

Scenes From Shakespeare For The Young

Waldo F McNeir

Scenes From Shakespeare For The Young:

Scenes from Shakespeare for the Young William Shakespeare, Edward Litt Leman Blanchard, 1885 *Shakespeare Scenes* Kim Gilbert, 2020-04-08 I have compiled and edited this collection of Shakespearean monologues for young female actors to study as well as enjoy These scenes are suitable for a range of acting exams and awards as well as for auditions and festivals I have tried and tested these scenes on numerous students over the years with great success and more importantly they have thoroughly enjoyed working on them I believe it is crucial to choose characters within ones playing range so this collection contains only characters suitable for young teenage actors to play The monologues in this collection are taken from a range of comic and tragic plays A Midsummer Night s Dream The Tempest Twelfth Night The Two Gentlemen of Verona The Merchant of Venice Romeo Juliet Hamlet Cymbeline Macbeth Henry VI and King Lear There is a biography on Shakespeare some notes about his writing style and a short synopsis of each play Each scene has an introduction that is suitable for use in exam or festival work and the scenes are also timed with this in mind I hope you enjoy this collection

Great Scenes from Shakespeare's Plays John Green, Paul Negri, 2000-02-01 Well known scenes from Hamlet King Lear Macbeth Romeo and Juliet Julius Caesar and 15 other popular plays Summaries selections from the appropriate text and captions accompany the illustrations 30 black and white illustrations **Scenes from Shakespeare, for the Young. Illustrated by H. Sidney ... Preface by E. L. Blanchard, etc** Charles ALIAS, Edward Litt Leman BLANCHARD, William Shakespeare, H. SIDNEY, 1885 Young Shakespeare's Young Hamlet T. Bourus, 2014-10-15 The different versions of Hamlet constitute one of the most vexing puzzles in Shakespeare studies In this groundbreaking work Shakespeare scholar Terri Bourus argues that this puzzle can only be solved by drawing on multiple kinds of evidence and analysis including book and theatre history biography performance studies and close readings **Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults** Michael Marokakis, 2022-07-29 Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults offers a comprehensive examination of Shakespearean adaptations written by Australian authors for children and Young Adults The 20 year period crossing the late twentieth and early twenty first centuries came to represent a diverse and productive era of adapting Shakespeare in Australian literature As an analysis of Australian and international marketplaces physical and imaginative spaces and the body as a site of meaning this book reveals how the texts are ideologically bound to and disseminate Shakespearean cultural capital in contemporary ways Combining current research in children s literature and Bourdieu s theory of cultural capital deepens the critical awareness of the status of Australian literature while illuminating a corpus of literature underrepresented by the pre existing concentration on adaptations from other parts of the world Of particular interest is how these adaptations merge Shakespearean worlds with the spaces inhabited by young people such as the classroom the stage the imagination and the gendered body The readership of this book would be academics researchers and students of children s literature studies and

Shakespeare studies particularly those interested in Shakespearean cultural theory transnational adaptation and literary appropriation High school educators and pre service teachers would also find this book valuable as they look to broaden and strengthen their use of adaptations to engage students in Shakespeare studies

Staging Shakespeare's Violence Seth Duerr,2021-12-31 This is the first book of its kind to provide an in depth examination of how the greatest playwright in the English language employed not only psychological brutality but also physical violence throughout his works My Cue to Fight is the first book of its kind to provide an in depth examination of how the greatest playwright in the English language employed not only psychological brutality but also physical violence throughout his works Written ideally for theatrical stage directors fight directors intimacy consultants and actors as a technical scene by scene breakdown in staging combat during production of these plays this publication is also for Shakespeare enthusiasts who want to learn more about the blood sweat and viscera hidden just underneath the poetry A writer utilizes violence like song or dance in moments where the story requires more than just words But addressing how the violence will be staged tends either to be neglected or utterly gratuitous both of which serve to separate the audience from the story and kill the whole venture The answer rests in approaching violence the same way we do scenework The plays of William Shakespeare seek to engage audiences with all of the characters blood tears sweat and guts These works are not flowery poems meant to be mumbled in a classroom or histrionically declaimed in frilly costumes There is nothing light and fluffy about rape and murder s rages or carving someone as a dish fit for the gods or fighting till from one s bones one s flesh be hacked Making matters more complicated is the ambiguity and sometimes even complete lack of stage directions Modern texts typically possess clear directions whenever violence is to occur in the action but playscripts were quite different four centuries ago Such denotations were both rare and inconsistent in Elizabethan and Jacobean printings The potential violence we will examine is not appropriate for all productions or scene partners We re here to question and inspire rather than provide catch all solutions Actors directors fight directors and intimacy consultants must work together to find the most effective way for their production to communicate the playwright s story to the audience

Shakespeare's Home and Rural Life James Walter,2023-12-31 Reprint of the original first published in 1874

What's in a Balcony Scene? A Study on Shakespeare's Romeo and Juliet and its Adaptations Hortensia Pârlog,2017-03-07 As reflected in its title the central question that drives this book is what s in a balcony scene particularly that which appears in Shakespeare s Romeo and Juliet Exploring its representation in a number of adaptations of Shakespeare s play this volume shows that there are a number of fresh angles from which to look at this topic which in turn provide unique insights into the balcony scene As such the book will appeal to anyone with an interest in Shakespeare from researchers and students to the general reader

Codes and Consequences Carol Myers-Scotton,1998-08-20 Carol Myers Scotton has edited a collection of essays that covers the choice of one style of English over another in everything from Bible translations to surprise in poetry to supervisor worker interactions on the automobile

assembly line An important theme developed to varying degrees in these papers is the notion that speakers and writers as rational actors exploit the unmarked marked opposition regarding audience expectations so as to convey messages of intentionality charged with social or psychological import

The Young Woman's Journal ,1903 **Reader and Shakespeare's Young Man Sonnets** Gerald Hammond,1981-06-18 **CliffsNotes on Shakespeare's The Merchant of Venice** Waldo F McNeir,2007-08-13 The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background In CliffsNotes on The Merchant of Venice you follow along as a young merchant cannot repay his debt to a vindictive moneylender This is the story that introduces us to Shylock one of the most vivid and memorable characters in Shakespeare s work You ll gain insight into this romantic comedy as you move through each of the play s five acts Other features that help you figure out this important work include Life and background of the author Analyses of the characters A brief synopsis of the play A review section that tests your knowledge A selected bibliography that leads you to more great resources Classic literature or modern day treasure you ll understand it all with expert information and insight from CliffsNotes study guides

Shakespeare's Boys K. Knowles,2014-01-02 Shakespeare s Boys A Cultural History offers the first extensive exploration of boy characters in Shakespeare s plays examining a range of characters from across the Shakespearean canon in their original early modern contexts and surveying their subsequent performance histories on stage and screen from the Restoration until the present day

Early Modern Actors and Shakespeare's Theatre Evelyn Tribble,2017-02-23 What skills did Shakespeare s actors bring to their craft How do these skills differ from those of contemporary actors Early Modern Actors and Shakespeare s Theatre Thinking with the Body examines the toolkit of the early modern player and suggests new readings of the plays of Shakespeare and his contemporaries through the lens of their many skills Theatre is an ephemeral medium Little remains to us of the plays of Shakespeare and his contemporaries some printed texts scattered documents and records and a few scraps of description praise and detraction Because most of what survives are printed playbooks students of English theatre find it easy to forget that much of what happened on the early modern stage took place within the gaps of written language the implicit or explicit calls for fights dances military formations feats of physical skill song and clowning Theatre historians and textual editors have often ignored or denigrated such moments seeing them merely as extraneous amusements or signs that the text has been corrupted by actors This book argues that recapturing a positive account of the skills and expertise of the early modern players will result in a more capacious understanding of the nature of theatricality in the period

Self Culture for Young People: Music, the fine arts, and the drama Andrew Sloan Draper,1907 **The Elementary Study of English** William James Rolfe,1896 *Notes on Shakespeare's Play of King Richard III.* Thomas Duff Barnett,1895 **Young People, New Theatre** Noël Greig,2008-06-30 Young People New Theatre is a how to book exploring and explaining the process of collaborating creatively with groups of young people across cultural divides Organized into exercises case studies and

specific topics this book plots a route for those wishing to put this kind of theatre into practise Born out of the hugely successful Contacting the World festival it is the first practical handbook in this field Topics include debating the shared world What is collaboration different ways of working adapting to specific age groups and abilities post project evaluations

Shakespeare's Dramatic Structures Anthony Brennan, 2013-09-13 First published in 1986 The focus of this book is the dramatic strategies of scenic repetition and character separation The author traces the way in which Shakespeare often presents recurring gestures dramatic interactions and complex scenic structures at widely separated intervals in a play thereby providing an internal system of cross reference for an audience He also examines the way in which Shakespeare increases the dramatic voltage in central relationships by limiting the access key characters have to each other on stage These strategies it is argued are indelible marks of Shakespeare's craftsmanship which survive all attempts to obliterate it in many modern productions
