

SBC CONSERVATIVE "TAKE-OVER" NOT A "MAKE-OVER"

After two decades of leadership
the orchestrated conservative
"TAKE-OVER"
of the Southern Baptist Convention
has failed to produce the needed
"MAKE-OVER."

Sbc Conservative Take Over Not A Make Over:

SBC Conservative "take-over" Not a "make-over" Shelton L. Smith, 1997 **Mainstreaming Fundamentalism** Keith Bates, 2023-08-18 In *Mainstreaming Fundamentalism* John R Rice and *Fundamentalism's Public Reemergence* Keith Bates embarks on a thematic and chronological exploration of twentieth century Baptist fundamentalism in postwar America sharing the story of a man whose career intersected with many other leading fundamentalists of the twentieth century such as J Frank Norris Bob Jones Sr Bob Jones Jr and Jerry Falwell Unique among histories of American fundamentalism this book explores the theme of Southern fundamentalism's reemergence through a biographical lens John R Rice's mission to inspire a broad cultural activism within fundamentalism particularly by opposing those who fostered an isolationist climate would give direction and impetus to the movement for the rest of the twentieth century To support this claim Bates presents chapters on Rice's background and education personal and ecclesiastical separatism and fundamentalism and political action tracing his rise to leadership during a critical phase of fundamentalism's development until his death in 1980 Bates draws heavily upon primary source texts that include writings from Rice's fundamentalist contemporaries his own *The Sword of the Lord* articles and his private papers particularly correspondence with many nationally known preachers local pastors and laypeople over more than fifty years of Rice's ministry The incorporation of these writings combined with Bates's own conversations with Rice's family facilitate a deeply detailed engaging examination that fills a significant gap in fundamentalist history studies *Mainstreaming Fundamentalism* John R Rice and *Fundamentalism's Public Reemergence* provides a nuanced and insightful study that will serve as a helpful resource to scholars and students of postwar American fundamentalism Southern fundamentalism and Rice's contemporaries **That's My Crowd!** Shelton L. Smith, 2004 In the religious climate of today it is important to know what God says our crowd should be Through the use of well over two hundred passages of scripture Dr Shelton Smith defines the fundamental crowd for us Evaluating our crowd by the standard of the Word of God may sometimes cost us some friends and they may accuse us of abandoning them But our separation from them will not be because the Bible has changed It will be because they have hoisted anchor and drifted with the winds Make sure you are sailing in safe waters with the right crowd **Rise of Baptist Republicanism** Oran P. Smith, 2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision **At Home and Abroad** Elizabeth Shakman Hurd, Winnifred Fallers Sullivan, 2021-03-02 From right to left notions of religion and religious freedom are fundamental to how many Americans have understood their country and themselves Ideas of religion politics and the interplay between them are no less crucial to how the United States has engaged with the world beyond its borders Yet scholarship on American religion tends to bracket

the domestic and foreign despite the fact that assumptions about the differences between ourselves and others deeply shape American religious categories and identities *At Home and Abroad* bridges the divide in the study of American religion law and politics between domestic and international bringing together diverse and distinguished authors from religious studies law American studies sociology history and political science to explore interrelations across conceptual and political boundaries They bring into sharp focus the ideas people and institutions that provide links between domestic and foreign religious politics and policies Contributors break down the categories of domestic and foreign and inquire into how these taxonomies are related to other axes of discrimination asking questions such as What and who counts as home or abroad how and by whom are these determinations made and with what consequences Offering a new approach to theorizing the politics of religion in the context of the American nation state *At Home and Abroad* also interrogates American religious exceptionalism and illuminates imperial dynamics beyond the United States

Books In Print 2004-2005 Ed Bowker
Staff,Staff Bowker, Ed,2004 **When Texas Prison Scams Religion** Michael G. Maness,2023-05-22 *When Texas Prison Scams Religion* exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

Christian History, Volume 2 Thomas S. Kidd,2024-09-01 Thomas S Kidd presents a global history of the Christian church in the modern age *Christian History Volume 2* From the Reformation to the Present provides a composite picture of important influential and representative Christian beliefs thinkers activists trends and practices from about 1500 to the present day In a highly readable style Kidd covers the events and figures from the Reformation the Great Awakenings higher

criticism and the culture wars of the late twentieth and early twenty first centuries This volume also covers the global nature of God s church by examining historical global traditions as well as the recent the demographic shift of active Christian communities to the global South In addition to the major theologians movements and events of the period Kidd highlights the everyday Christian experience through the centuries including accounts of ordinary men and women who experienced conversion lived sacrificially for the gospel or endured persecution A lively engaging and readable text Christian History Volume 2 From the Reformation to the Present will become a staple text for students and professors alike

Kidd, 2019-11-12 Religion race and American history America s Religious History is an up to date narrative based introduction to the unique role of faith in American history Moving beyond present day polemics to understand the challenges and nuances of our religious past leading historian Thomas S Kidd interweaves religious history and key events from the larger story of American history including The Great Awakening The American Revolution Slavery and the Civil War Civil rights and church state controversy Immigration religious diversity and the culture wars Useful for both classroom and personal study America s Religious History provides a balanced authoritative assessment of how faith has shaped American life and politics

The Great Commission Resurgence Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative

William Owen Carver's Controversies in the Baptist South Mark Robert Wilson, 2010 William Owen Carver 1868 1954 was a denominational stalwart and longtime professor of Missions and Comparative Religion at the Southern Baptist Theological Seminary Over the years Carver became embroiled in numerous denominational controversies This book tells these stories

The Southern Baptist Convention and the Judgement of History Luther E. Copeland, 2002-07-03 Without revealing when the original was published Copeland says he has incorporated subsequent events and has clarified his argument that taking the wrong side of the slavery issue was not the Convention s only error but merely its most pernicious He continues to assert that the position not only contributes to ongoing racism but also has possible effects on foreign missions relations with American Baptists responses to the ecumenical movement the treatment of women and attempts to enforce orthodoxy of belief He was a Baptist missionary

I Aim to Be That Man Sherrie Willis Brown, 2018-07-29 D L Moody once heard Henry Varley say The world has yet to see what God will do with a man fully consecrated to Him Moody was struck to his soul and when the words would not leave him responded By God s help I aim to be that man When God called Avery to follow him as a true disciple Avery knew he must make a similar commitment or remain a mediocre Christian for the rest of his life His surrender and his filling of the Spirit initiated a spiritual life of impact with global results Avery Willis is well known especially within the Southern Baptist denomination for his involvement in movements of God over the past fifty years Avery Willis s obedience to God led him to be a church planter in the United States and to strive for

indigenous church planting in Indonesia where he served as a missionary He was a pioneer and leader in spiritual renewal disciple making decentralized theological education global mission partnerships and chronological Bible storying He is a well known author most notably of the MasterLife discipleship materials This biography written memoir style through his own journals letters and newsletters to his intercessors recounts Avery s life journey his spiritual encounters and struggles and the daily habits that Avery demonstrated as a disciple It is less about his greatest moments than the personal daily choices to follow God with all his heart It is the story of a man committed to God s purposes and passion to bring as many people of the world as possible to God s redemptive grace in Jesus regardless of the cost **Religion and Public Life in the South**

Charles Reagan Wilson, Mark Silk, 2005-07-07 In July 2002 chief justice of the Alabama Supreme Court had a two ton monument of the Ten Commandments placed into the rotunda of the Montgomery state judicial building But this action is only a recent case in the long history of religiously inspired public movements in the American South From the Civil War to the Scopes Trial to the Moral Majority white Southern evangelicals have taken ideas they see as drawn from the Christian Scriptures and tried to make them into public law But blacks women subregions and other religious groups too vie for power within and outside this Southern Religious Establishment Religion and Public Life in the South gives voice to both the establishment and its dissenters and shows why more than any other region of the country religion drives public debate in the South *Taking Religious Pluralism Seriously* Barbara A. McGraw, Jo Renee Formicola, 2005 The clash between the religious right and the secular left undermines any serious debate about the role of religion in American public life Such strident cultural rhetoric often ignores the positive contributions of America s many religions By contrast this volume celebrates America s religious diversity demonstrating that religious pluralism is actually one of democracy s basic building blocks *Taking Religious Pluralism Seriously* expands on Barbara A McGraw s framework for understanding religious participation in public life a two tiered public forum consisting of the civic public forum and the conscientious public forum The chapters explore how diverse religious communities and traditions including newer and marginalized religions can make a meaningful contribution to American society and politics Southern Baptist Politics Arthur Emery Farnsley, II, 2010-11 Unlike other recent studies of the Southern Baptists *Southern Baptist Politics* was written after the culmination of the Baptist battles of the 1980s when Fundamentalists had effectively taken control of the denomination It also considers the SBC not simply as a denomination but as an organization with characteristics similar to other voluntary associations in American society an approach that promises to be useful for the study of other religious groups in America Arthur Farnsley concludes that the SBC as an American denomination had within itself the seeds of pragmatism and individualism that characterize most American voluntary organizations Of primary interest to Farnsley are the crucial issues of authority and power Taking his cue from Paul Harrison s classic study *Authority and Power in the Free Church Tradition* Farnsley considers how authority has traditionally been exercised within the SBC and how Fundamentalists maneuvered within this existing authority

structure to seize power According to Farnsley disgruntled Fundamentalists soon discovered that they could exploit the democratic elements within the SBC polity to their advantage So successful were they in their efforts that by 1990 all significant leadership positions within the denomination were filled by Fundamentalists thus enabling them to take and hold institutional power The lessons of Southern Baptist Politics extend beyond this one denomination By using the Southern Baptists as a case study Farnsley asks what the SBC controversy can tell us about religious organizations in America about dealing with cultural pluralism and about institutional means for creating change Uneasy in Babylon Barry Hankins, 2002-04-24 As these self professed culture warriors believe women should be submissive to their husbands Disney World should be boycotted because of its tacit support of homosexuality and multiculturalism is tolling a death knell for the American way of life BOOK JACKET *Into the Pulpit* Elizabeth H. Flowers, 2012 *Into the Pulpit* *Against Returning to Egypt* Jeff B. Pool, 1998 *Against Returning to Egypt* is study of a doctrinal statement recently adopted by the Southern Baptist Convention The Report of the Presidential Theological Study Committee Using criteria developed from the SBC's historic distinction between confessions of faith and creeds Professor Jeff Pool takes the measure of this doctrinal statement and finds it wanting He argues that the Report represents the greatest theological threat to the denomination in the history of the SBC This threat consists primarily in that the Report intentionally erases the historic Baptist distinction between confessions of faith and creeds and in addition in that it presents and in fact is based upon a radically Calvinistic revision of the SBC's historic perspectives on several central Christian doctrines This investigative study has significance for other traditions and histories during these tumultuous times rightly characterized as times of fundamentalist resurgence The principles motives and aspirations examined here appear not only in other denominational histories but in other political social and cultural realms as well **A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day** Zondervan, 2018-12-11 A Legacy of Preaching Two Volume Set *Apostles to the Present Day* explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A
