Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5. Each activity features step by step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must have for every Early Years setting. There's no better way to get children moving, laughing and learning than with songs and dance, but sometimes it can feel like you've exhausted your rhyme repertoire or simply run out of musical steam. 50 Fantastic Ideas for Songs and Rhymes offers a mixture of traditional favourites, fresh alternatives to well known rhymes, action songs, original rhythms and funny verse that will have everyone giggling. All activities include suggestions for actions and dances and tips for incorporating songs and rhymes into other areas of children's learning. Adults will feel confident singing and moving to music with children, whether one to one or in groups, and children will love the repetition, rhymes and rhythmic movements of these activities. Drawing on developmental research to compile the very best musical activities, this book will boost practitioners' confidence and improve children's cognitive abilities and movement skills.

Early Literacy Fundamentals Sue Palmer, Ros Bayley, 2005. Early Literacy Fundamentals offers powerful activities to develop the skills, concepts and knowledge underpinning early literacy. It builds on the personal, social, emotional, creative and physical development skills that are a traditional part of early childhood programs. Based on the latest research, the book recognizes that oral language is the bedrock upon which formal learning is based and that literacy begins at birth and is part of an ongoing developmental process. Develops concurrently with oral language development is enhanced by adult models who expose children to print and how it works. It is based on a systematic relationship between letters and sounds, is rooted in and connected to the child's culture and communication patterns. Each of the activities is organized around a seven strand framework that reflects successful early childhood practices. It is presented along with background research and practical advice on helping children initiate their own constructive play. The types of activities teachers will find include learning activities appropriate to a young child's age and stage of development, quality pre-school activities that boost all children's language and literacy skills and build a strong foundation for reading and literacy success in school, opportunities for children to use oral language in a variety of ways as they play and experiment with words, adult initiated whole group activities that can be extended into child initiated play. Early Literacy Fundamentals provides a comprehensive overview of the language and literacy experiences children need and helps teachers give them a strong base on which future reading and learning success can grow.

Cantos de adolescencia Américo Paredes, 2007-09-30. Stop Time, your fast race turn back to my lost infancy. With the final poem of this collection, Upon Turning Twenty One, famed Chicano folklorist Américo Paredes closes a chapter in his life, one written during his formative years from 1932 to 1937 as he grew from a seventeen year old boy to a twenty one year old man. In doing so, the renowned writer looks toward the unknown future maze. Originally published in 1937 by Libreria Espanola in San Antonio, Texas, this new edition contains the first ever English translations of the original Spanish poems and an introduction by the translators, scholars and
