

The Ten Commandments

I AM the LORD thy God.

Thou shalt have no other gods before me.

Thou shalt not make to thyself any graven images.

Thou shalt not take the Name of the Lord thy God in vain.

Remember the Sabbath day, to keep it holy.

Honor thy father and thy mother, that thy days may be long upon the land which the Lord thy God giveth thee.

Thou shalt not kill.

Thou shalt not commit adultery.

Thou shalt not steal.

Thou shalt not bear false witness against thy neighbor.

Thou shalt not covet thy neighbor's house.

Thou shalt not covet thy neighbor's wife, nor his manservant, nor his maidservant, nor his cattle, nor anything that is thy neighbor's.

The Contemporary Superintendent Meredith Mountford, Leigh E. Wallace, 2019-06-01 What is R Evolutionary Leadership Why Does it Matter How can contemporary school district administrators specifically superintendents contend with so many difficult and almost impossible competing commitments Building on the definitions of revolution revolutionary evolution and evolutionary the notion of R Evolutionary Leadership emerged while discussing the need for school district leaders to push back against the status quo while improving teacher and leadership practices improving student learning outcomes engaging with the community and ensuring decision making processes that include check and balance systems that are just fair and equitable for all The chapters in this book introduce superintendents or research on superintendents in which these tenants were practiced both in their ability to enact radical change by overthrowing the status quo as well as evolutionary in their deliberate approach to viewing change as a process they can control over time These leaders were willing to confront and defy practices and policies that were counter to student well being and achievement while concurrently knowing how to reach their desired results The chapters chosen for inclusion in this volume are those that offered a glimpse of these revolutionary tenants in practice We ask that you consider this emerging concept as you explore the chapters of our book You will find the R evolutionary Leaders you meet in the chapters know how to evolve not just to stay alive but to ensure the organization school remains relevant and vital to society These leaders use their positional power social capital and expertise to advocate for policies and practices that are in the best interest of the school community and they innovate in ways that challenge the status quo You will also find practices that are R Evolutionary and provide ways for leaders to innovate collaborate and simply take care of themselves and those around them Our description does not seek to support or define or delineate the characteristics of a R Evolutionary Leader or how one might enact R Evolutionary Leadership but serves as a way to re think the way we view the vastly complex work of school district administrators specifically the superintendent R Evolutionary leadership may change our ways of thinking about the significant advocacy role a superintendent can play in influencing both practice and policy to enact the change necessary to move forward issues of justice equity and quality in PK 12 schools and further to improve educational and social outcomes for those served **Colorado Revised Statutes** Colorado,2019 Colorado School Laws Colorado,2019 *The Pianist's Resource Guide* Joseph Rezits, Gerald
