Nexlord: Dark Prophecies Philip Blood, 2010-04-12 The NexLord series is a traditional fantasy in the sense that it deals with strong good and evil The focus of this epic fantasy story are four young people caught up in a deadly struggle started long ago It explores the good and evil power of all emotions The magic system is based on emotion and deals with the power of group beliefs and self fulfilling prophecy The setting of the story is a unique planet where all normal human emotional tendencies are magnified Humans are not alone there and four other intelligent races inhabit the lands as well Prejudice runs rampant and wars based on racial hatred have plagued the lands for hundreds of years The emotions of hate and fear have coalesced into one place and continuously inhabit the body of a human known as the Dreadmaster This being continuously gathers and wields these evil powers The ever growing power exists independently of the human vessel it inhabits and when the body is destroyed it is only a matter of time until the power inhabits a new vessel To combat the Dreadmaster s power all free humans gathered at one time and created a power fueled by their common belief

and emotional need a power that can be given to a NexLord Using a check an balance system to keep this power from being abused a test was created Those who pass this test become Knights of the Realm known as NexLords The NexLords and their Bondsmen are the one counter to the Dreadmaster s power But with the ending of the Final War the last of the NexLords disappeared into the east warning that the Dreadmaster s power was still out there but no one listened or believed For three hundred years now there has not been a new Dreadmaster and no one in the Human Realm has followed the difficult path to become a NexLord However there is a Prophecy spreading across the land a prophecy that tells of the coming of a new NexLord who will bring a golden age But what it predicts is about to go terribly wrong for there is another prophecy a Dark Prophecy and the world is about to change to that path Dark Prophecies is the first novel of a three book Fantasy Epic series A mysterious old woman named Mara comes to teach four children who have been foretold in two dire prophecies The kids have wild adventures while forming strong bonds Mara teaches them to fight and much more for the mysterious old woman knows what the future holds for these children and their coming will shake the world *Too Scared To Cry* Lenore
