Dead Man & Company Marie Redonnet,2004 Poetry DEAD MAN

a puzzle book in the respect that it is fraught with ambiguity and enigma and in the respect that its pieces can be put together so as to make sense of it Like a parlor game or a deck of cards it has certain rules of play Characters can move only according to their natures and the dictates of the draw Resembling the cast of a medieval morality play they consist of a king a dwarf a dead man and an entourage of consorts reminiscent of figures from the Tarot or from the time of the Black Plague From the translator's preface Marie Redonnet was born in Paris in 1947 In 1985 after teaching for several years in a lycee she published her first volume a book of poetry *Le Mort Cie* Since then she has published five novels a novella a collection of short stories and three dramatic works The five novels have appeared in English translation from University of Nebraska Press *Translation Review*, 2001 *After the Flying Saucers Came* Greg (Professor of History and Bioethics Eghigian, Professor of History and Bioethics Pennsylvania State University), Professor of History and Bioethics Greg Eghigian, 2024-06-03 *After the Flying Saucers Came* is a comprehensive account of the stories the people and the strange events that went into making the fascination with UFOs and aliens a worldwide phenomenon among believers skeptics and the simply curious It traces how an odd sighting of flying saucers by an American pilot in 1947 inspired governments the media scientists writers and the general public to consider the possibility that extraterrestrials were visiting earth **The PIP Anthology of World Poetry of the 20th Century** Douglas Messerli, 2000 In this 4th volume of the ongoing PIP series of international anthologies Messerli continues to explore the work of major 20th century figures of poetry Once again author biographies are accompanied by complete listings of each poet's work in his or her original language a listing of all known translations and an ample selection of poetry in English translation The figures in volume 4 include Nobel Prize winning poets such as Vicente Aleixandre Octavio Paz and Nelly Sachs *Fear, Anomaly, and Uncertainty in the Gospel of Mark* Douglas W. Geyer, 2002 Douglas Geyer's illuminating analysis of Mark 4:35-6:56 explains why the Gospel ends as it does in the earliest manuscripts abruptly at 16:8 with the words for they were afraid This ending with women fleeing the empty tomb in trembling and astonishment has long been considered problematic and in the several attempts to rewrite it Mark 16 has become a source of unending mischief Geyer's work draws on a vast literature of fear anomaly terror and dread in the ancient world to demonstrate that this ending is a consistent overriding theme of Mark's Gospel In Mark we see and hear the story of Jesus through the eyes and ears of the Roman world Geyer brings to bear the literature of that world in a way that helps his readers to understand what Mark is doing and how the story that Mark tells continues to touch his readers and hearers ancient and modern and postmodern Geyer guides the reader through a vast and uncharted primary literature demonstrating its relevance for New Testament study In so doing he clearly proposes a fresh and original understanding of Mark that cuts across many of the critical controversies and renews its purpose and usefulness as good news Gospel for the terrors and uncertainties of our own time *New Frontiers of Human Science* K.
