**Real Life - Real Spice** Carl MACDOUGALL,1997      *Real Life* Spice Girls,1997      Real Life: Real Spice Spice Girls (gruppo musicale),1997      *English Media Texts □ Past and Present* Friedrich Ungerer,2000-12-04 This book is among the first to combine a historical view of media texts with a critical look at their textual diversity today The thirteen chapters cover corpora of early news papers and pamphlets present day news stories and commentaries TV talk shows and commercials as well as internet presentations The studies focus on the wide range of text types in 18th century newspapers and the interpersonal strategies of pamphlets they pursue the development of the persuasive potential of headlines and advertisements right down to the sophisticated postmodernist and multilingual examples of today Other topics are the definition and structure of news stories and commentaries the interpersonal and multi modal aspects of talkshows and more radically the questioning of the journalist s role in the age of the internet Generally the stress is on the attention getting side of media texts rather than on the manipulative qualities investigated by critical discourse analysis      *Screening Generation X* Christina Lee,2016-04-01 *Screening Generation X* The Politics and Popular Memory of Youth in Contemporary Cinema examines popular representations of Generation X in American and British film In arguing that the various constructions of youth are marked by major cultural shifts and societal inequalities it analyzes the iconic Gen X figures ranging from the slacker the teenage time traveller and third wave feminists to the oeuvre of Molly Ringwald and Richard Linklater This book explores the important cultural work performed by films that mediate the experiences of Generation X and critiques the ongoing marginalization of the youth who struggle to find their identity and a voice in increasingly unstable times Specific analyses of such films as *Pump Up the Volume* *The Breakfast Club* *Heathers* *Donnie Darko* and *Waking Life* are used to illustrate the research      **MY COLLECTION MAYBE YOURS! WHY WE MUST HAVE IT ALL** Terry Wayne Brownlee,2019-05-15 *What Do You Collect* That depends on what demographic you belong to If you grew up in the 1960s and 1970s you are either a Trekkie or a Star Wars fan Or maybe you re more into Marvel or DC Universe Either way you know you were hooked into reliving the adventure For me I was there in the beginning as a baby boomer with all that was on TV music and movies It was all a good place to bring you back to all the thrill of your heroes and how one day you too can ride off into the sunset For me I did one better I got to act out a role just like my hero and do the very things they did With what you collect you buy movies music toys and anything connected with these treasured moments I am very sure what I collect is what people stored in their closets So sad I thought they should be sure what they collect to their friends and to the world For what your collect and are attracted to is part of a million no trillion dollar industry that grabs your attraction Here it begins my search on how we as baby boomers and generations beyond get caught up once in a never ending spend cycle that must be met as each decade unfolds as each generation get sucked into being duped and persuaded This would be the beginning of your spending habits You are very much targeted Many do not care I too get caught up in this friendship
