The Apple in the Dark Clarice Lispector, 2023-11-07 The best one as Clarice Lispector called *The Apple in the Dark* her famously intense 1961 novel It's the best one Clarice Lispector remarked on the occasion of the publication of *The Apple in the Dark* I can't define it how it is I can only say that it's much better constructed than the previous ones A book in three chapters with three central characters *The Apple in the Dark* is in fact highly sculpted while being chiefly a metaphysical book and in this stunning new

translation the novel's mysteries and allegories glow with a fresh scintillating light Martim fleeing from a murder he believes he committed plunges into the dark nocturnal jungle stumbling along in a state of both fear and wonder eventually he comes to a remote quiet ranch and finds work with the two women who own it The women are tranquil enough before his arrival but are affected by his radical mystery Soaked through with Martim's inner night his soul is in the darkness where everything is created the novel vibrates with his perpetual searching state of vigil Often he feels close to an epiphany for the first time he was present in the moment in which whatever is happening is happening Yet such flashes flicker out so he's ever on the watch for life to take on the dimensions of a destiny In an interview Lispector once said I am Martim As she puts it in *The Apple in the Dark* All I've got is hunger And that unstable way of grasping an apple in the dark without letting it fall [Eight in the Box](#) Raffi Yessayan, 2008-06-24 The harrowing scene is always the same the home of a single woman no signs of forced entry no evidence of an intruder and no victim only a bathtub filled with blood Newly promoted homicide detective Angel Alves wants to make his mark in the department and a difference on the streets but tracking this elusive serial killer sorely challenges his commitment and skills Meanwhile assistant DA Conrad Darget has his own hands full mentoring an ambitious young law student and rallying his fellow attorneys in their daily courtroom battles With each new attack the twisted mystery only deepens and the hunger for answers and action intensifies No sane mind could comprehend the dark design behind it all And no one can anticipate the final fateful strokes that will lead to a shocking endgame

The dark side ... of the human being Adrian Gabriel Dumitru, And one day we just laugh of our fears I met Dana maybe 15 years ago We've worked together on a project But the project delayed so so much that we ended up becoming friends Easy easy we've started to talk about lots of things especially our lives even details which had to do with intimacy We lost contact by already few years but something still reminds me of her She was the first woman which telling me her life made me understand the woman You see firstly she was married with a guy in Norway a wealthy guy Unfortunately he was treating her very bad in there She was cheated Manipulated Offended And actually husband saw her more as a slave than a wife One night she left from that beautiful mansion which meant for her only a hell with a plastic bag with few things in it Abandoned the husband but also her child Most certainly the experience itself was horrible that Dana could abandon her daughter in there And to be honest hearing this story even if we were friends at that time I've started to judge her I was thinking what type of person is Dana if she could abandon her child Why she left alone Why she didn't took her child also I had lots of questions into my mind but maybe the fears made her act like that And the Universe acted nice with her cause later on she found a new man Again a wealthy guy They had a good business in Paris a beautiful 600 sqm house with swimming pool and garage 2 Porsches Short story all a couple could dream Somehow the story was repeated She was living the same experience again but this time she really had the life she thought she will have first time when she

married But again Dana surprised me with her perceptions After being cheated many many times in the first marriage Dana asked to her second husband to swear in front of God that he will never cheat on her somehow believing him that all will be different than her first marriage But one day Dana told me something that really changed my whole perceptions about the woman It was a long talk We ve spoke on the phone that day maybe 2 3 hours Somehow laughing she said I ve spoken recently with my husband and i ve just told him that if he will ever cheat on me i just want him to use a condom I said What Yes It might happen In France things like that can happen I simply changed my mind I know it can happen and my only request was to use a condom so that i don t get infected with a disease I could not believe it But at that time i was too busy to analyse all that in micro details It was funny how she changed her perceptions Extremely funny Most probably she became realistic Extremely realistic And wise Or maybe she allowed her husband what she started to adore doing Flirting Tasting energies Connecting to new souls without believing that this is something bad But being realistic enough she knew that playing this game it might all end up as cheating So she was into that point when she knew that we all have a dark side Including her husband Including herself but even if the marriage was nice that didn t necessarily meant that betrayal could not happen I was just listening her for hours And indeed I ve learnt a lot from her but still even today when i analyse all a lot i can t agree with such obviously real case scenarios Cause i am not a open minded person I am too utopian In my beliefs In my actions In my writings In all Maybe Dana was for me a great teacher but i am indeed a stupid student at this school of life
