Media and Public Shaming Julian Petley, 2013-06-30 The media today and especially the national press are frequently in conflict with people in the public eye particularly politicians and celebrities over the disclosure of private information and behaviour Historically journalists have argued that naming and shaming serious wrong doing and behaviour on the part of public officials is justified as being in the public interest However when the media spotlight is shone on perfectly legal personal behaviour family issues and sexual orientation and when in particular this involves ordinary people the question arises of whether such matters are really in the public interest in any meaningful sense of the term In this book leading academics commentators and journalists from a variety of different cultures consider the extent to which the media are entitled to reveal details of people's private lives the laws and regulations which govern such relations and whether these are still relevant in the age of social media

Sex Scandal William A. Cohen, 1996 Never has the Victorian novel appeared so perverse as it does in these pages and never has its perversity seemed so fundamental to its

accomplishment By viewing this fiction alongside the most alarming public scandals of the day Cohen exposes both the scandalousness of this literature and its sexiness In narratives ranging from Great Expectations to the Boulton and Park sodomy scandal of 1870 71 from Eliot s and Trollope s novels about scandalous women to Oscar Wilde s writing and his trials for homosexuality Cohen shows how in each instance sexuality appears couched in coded terms He identifies an assortment of cunning narrative techniques used to insinuate sex into Victorian writing demonstrating that even as such narratives air the scandalous subject they emphasize its unspeakable nature Written with an eye toward the sex scandals that still whet the appetites of consumers of news and novels this work is suggestive about our own modes of imagining sexuality today and how we arrived at them BOOK JACKET *Critiquing Violent Crime in the Media* Maria Mellins, Sarah Moore, 2022-01-01
