Scandalous Liaisons:

Scandalous Liaisons Sylvia Day, 2013-09-01 Oh those naughty rakes With their wicked winks sensual smiles and bad boy habits you just can't take them out in polite society But who wants to go out when you can stay in Stolen Pleasures Sebastian Blake Earl of Merrick long ago fled the responsibilities of his title to become the infamous pirate Captain Phoenix But the booty he's just captured on a merchant ship is a fierce tempered minx who claims to be a bride his bride married to him by proxy on behest of their fathers He could shame his hated family and return his beautiful wife untouched but no treasure has ever proved more tempting to Sebastian and making their marriage a true one in every sense is his one urgent desire Lucien's Gamble Lucien Remington's reputation as a debauched libertine who plays by no one's rules in business or the bedroom is well deserved He gets what he wants social repudiation be damned But society can keep from him the one thing he truly desires the untouchable Lady Julianne La Coeur Until she sneaks into his club dressed as a man and searching for her irresponsible brother Suddenly she's in Lucien's grasp his to take and his mind is filled with the most wickedly sinful thoughts A gentleman would walk away from the temptation she presents But then Lucien has never claimed to be a gentleman Her Mad Grace Hugh La Coeur never wanted to be the Earl of Montrose Wine women and a hefty wager are preferable to responsibility of any kind It's certainly preferable to spending the night in an eerie neglected mansion owned by a legendary madwoman The duchess's companion the fiercely independent Charlotte is another matter altogether Hugh would be happy to spend as many nights in her bed as possible He knows she's hiding terrible secrets but for once in his life Hugh has the desire to take on someone else's burden as his own no matter what the danger They're mad bad and totally irresistible

The Cambridge Companion to the Roman Historians Andrew Feldherr, 2009-09-24 No field of Latin literature has been more transformed over the last couple of decades than that

of the Roman historians Narratology a new receptiveness to intertextuality and a re thinking of the relationship between literature and its political contexts have ensured that the works of historians such as Livy Sallust and Tacitus will be read as texts with the same interest and sophistication as they are used as sources In this book topics central to the entire tradition such as conceptions of time characterization and depictions of politics and the gods are treated synoptically while other essays highlight the works of less familiar historians such as Curtius Rufus and Ammianus Marcellinus A final section focuses on the rich reception history of Roman historiography from the ancient Greek historians of Rome to the twentieth century An appendix offers a chronological list of the ancient historians of Rome

Her Duke of Sin Dawn Brower, 2023-10-24 Miss Juliet Adams would be living on the streets if not for the kindness of the dowager Countess of Wyndam Her father died leaving her penniless and without any prospects The countess offered her a position as her companion and she leapt at the opportunity She s content with her life but she s also no fool She fully realizes a day may come where she won t have the protection of the countess and then where will that leave her So she s made plans concessions none of which includes love or marriage Until a certain duke makes her question everything Gideon Pryce the Duke of Sinbrough has led a life filled with the most sinful activities imaginable There s not much he hasn t done or would consider doing He lives for all the decadence he can indulge in and as far as he is concerned there isn t enough in the world Until one day he notices her The one woman that looks at him like he s nothing Women usually scramble to be with him but not Miss Juliet Adams He decides to make it his mission to change her view of him and perhaps show her how much pleasure he can give her Juliet is not prepared for the Duke of Sin himself taking an interest in her He threatens every carefully laid plan she makes and he might just be her undoing That is if she can t instead be his salvation

Metternich Alan Palmer, 2014-06-12 A glib assessment of Metternich might not be a favourable one he was not without his ridiculous qualities and yet he survived more than survived in fact with the Age of Metternich lasting for more than a generation and giving Europe a measure of peace albeit repressive that was much needed after the Napoleonic convulsions Alan Palmer describes well Metternich s extraordinary longevity Clement von Metternich held continuous office at the head of Europe s affairs for a longer period of time than any other statesman in modern history he became foreign minister of the Austrian Empire in the autumn of 1809 and he did not resign until the spring of 1848 For thirty three of these thirty nine years his statecraft and philosophy of government determined the political pattern of the continent The Age of Metternich though often impatiently dismissed by historians as a mere interlude lasted for twice as long as the Age of Napoleon which preceded it and for half as long again as the Age of Bismarck which followed in the closing decades of the century Metternich was a statesman to his fingertips practising the skills of diplomacy with greater fluency than any contemporary Talleyrand from whom he had learnt many of the refinement of the game How would he fare today Probably quite well as he was again in Alan Palmer s words an early champion of federalism and a good European As a work of history it cannot be faulted A J P Taylor Observer Well written well researched lucid and witty Philip

Augustine,Steven N. Zwicker,2024-10-22 The Oxford Handbook of Restoration Literature begins by asking if there was a distinctive literature of the Restoration For a long time the answer seemed obvious heroic drama libertine comedy scandalous lyrics and the short but brilliant career of John Wilmot earl of Rochester Could there be an age when the coincidence of literary culture and political rule were any more obvious But as this Handbook will remind us some of the most wonderful literature of this Restoration came from writers who had lived across the decades of turbulence and into an age when the Stuart kings returned when the Church and House of Lords were restored a world made safe for bishops and for the memory of divine right rule Of course these returns and restorations did not meet with uniform celebration John Milton wrote his great epic poems not in quiet submission but in a kind of resistance to the dominant culture of the 1660s and Andrew Marvell produced his most brilliant satiric verse by holding up a looking glass to court corruption and Anglican intolerance So we begin with the most obvious conclusion Restoration literature does and does not fit to the categories that so long defined the late Stuart age This book explores and contests challenges and reimagines the experience embodied by the writing of the late Stuart world and invites readers new to this world and those who have often read its literatures to the pleasures but as well to the challenges and discomforts of its texts *When Gossips Meet* B. S. Capp,2003 Aimed at social and cultural historians this is an exploration of how women of the poorer and middling sorts in early Modern England negotiated a patriarchal culture *Cinema's Melodramatic Celebrity* Mandy Merck,2020-09-17 Challenging the study of both celebrity and the cinema Mandy Merck argues that modern fame and film melodrama are part of the same worldview one that cannot resolve the relation of personal worth to social esteem Tracing the history of this conundrum back to the philosophy of the seventeenth century and the theatre of the eighteenth she demonstrates its convergence in stage melodrama and its intensification in the Hollywood star system Are today s celebrities worth our attention In that demand for judgement and the hope for its visual guidance the melodramatic imagination survives permeating not only fiction film but documentary the artist s film and our self exhibition on social media Examining a range of classical and contemporary films from Charlie Chaplin s *City Lights* 1931 to Laura Poitras s *Citizenfour* 2014 the many remakes of *A Star Is Born* the compulsory exhibitionism of political celebrity and the unmasking of whistle blowers Merck illustrates the ways in which the cinema constantly restages the moral evaluation of prominent individuals whether they are actors artists politicians or activists *Ravenous: A Life of Barbara Villiers, Charles II's Most Infamous*
