The Scarab Murder Case by S S Van Dine Philo Vance was drawn into the Scarab murder case by sheer coincidence although there is little doubt that John F X Markham **The Scarab Murder Case (a Philo Vance Detective Story)** S. S. Van Dine, 2016-01-18

This early work by S S Van Dine was originally published in 1930 and we are now republishing it with a brand new introduction The Scarab Murder Case is one of Van Dine s novels of crime and mystery S S Van Dine was born Willard Huntington Wright in Charlottesville Virginia in 1888 He attended St Vincent College Pomona College and Harvard University but failed to graduate leaving to cultivate contacts he had made in the literary world At the age of twenty one Wright began his professional writing career as literary editor of the Los Angeles Times In 1926 Wright published his first S S Van Dine novel The Benson Murder Case Wright went on to write eleven more mysteries The first few books about his upper class amateur sleuth Philo Vance were so popular that Wright became wealthy for the first time in his life His later books declined in popularity as the reading public s tastes in mystery fiction changed but during the late twenties and early thirties his work was very successful **The Scarab Murder Case** S. S. Van Dine, 2018-05-02

Philo Vance was drawn into the Scarab murder case by sheer coincidence although there is little doubt that John F X Markham New York s District Attorney would sooner or later have enlisted his services But it is problematic if even Vance with his fine analytic mind and his remarkable flair for the subtleties of human psychology could have solved that bizarre and astounding murder if he had not been the first observer on the scene for in the end he was able to put his finger on the guilty person only because of the topsy turvy clues that had met his eye during his initial inspection Those clues highly misleading from the materialistic point of view eventually gave him the key to the murderer s mentality and thus enabled him to elucidate one of the most complicated and incredible criminal problems in modern police history The brutal and fantastic murder of that old philanthropist and art patron Benjamin H Kyle became known as the Scarab murder case almost immediately as a result of the fact that it had taken place in a famous Egyptologist s private museum and had centred about a rare blue scarabaeus that had been found beside the mutilated body of the victim This ancient and valuable seal inscribed with the names of one of the early Pharaohs whose mummy had by the way not been found at the time constituted the basis on which Vance reared his astonishing structure of evidence The scarab from the police point of view was merely an incidental piece of evidence that pointed somewhat obviously toward its owner but this easy and specious explanation did not appeal to Vance We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic

Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The Scarab Murder Case S. S. The Top Books of the Year Scarab Murder Case The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. Scarab Murder Case : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
