A Scandalous Wager Cassandra Samuels, 2014-11-01 As the Black Raven she s cold distant and alone untouched by the gossip and scorn of her aristocratic peers Until he enters her house and her life then suddenly her icy shell is no match for the heat of attraction Notorious Widow Lisbeth Carslake Countess of Blackhurst was acquitted of her husband s murder but no one believes in her innocence Known as the Black Raven bringer of bad luck and death she is eviscerated by the gossips and mocked in the clubs She s also the subject of London s most scandalous wager Oliver Whitely Earl of Bellamy needs money but it takes more than a few drinks to take on The Black Raven Wager He finds himself drunk at her house and more surprisingly agreeing to a business proposal at the end of a fire poker She will let him win the wager and he will help find her husband s killer before the killer finds her But business agreements don t mean trust and Lisbeth certainly doesn t trust Oliver her body s reaction to him or her heart Love may be the biggest gamble of their lives but is it a wager their hearts can afford to lose

Scandalous Wager (Observations of a Wallflower #3) Jane Charles, 2023-11-13 Observations of a Wallflower Journal Entry of December 5 1816 Society can be odd and those within the ton do not always behave as expected For example Lady Violet Claxton spent more time in the gardens admiring flowers plants and bushes than she did inside any ballroom and I left London wondering why she preferred roses over bachelors Though perhaps it s because she s grows bored with tedious conversation as her intelligence is beyond most she s pragmatic and lacks patience when time is wasted Therefore a London Season must be trying indeed for someone such as she Then there was Lord Emory Talbot Viscount Ferrard who behaved exactly as one would imagine of a rake Though he is expected to marry and produce an heir and a spare Ferrard showed no interest in any lady or miss for longer than an evening Further I have it on good authority that he fears any form of commitment which may explain why he s not even kept a mistress or settled on a wife However rumors have recently reached me that he may no longer have the option of waiting The details have not been shared but I m certain they are drastic as I m to understand that he is to attend a house party where Lady Violet is in residence And I have also learned from the most trusted authority that Ferrard never attends house parties I cannot begin to imagine how the two might get on when they do finally meet Will he show interest for no more than a night or will she spend all her time in the gardens avoiding all guests Regardless of any interaction the two may share I m certain nothing will come from their association as I can t think of two less likely candidates to enter into a courtship

Curse of the Mayfair Mummy (Wiggon's School for Elegant Young Ladies #4) Jane Charles, Henry Cochran Earl of Kilsyth was never meant to be an earl Nevertheless the title was his along with the ennui He has nothing to excite or challenge him At least that is the case until he unintentionally wins an Irish lass in a game of chance and undertakes an interesting new project turning the lass into a lady Eve Doyle had once known privilege and thought her future set That was until her brother's monumental mistake forced them to flee Ireland and take up residence in Covent Garden Just when she thought she'd be able to control her life her brother wagered her at the gaming tables and lost Now she must endure the next two years as ward to Lord Kilsyth a gentleman who wishes to change her as so many have in the past However the bigger challenge for both will be to keep from losing their hearts The Wiggon's School for Elegant Young Ladies meets My Fair Lady with a twist

Appleby And Honeybath Michael Innes, 2010-02-20 Every English mansion has a locked room and Grinton Hall is no exception the library has hidden doors and passages and a corpse But when the corpse goes missing Sir John Appleby and Charles Honeybath have an even more perplexing case on their hands *Devil in Her Dreams (Trent Connection #2)* Jane Charles, Devlin Barrett was never meant to be Viscount Marston but when his older brother and father die within a day of each other Devlin not only inherits the title but guardianship of three younger sisters and must retire from his former profession He is unprepared for the responsibility thrust upon his shoulders and determines that the best way to care for his sisters and see that they are happy is to marry them off quickly as possible He knows what is better for them even if they don't agree And until they are settled his life and future are on hold Unfortunately the lady he wishes to make his wife refuses to wait until he is free Louisa Whitton needs to find a husband of her own choosing before Christmas and is left with only three months to accomplish her goal She failed to land one during the Season and the little season is her last hope While visiting her sister in the country before returning to London she meets the perfect gentleman thus foiling the plans her grandfather has of wedding her to a man of his choice who is probably a vicar like her father However Marston refuses to even think about courting her until his sisters are wed and has the audacity to ask her to wait Louisa knows her grandfather will never agree to a long courtship and sets out to find the perfect substitute for Marston during the first week of the little season

Courtship of Convenience Jane Charles, 2022-12-21 Observations of a Wallflower Journal Entry of December 5 1816 Society can be odd and those within the ton do not always behave as expected For example Lady Violet Claxton spent more time in the gardens admiring flowers plants and bushes than she did inside any ballroom and I left London wondering why she preferred roses over bachelors Though perhaps it's because she's grows bored with tedious conversation as her intelligence is beyond most she's pragmatic and lacks patience when time is wasted Therefore a London Season must be trying indeed for someone such as she Then there was Lord Emory Talbot Viscount Ferrard who behaved exactly as one would expect of a rake Though he is expected to marry and produce an heir and a spare Ferrard showed no interest in any lady or miss for longer than an evening Further I have it on good authority that he fears any form of commitment which may

explain why he's not even kept a mistress or settled on a wife. However, rumors have recently reached me that he may no longer have the option of waiting. The details have not been shared, but I'm certain they are drastic as I'm to understand that he is to attend a house party where Lady Violet is in residence. And I have also learned from the most trusted authority that Ferrard never attends house parties. I cannot begin to imagine how the two might get on when they do finally meet. Will he show interest for no more than a night, or will she spend all her time in the gardens avoiding all guests? Regardless of any interaction the two may share, I'm certain nothing will come from their association as I can't think of two less likely candidates to enter into a courtship.
