Scattershot Richard Goodwin, 2011-06-06 Fed up with low paying menial jobs that infringe on his boozy loafing lifestyle Wicker sets off on a road trip to Las Vegas where the drinks are free the slots are loose and a megajackpot could solve his problems forever On his pilgrimage he finds exactly what he wasn't looking for in Edna a wayward geriatric with an agenda of her own Scattershot is a weird wild darkly comic first novel that is not to be missed *Scattershot* Bernie

Taupin, 2023-09-12 In this New York Times bestseller experience the evocative clear-eyed and revealing memoir by Bernie Taupin the lyrical master and long time collaborator of Elton John I loved writing I loved chronicling life and every moment I was cogent sober or blitzed I was forever feeding off my surroundings making copious notes as ammunition for future compositions The thing is good bad or indifferent I never stopped writing it was as addictive as any drug This is the memoir music fans have been waiting for Half of one of the greatest creative partnerships in popular music Bernie Taupin is the man who wrote the lyrics for Elton John who conceived the ideas that spawned countless hits and sold millions and millions of records Together they were a duo a unit an immovable object Their extraordinary half century and counting creative relationship has been chronicled in biopics like 2019's Rocketman and even John's own autobiography Me But Taupin a famously private person has kept his own account of their adventures close to his chest until now Written with honesty and candor Scattershot allows the reader to witness events unfolding from Taupin's singular perspective sometimes front and center sometimes from the edge yet always described vibrantly with an infectious energy that only a vivid songwriter's prose could offer From his childhood in the East Midlands of England whose imagination was sparked and forever informed by the distinctly American mythopoetics of country music and cowboy culture to the glittering star studded fishbowl of 70s and 80s Beverly Hills Scattershot is simultaneously a Tom Jones like picaresque journey across a landscape of unforgettable characters as well as a striking first hand account of a creative era like no other and one man's experience at the core of it An exciting multi decade whirlwind told in a non linear yet grounded narrative Scattershot whizzes around the world as we ride shotgun with Bernie on his extraordinary life We visit Los Angeles with him and Elton on the cusp of global fame We

spend time with him in Australia almost in residency at an infamous rock n roll hotel in an endless blizzard of drugs And we spend late late night hours with John Lennon with Bob Marley and hanging with Frank Sinatra And beyond the world of popular music we witness memorable encounters with writers like Graham Greene painters like Andy Warhol and Salvador Dali and scores of notable misfits miscreants eccentrics and geniuses known and unknown Even if they re not famous in their own right they are stars on the page and we discover how they inspired the indelible lyrics to songs such as Tiny Dancer Candle in the Wind Bennie and The Jets and so many more Unique and utterly compelling Scattershot will transport the reader across the decades and around the globe along the way meeting some of the greatest creative minds of the 20th century and into the vivid imaginings of one of music s most legendary lyricists **Tuco and the Scattershot World** Brian

Brett,2015-09-04 The acclaimed author s memoir of life with an African grey parrot offers a thoughtful and generous celebration of minds and bodies different from our own Times Literary Supplement UK For thirty years Brian Brett shared his office and his life with Tuco a remarkable parrot given to asking questions such as Whaddya know and announcing Party time when guests showed up at Brett s farm Although Brett bought Tuco on a whim he gradually realized the enormous obligation he has to his pet learning that the parrot is far more complex than he thought In Tuco and the Scattershot World Brett not only chronicles his fascinating relationship with Tuco but uses it to explore the human tendency to other the world abusing birds landscapes and each other Brett sees in Tuco s otherness a mirror of his own experience contending with Kallman syndrome a rare genetic condition that made him the target of bullies and nurtured his affinity for winged creatures Brett s meditative digressions touch on topics ranging from the history of birds and dinosaurs to our concepts of knowledge language and intelligence and include commentary from Tuco himself By turns provocative and deeply moving Tuco and the Scattershot World is not a straight memoir it s something much more wondrously weird a view of the human predicament that is hilarious sobering and profound Globe Mail UK **Scatter Shot a wild western action adventure** C

**The Blues Brothers** Daniel de Visé,2024-03-19 The story of the epic friendship between John Belushi and Dan Aykroyd the golden era of improv the early days of Saturday Night Live and the making of a comedic film classic that helped shape our popular culture They re not going to catch us Dan Aykroyd as Elwood Blues tells his brother Jake played by John Belushi We re on a mission from God So opens the musical action comedy The Blues Brothers which hit theaters on June 20 1980 Their scripted mission was to save a local Chicago orphanage But Aykroyd who conceived and wrote much of the film had a greater mission to honor the then seemingly forgotten tradition of rhythm and blues some of whose greatest artists Aretha Franklin James Brown John Lee Hooker Cab Calloway Ray Charles made the film as unforgettable as its wild car chases Much delayed and vastly over budget beset by mercurial and oft drugged out stars The Blues Brothers opened to outraged reviews However in the 44 years since it has been acknowledged a classic it has been inducted into the National Film Registry for its cultural significance even declared a Catholic classic by the Church itself and re aired thousands of times on television to huge worldwide audiences It is undeniably one of the most significant films of the twentieth century The story behind any classic is rich the saga behind The Blues Brothers as Daniel de Vis reveals is epic encompassing the colorful childhoods of Belushi and Aykroyd the comedic revolution sparked by Harvard s Lampoon and Chicago s Second City the birth and anecdote rich drug filled early years of Saturday Night Live where the Blues Brothers were born as an act amidst turmoil and rivalry and of course the indelible behind the scenes narrative of how the film was made scene by memorable scene Based on original research and dozens of interviews probing the memories of principals from director John Landis and producer Bob Weiss to Aykroyd himself The Blues Brothers illuminates an American masterpiece while vividly portraying the creative geniuses behind modern comedy

[Collage of Myself](#) Matt Miller,2010-12-01 Collage of Myself presents a groundbreaking account of the creative story behind America s most celebrated collection of poems In the first book length study of Walt Whitman s journals and manuscripts Matt Miller demonstrates that until approximately 1854 only a single year before the first publication of Leaves of Grass Whitman who once speculated that Leaves would be a novel or a play was unaware that his ambitions would assume

the form of poetry at all Collage of Myself details Whitman's discovery of a remarkable new creative process that allowed him to transform a diverse array of texts into poems such as Song of Myself and The Sleepers Whitman embraced an art of fragments that encouraged him to cut and paste his lines into ever evolving forms based on what he called spinal ideas This approach to language Miller argues represents the first major use in the Western arts of the technique later known as collage an observation with significant ramifications for our reception of subsequent artists and writers Long before the modernists Whitman integrated found text and ready made language into a revolutionary formulation of artistic production that anticipates much of what is exciting about modern and postmodern art Using the Walt Whitman Archive's collection of digital images to study what were previously scattered and inaccessible manuscript pages Miller provides a breakthrough in our understanding of the great American literary icon

**California. Court of Appeal (1st Appellate District). Records and Briefs** California (State)., **State of Ridicule** Dan Sperrin, 2025-04-29 A history of political satire in English literature from its Roman foundations to the present day Satire is a funny aggressive and largely oppositional literature which is typically created by people who refuse to participate in a given regime's perception of itself Although satire has always been a primary literature of state affairs and although it has always been used to intervene in ongoing discussions about political theory and practice there has been no attempt to examine this fascinating and unusual literature across the full chronological horizon In State of Ridicule Dan Sperrin provides the first ever longue dure history of political satire in British literature He traces satire's many extended and discontinuous trajectories through time while also chronicling some of the most inflamed and challenging political contexts within which it has been written Sperrin begins by describing the Roman foundations and substructures of British satire paying particularly close attention to the core Roman canon Horace Persius and Juvenal He then proceeds chronologically populating the branches of satire's family tree with such figures as Chaucer Jonson Dryden Swift Pope and Dickens as well as a whole series of writers who are now largely forgotten Satire Sperrin shows can be a literature of explicit statements and overt provocation but it can also be notoriously indirect oblique suggestive and covert complicated by an author's anonymity or pseudonymity Sperrin meticulously analyses the references to transient political events that may mystify the contemporary reader He also presents vivid and intriguing pen portraits of the satirists themselves along the way Sperrin argues that if satire is to be contended with and reflected upon in all its provocative complexity and if it is to be seen as anything more than a literature of political vandalism then we must explore the full depth and intrigue of its past This book offers a new starting point for our intellectual and imaginative contact with an important and fascinating kind of literature
