his attitude toward his little vessel But you are left in no doubt about Cimba herself You know what manner of ship she is You know every inch of her by the time you have seen her to the Fijis Rudder Magazine Told with such beauty that it will win the admiration not only of those who sail but of the whole reading public New York World Telegram One of the finest sea yarns of all times Rudder Bound to be the classic of this type Boston Transcript Reality he most exciting small boat yarn I have read
