15 This is poetry everyone can enjoy but do yourself a favor and read it aloud Norm Jackson Ph D Poetry should be more than a clever collection of words and images The poet must be a person who has truly lived and experienced the joys and agonies of the heart Bob Kamm is that type of poet Barry Bernfeld Ph D Bob Kamm rejects the idea that poetry is a language of the gods He makes it fully human in this collection of exceptional scope addressing all the major domains of the average persons life family love work war spirit and laughter Yes these are poems that should be read out loud on the subway or in the suburbs in the workplace or at funerals weddings or births on ordinary days days of epiphany days of sorrow days of falling in love and out days when you lose your faith in humanity and regain it any and all days when your own heart longs to sing and either cant find the words or needs another to take up harmony

Stories My Father Told Me A father's precious heritage, "The true meaning of living a good life" The author tells a series of stories she had heard from her childhood that were told to her by her father, along with her own life-long observations of her father's life. These stories are of the father's childhood struggles with poverty, war, and refuge and settlement during the Japanese colonial period and the Korean War. And of a life thereafter of living in South Korea as a farmer. Also, stories of fatherhood full of sincerity, perseverance, caring, tolerance, and love, the roots of life values. Stories that seek to show a sincere life is one that adheres to these values. Not preaching, but self realization The father in the book does not instruct with words, but with actions. He shows respect to even very young children and guides them to self realizations. The author communicates her father's "attitude towards life" in an honest and easy to approach manner. Readers glean moments of self-awareness as they read through the book. The story of the father's life, To all parents and children, spreading the fragrance of these stories to the world People are born, children to someone, and themselves become parents to someone. No person is born as an adult, no person is born a parent. As a child, our reality comes from our parents, and we look upon them as if they are "the world." As we become adults, we come to realize that our parents were once young and awkward themselves. We then begin to pay attention to how they themselves became adults, became parents. Although the beginnings may not be perfect, the constant struggle of a father to live a good life is of great value for their children. Therefore, this book contains valuable stories for all parents of this world, and to all

the children who are looking to them.
