### VOCABULARY

The goal of this section is to present and practice the target vocabulary: personalities.

#### WARM-UP

- Ask students to describe their friends. What do they admire the most about them? Write the words that they use to describe their friends' personalities on the board.
- Then ask: *What words would your friends use to describe you?* Elicit some responses.
- If students contributed to the Warm-Up Discussion Board as part of the Online Practice, look at their comments now with the class.

#### Activity 1

- Books open. Explain what a *flyer* is. Then focus attention on the title of the reading text. Elicit the meaning of a *camp counselor*. Next, focus attention on the photo in the text. Elicit who the people in the photo are (people attending a camp, a camp counselor) and adjectives to describe them. For example, *happy, young, active*, etc.
- Focus attention on the flyer and the incomplete text. Explain that students need to complete this with the words from the box.
- Tell students not to be concerned if they do not understand every word.
- Have students read the flyer silently and complete the text.
- Have students check their answers with a partner.
- Check answers as a class.

#### ANSWERS

- |                |                 |             |

**Language Practice 1:** Review: verb tenses

**Language Practice 2:** Intransitive phrasal verbs

**Reading:** Extroverts and introverts

**Writing:** A comparison

**Speaking:** Discussing friendship styles and comparing yourself to someone else

true for them. If a sentence doesn't accurately describe them, they should write a similar sentence that does.

- Have students complete the activity on their own, and then check with a partner.
- Check answers as a class. For each statement, have a show of hands to see whether students think it accurately describes them. Then ask students who rewrote a sentence to read it to the class.

#### ANSWERS

- |               |                 |          |
|---------------|-----------------|----------|
| 1. passionate | 2. comfort zone | 3. risks |
|---------------|-----------------|----------|

#### EXTENSION

- Have students explain their answers in pairs, and ask their partner follow-up questions.

#### Activity 3

- Focus attention on the directions. Explain that students first of all discuss what challenges a counselor at Camp Mooseprints might face, and then discuss whether or not they would want to be a camp counselor, and whether they would be good at it. Elicit and write on the board some words and expressions from the flyer, as well as related ones students already know.
- Elicit some examples of what students might want to do in a job, as opposed to what they are able to do. Then have them do the activity in pairs.
- When students have completed the activity, ask some pairs to report to the class.

#### EXTRA IDEA

- In groups, have students describe their ideal jobs and their "worst nightmare" jobs. Students should give reasons, based on their likes and dislikes, as well as their personalities, for their choices.

#### SMART CHOICE ONLINE

Remind students that there are extra Vocabulary practice activities on Online Practice.
