Sbs Culture And Identity:

Australian Television Culture Tom O'Regan, 2020-07-24 Australian television has been transformed over the past decade. Cross media ownership and audience reach regulations redrew the map and business culture of television leading business entrepreneurs to acquire television stations and then sell them in the bust of the late 1980s and new television services were developed for non English speaking and Aboriginal viewers. Australian Television Culture is the first book to offer a comprehensive analysis of the fundamental changes of this period. It is also the first to offer a substantial treatment of the significance of multiculturalism and Aboriginal initiatives in television. Tracing the links between local, regional, national and international television services, Tom O'Regan builds a picture of Australian television. He argues that we are not just an outpost of the US networks and that we have a distinct television culture of our own. A truly innovative book. The author ambitiously strives for a large scale synthesis of policy, program analysis, history, politics, international influences and the Australian television system's place in the world. Associate Professor Stuart Cunningham, Queensland University of Technology. 'For those who've come across the seas...' Andrew Jakubowicz, Christina Ho, 2014-02-15 *Reconciling Cultural and Political Identities in a Globalized World* Michális Michael, 2016-04-29 Though geographically far apart, Turkey and Australia are much closer than many would think. This collection provides a relevant comparative and comprehensive study of two countries seeking to reconcile their history with their geography. **Culture in Australia** Tony Bennett, David Carter, 2001-09-03 A 2001 survey of the changing policies and priorities that are evident in a range of contemporary cultural institutions in Australia. **Global Perspectives on the Politics of Multiculturalism in the 21st Century** Fethi Mansouri, Boulou Ebanga de B'éri, 2014-06-05 Multiculturalism is now seen by many of its critics as the source of intercultural and social tensions, fostering communal segregation and social conflicts. While the cultural diversity of contemporary societies has to be acknowledged as an empirical and demographic fact, whether multiculturalism as a policy offers an optimal conduit for intercultural understanding and social harmony has become increasingly a matter of polarised public debate. This book examines the contested philosophical foundations of multiculturalism and its often controversial applications in the context of migrant societies. It also explores the current theoretical debates about the extent to which multiculturalism and related conceptual constructs can account for the various ethical challenges and policy dilemmas surrounding the management of cultural diversity in our contemporary societies. The authors consider common conceptual and empirical features from a transnational perspective through analysis of the case studies of Australia, Canada, Columbia, Germany, New Zealand, the United Kingdom and Uruguay. This book will be of interest to students and scholars of political science, comparative politics, international studies, multiculturalism, migration and political sociology. Eurovision and Australia Chris Hay, Jessica Carniel, 2019-07-25 This book investigates Australia's relationship with the Eurovision Song Contest over time and place from its first screening on SBS in 1983 to Australia's inaugural national selection in 2019.

Beginning with an overview of Australia's Eurovision history the contributions explore the contest's role in Australian political participation and international relations its significance for Australia's diverse communities including migrants and the LGBTQIA community racialised and gendered representations of Australianness changing ideas of liveness in watching the event and a reflection on teaching Australia's first undergraduate course dedicated to the Eurovision Song Contest The collection brings together a group of scholar fans from a variety of interdisciplinary perspectives including history politics cultural studies performance studies and musicology to explore Australia's transition from observer to participant in the first thirty six years of its love affair with the Eurovision Song Contest **Reinventing Public Service Communication P.**

Iosifidis,2015-12-26 These essays address one of the most challenging debates in contemporary European media studies the transition of the traditional Public Service Broadcasters into Public Service Media as they widen their remit to produce and distribute public service content across more delivery platforms to meet the requirements of the digital age

Understanding the Eurovision Song Contest in Multicultural Australia Jessica Carniel,2018-11-02 This book presents the first in depth study of the Eurovision Song Contest from an Australian perspective Using a cultural studies approach the study draws together fan interviews and surveys with media and textual analysis of the contest itself In doing so it begins to answer the question of why the European song contest appeals to viewers in Australia It explores and challenges the dominant narrative that links Eurovision fandom to post WWII European migration arguing that this Eurocentric narrative presents a limited view of how contemporary Australian multicultural society operates in the context of globalized culture It concludes with a consideration of the future of the Eurovision Song Contest as Australia enters into the Asian century Research Handbook on Housing, the Home and Society Keith Jacobs,Kathleen Flanagan,Jacqueline De

Vries,Emma MacDonald,2024-08-06 This dynamic Research Handbook explores key perspectives topics and methodologies used to understand housing the home and society Pairing social theory with a broad range of case studies from the Global North and South it offers a unique insight into the field *The Postcolonial City and Its Subjects* Rashmi Varma,2011-08-05 This book considers twentieth and twenty first century literary and cultural formations of the postcolonial city and the constitution of new subjects within it Varma offers a reading of both historical and contemporary debates on urbanism through the filter of postcolonial fictions and the cultural fields surrounding and containing them In particular she presents a representational history of London Nairobi and Bombay in the twentieth and twenty first centuries and engages three key theoretical frameworks the city within postcolonial theory and culture its troubled salience in the construction of postcolonial public spheres and identities from local rural ethnic tribal and regional to national cosmopolitan and transnational subjects and spaces postcolonial fictions as constituting a new world literary space and as a site of the articulation of contending narratives of urban space global culture and postcolonial development and postcolonial feminist citizenship as a universal political project challenging current neo liberal and post neo liberal contractions and eviscerations of public spaces and

Reinhard, Julia E. Largent, Bertha Chin, 2020-10-29 This book considers the practices and techniques fans utilize to interact with different aspects and elements of food cultures With attention to food cultures across nations societies cultures and historical periods the collected essays consider the rituals and values of fan communities as reflections of their food culture whether in relation to particular foods or types of food those who produce them or representations of them Presenting various theoretical and

methodological approaches the anthology brings together a series of empirical studies to examine the intersection of two fields of cultural practice and will appeal to sociologists geographers and scholars of cultural studies with interests in fan studies and food cultures

The Oxford Handbook of Language Contact Anthony P. Grant, 2020-01-10 Every language has been influenced in some way by other languages In many cases this influence is reflected in words which have been absorbed from other languages as the names for newer items or ideas such as perestroika manga or intifada from Russian Japanese and Arabic respectively In other cases the influence of other languages goes deeper and includes the addition of new sounds grammatical forms and idioms to the pre existing language For example English s structure has been shaped in such a way by the effects of Norse French Latin and Celtic though English is not alone in its openness to these influences Any features can potentially be transferred from one language to another if the sociolinguistic and structural circumstances allow for it Further new languages pidgins creoles and mixed languages can come into being as the result of language contact In thirty three chapters The Oxford Handbook of Language Contact examines the various forms of contact induced linguistic change and the levels of language which have provided instances of these influences In addition it provides accounts of how language contact has affected some twenty languages spoken and signed from all parts of the world Chapters are written by experts and native speakers from years of research and fieldwork Ultimately this Handbook provides an authoritative account of the possibilities and products of contact induced linguistic change

Pivoting and Producing for Online TV Alexa Scarlata, 2025-05-02 The introduction and diffusion of international subscription video on demand SVOD services in the 2010s represented the most significant disruption of established national broadcast and pay TV ecologies in their long history Using an in depth Australian case study this book narrates this profound period of proliferation It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of existing archives and slowly began to support the production of new Australian content with an increasingly global focus However the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated Pivoting and Producing for Online TV Australia s Transition advances the macro analysis of television production strategies This book will be useful to students and researchers interested in media film and cultural studies

Internet Dating Chris Beasley, Mary Holmes, 2021-05-16 Internet Dating deals primarily with the experiences of UK and Australian daters examining their online accounts to see what kinds of narratives norms emotions and chemistry shape their dating Has the emergence and growth of internet dating changed the dating landscape for the better Most commentators popular and academic ask whether online dating is more efficient for individuals than offline dating We prefer a socio political perspective In particular the book

illustrates the extent to which internet dating can advance gender and sexual equality Drawing on the voices of internet daters themselves we show that internet dating reveals how social change often arises in the unassuming everyday and familiar We also pay attention to often ignored older daters and include consideration of daters in Africa Scandinavia South America Asia and the Middle East Throughout we explore the pitfalls and pleasures of men and women daters navigating unconventional directions towards more equitable social relations

Languish Marion May Campbell, 2022-02-21 She stages language as trickster traitor and seducer flamboyantly connecting and wiring the circuitry of desire just as it silences and slices One moment it stutters teetering on the brink and the next it transfigures loss in radiant dreamscapes restoring ardour amongst the ruins of allegory *languish* is Campbell's eleventh book across the forms of fiction poetry and critical theory Her writing is always charged by a poetics of feminist contestation

K-pop - The International Rise of the Korean Music Industry JungBong Choi, Roald Maliangkay, 2014-09-15 K pop described by Time Magazine in 2012 as South Korea's greatest export has rapidly achieved a large worldwide audience of devoted fans largely through distribution over the Internet This book examines the phenomenon and discusses the reasons for its success It considers the national and transnational conditions that have played a role in K pop's ascendancy and explores how they relate to post colonial modernisation post Cold War politics in East Asia connections with the Korean diaspora and the state initiated campaign to accumulate soft power As it is particularly concerned with fandom and cultural agency it analyses fan practices discourses and underlying psychologies within their local habitus as well as in expanding topographies of online networks Overall the book addresses the question of how far Asian culture can be global in a truly meaningful way and how popular culture from a marginal nation has become a global phenomenon
