Popular Fads and Crazes through American History Nancy Hendricks, 2018-08-17 This informative two volume set provides readers with an understanding of the fads and crazes that have taken America by storm from colonial times to the present Entries cover a range of topics including food entertainment fashion music and language Why could hula hoops and TV westerns only have been found in every household in the 1950s What murdered Russian princess can be seen in one of the first documented selfies taken in 1914 This book answers those questions and more in its documentation of all of the most captivating trends that have defined American popular culture since before the country began Entries are well researched and alphabetized by decade At the start of every section is an insightful historical overview of the decade and the set uniquely illustrates what today's readers have in common with the past It also contains a Glossary of Slang for each decade as well as a bibliography plus suggestions for further reading for each entry Students and readers interested in history will enjoy discovering trends through the years in such areas as fashion movies music and sports *Same Time, Same Station* James L. Baughman, 2007-03-26 Outstanding Academic Title for 2007 Choice Magazine Ever wonder how American television came to be the much derided advertising heavy home to reality programming formulaic situation comedies hapless men and buxom scantily clad women Could it have been something different focusing instead on culture theater and performing arts In *Same Time Same Station* historian James L Baughman takes readers behind the scenes of early broadcasting examining corporate machinations that determined the future of television Split into two camps those who thought TV could meet and possibly raise the expectations of wealthier better educated post war consumers and those who believed success meant mimicking the products of movie houses and radio decision makers fought a battle of ideas that peaked in the 1950s just as TV became a central facet of daily life for most Americans Baughman's engagingly written account of the brief but contentious debate shows how the inner workings and outward actions of the major networks advertisers producers writers and entertainers ultimately made TV the primary forum for entertainment and information The tale of television's founding years reveals a series of decisions that favored commercial success over cultural aspiration

**Seductive Screens** Michael Brody, 2013-01-16 *Seductive Screens* Children's Media Past Present and Future describes the development of child media from its early beginnings on radio to the millions of postings on Facebook The book explains the collision of economics psychology the needs of parents and technology in creating the perfect storm for kid's media growth Many related issues are discussed as they affect children's media including education civility celebrity violence play and child rearing There is a special emphasis on the influence of Disney Sesame Street and Batman Using case studies and his own ambivalence expressed by personal anecdotes the author places this important subject in a psychological context The reader is encouraged to add their input to the discussion as questions follow most chapters *The 1950s' Most Wanted™* Robert A Rodriguez, 2006-04-01 Journey back fifty years to explore the decade of baby boomers the Red scare and the birth of

rock and roll with Robert Rodriguez's *The 1950s Most Wanted: The Top 10 Book of Rock Roll Rebels*, Cold War Crises and All American Oddities. America was revving its engines when the fifties came along and its citizens more than ready for everything the historic decade had to offer. Rodriguez takes you on a spin down memory lane with dozens of top ten lists filled with amazing, amusing and even astonishing trivia from the 1950s. Television exploded into the mainstream in the 1950s and in this book you'll find kids television shows that were immensely popular then but forgotten now and potential series that never got off the ground. Film and music history are also well represented with lists highlighting the fathers of rock and roll and some unlikely recording artists plus catchphrases from contemporary films and first roles of future stars. Relive the most notorious crimes of the decade such as the one that inspired the TV show and film *The Fugitive* and its big scandals such as the quiz show debacle and the deportation of Charlie Chaplin. You'll read about politicians, celebrities, fashion, toys, fads and disasters. Relearn the hip slang of the time while finding out which tales from the fifties were really tall tales or urban legends that are now debunked. Rodriguez gives you a whole decade's worth of fun facts and all important memories. It may have been half a century ago but with *The 1950s Most Wanted* it'll seem like just yesterday. *Speaking Yiddish to Chickens* Seth Stern, 2023-03-17. Passage New York. Finding a Farm, Settling In, Small Town, Jews, Word of Mouth, Migration, Mixed Reception, Getting Noticed, Vicissitudes, Comfort Zones, Community Building, New Connections, Family Friends, Downturn, Rural Childhoods, Hurricanes, Coping, Grief, Faith, Feed Men, A Record Breaking Hen, Laborers, The Golden Egg, Seeking Help, Alternative Livelihoods, Teenagers, Valedictory After Farming. **Hi There, Boys and Girls!** Tim Hollis, 2010-01-06

*Television Program Master Index* Charles V. Dintrone, 2014-02-11. This work indexes books, dissertations and journal articles that mention television shows. Memoirs, autobiographies, biographies and some popular works meant for fans are also indexed. The major focus is on service to researchers in the history of television. Listings are keyed to an annotated bibliography. Appendices include a list of websites, an index of groups or classes of people on television and a list of programs by genre. Changes from the second edition include more than 300 new shows airing on a wider variety of networks, 2000 plus references more than double the second edition and a large increase in scholarly articles. The book provides access to materials on almost 2300 shows including groundbreaking ones like *All in the Family*, almost 200 entries, cult favorites like *Buffy The Vampire Slayer*, 200 plus entries and a classic franchise *Star Trek*, more than 400 entries for all the shows. The shows covered range from the late 1940s to 2010. *The Walking Dead* references range from 1956 to 2013. *Anytime Playdate* Dade Hayes, 2008-05-06. In this eye opening book the first to investigate the explosion of the multibillion dollar preschool entertainment business and its effects on families, Dade Hayes, an entertainment expert, author and concerned father, lifts the veil on the closely guarded process of marketing to the ultra young and their parents. Like many parents, Dade Hayes grabbed me time by plopping his daughter in front of the TV, relaxing while Margot delighted in the sights and sounds of Barney and the Teletubbies. But when Margot got hooked, screaming whenever the TV was turned off, Hayes set out to

explore the vast universe of this industry in which preschoolers devour 21 billion worth of entertainment Going behind the scenes to talk with executives writers and marketers who see the value of educational TV Hayes finds compelling research that watching TV may raise IQs and increase vocabularies On the other side he brings in the voices of pediatricians and child psychologists who warn against babysitter TV and ask whether TV trance is healthy in spite of the relaxation that the lull affords exhausted parents as recent studies link early television viewing with obesity attention and cognitive problems and violence Along the way Hayes narrates the fascinating evolution of Nickelodeon s bilingual preschool gamble Ni Hao Kai lan from an art student s Internet doodles to its final product an educationally fortified Dora inflected test audience approved television show At the show s debut jittery experts hold their breath as the tweaked and researched Kai lan faces Mr Potato Head in the battle for a three year old s attention Anytime Playdate reveals the marketing science of capturing a toddler s attention examining whether Baby Einstein and its ilk will make babies smarter or if conversely television makes babies passive and uncritical their imaginations colonized by marketing schemes before they even speak It tells us why the raucous Dora the Explorer has usurped Blues Clues for preschool primacy why the Brit hit In the Night Garden won t follow Teletubbies into American tot stardom and why the comparatively quiet and wholesome Sesame Street has reigned for decades Hayes vividly portrays the educators psychologists executives parents and lest we forget kids who have shaped the history of children s television uncovering the tensions between the many personalities the creative foment that combines story music and message in this medium to produce today s almost dizzying array of products and choices In the end Hayes gives readers a provocative but balanced portrait of an age in technological transition and shows that what s at stake in the Rattle Battle is nothing less than the character of the next generation

*Invasion of the Mind Snatchers* Eric Burns, 2010-06-17 When the first television was demonstrated in 1927 a headline in The New York Times read Like a Photo Come to Life It was a momentous occasion But the power of television wasn't fully harnessed until the 1950s when the medium was as Eric Burns says At its most preoccupying its most life altering And Burns a former NBC News correspondent who is an Emmy winner for his broadcast writing knows about the impact of television Invasion of the Mind Snatchers chronicles the influence of television that was

watched daily by the baby boomer generation As kids became spellbound by Howdy Doody and The Ed Sullivan Show Burns reveals they often acted out their favorite programs Likewise they purchased the merchandise being promoted by performers and became fascinated by the personalities they saw on screen often emulating their behavior It was the first generation raised by TV and Burns looks at both the promise of broadcasting as espoused by the inventors and how that promise was both redefined and lost by the corporations who helped to spread the technology Yet Burns also contextualizes the social cultural and political events that helped shape the Fifties from Sputnik and the Rosenberg trial to Senator Joseph McCarthy's Red Scare In doing so he charts the effect of television on politics religion race and sex and how the medium provided a persuasive message to the young impressionable viewers Brought to You By Lawrence R. Samuel, 2009-03-06 A lively history of how TV advertising became a defining force in American culture between 1946 and 1964 Technology and Culture The two decades following World War II brought television into homes and of course television commercials Those commercials in turn created an image of the postwar American Dream that lingers to this day This book recounts how advertising became a part of everyday lives and national culture during this midcentury period not only reflecting consumers' desires but shaping them and broadcasting a vivid portrait of comfort abundance ease and happy family life and of course keeping up with the Joneses As the author asserts it's nearly impossible to understand our culture without contemplating these visual celebrations of conformity and consumption and this insightful entertaining volume of social history helps us do just that I Love It When You Talk Retro Ralph Keyes, 2009-03-31 Discusses those verbal fossils that remain embedded in our national conversation long after the topic they refer to has galloped off into the sunset Mrs Robinson Edsel Catch 22 Gangbusters Alphonse and Gaston or Where's the beef are just a few of the retroterms that can be found in this word lover's store of trivia and obscure references *World War II and the Postwar Years in America* William H. Young, Nancy K. Young, 2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume *World War II and the Postwar Years in America* A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940-1945 and peace 1946-1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern

world     **TV in the USA** Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society What are the reasons behind enduring popularity of television genres such as police crime dramas soap operas sitcoms and reality TV What impact has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television's influence differ from that of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia *TV in the USA A History of Icons Idols and Ideas* This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter

**Golden State, Golden Youth** Kirse Granat May, 2010-03-15 Seen as a land of sunshine and opportunity the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s Nowhere was this more evident than in the explosion of California youth images in popular culture Disneyland television shows such as *The Mickey Mouse Club* *Gidget* and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban youth culture soothed the nation's postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan

transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan's victory presaged a rising conservatism across the nation
