Dick Hillis,1972 **The Chinese Face of Jesus Christ: Volume 1** Roman Malek,2023-05-31 The Chinese Face of Jesus
Christ Volume 1 *Jesus Tradition, Early Christian Memory, and Gospel Writing* Alan Kirk,2023-08-15 Breaking a 200 year
impasse on the origins of the gospels Biblical scholars want to get to the roots of the gospels the very earliest memories of
Jesus and his world Though scholars know about all the major concepts at work Q the Urgospel priority it seems like a
definitive solution to the Synoptic problem is hopelessly unattainable Why the impasse And where do we go from here In
Jesus Tradition Early Christian Memory and Gospel Writing Alan Kirk guides us through the history of biblical scholars quest
for the authentic source Kirk reveals that outdated assumptions about ancient media realities have caused the past two
centuries of academic deadlock Using cutting edge scholarship on orality memory and tradition formation he shows how the
origins of the gospels may be found in the memory practices of the earliest Jesus communities Jesus Tradition Early Christian
Memory and Gospel Writing is an essential resource for scholars and students looking to better understand this complex and
rapidly changing field **The Chinese Face of Jesus Christ** Roman Malek,2019-08-01 This volume completes the previous

Prisoners Ron Nikkel,Andy Corley,2023-07-20 When justice is used as a synonym for judgment we miss the point of justice
The prisons of the world are bursting at the seams with offenders who have been judged guilty and are being punished for
wrongdoing Prisons are a failure In fact justice is not achieved through imprisonment Ron and Andy have dedicated their
lives to pursuing justice and mercy in response to criminal offenders In many respects prisons are the most spiritual places
on earth It is in prison where the great questions of humanity converge questions of guilt and forgiveness good and evil
retribution and redemption hope and despair life and death guilt and forgiveness judgment and mercy Where is God in the
midst of all of this Is God even relevant does God care And if God cares does that make any difference to the justice we seek
Ron has likely been in more prisons in more countries than any other person He has been in the very best of prisons and the

prisons that can only be described as hellholes In their journey through the prisons of the world both Ron and Andy have encountered Jesus God imprisoned with men and women in the margins of respectability and human dignity God of all righteousness and justice love and mercy embracing offenders in the depths of their human condition The Case against Christ George G. R. Dekle Sr.,2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series of illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus Jesus Was a Liberal Joseph A. Sheridan,2006 Sheridan was provoked by the perpetual attempt of the religious right and the ultra conservative elements in America to label everything liberal as if it were an evil that had invested our entire society with the poisonous venom He feels that Jesus established the basis for precisely what the Democratic Party has espoused for the past seventy five years **The Presbyterian Journal** George Aiken Taylor,1972-05
