

The Schemers & Vigo-Clam

THE SCHEMERS: THE SCHEMERS
TRANSLATED BY GARY K. HARRIS

Schemers And Viga Glum

R Pring

Schemers And Viga Glum:

Schemers and Viga-Glúm ,1999 George Johnston renowned for his fine translations of Old Icelandic tales such as The Saga of Gisli and Thrand of Gotu takes a look at two orally preserved stories from the middle of the ninth to the eleventh century The first The Saga of the Schemers is unique in that the work is wholly imaginative and its mood is comic whereas most are weighted on the side of passion and tragedy The second The Saga of Viga Glum leans more traditionally on the story of a known Icelandic chieftain of the tenth century Yet it cannot be read as history fictional and folktale motifs have been worked into reports of actual events and supernatural elements belonging to pagan mythology and worship have held their place in the telling This is an accurate and thoughtful translation executed by a master Story of Viga-Glum Sir Edmund Head,1866 *Inward of Poetry* George Johnston,William Blissett,2014-05-14 Inward of Poetry presents fifty years of thoughtful and by turns chatty letters between poet George Johnston and his good friend and frequent editor the scholar William Blissett Edited by former student Sean Kane this lively collection includes several hitherto unpublished Johnston poems and reveals the development and creative necessities of one of Canada s revered poets and translators An Aesthetic Underground John Metcalf,2014-10-20 John Metcalf has written some of the very best stories ever published in this country Alice Munro The Argus eyed editor the magisterial prose stylist the waggish inflammatory cultural critic the mentor and iconoclast John Metcalf is a literary legend whose memoir maps the underground he labored tirelessly to establish

The Story of Viga-Glum Sir Edmund Head,2020-09-28 *Shut Up He Explained* John Metcalf,2007-09-15 John Metcalf s *Shut Up He Explained* defies expectations and strict definition Part memoir part travelogue part criticism wholly Metcalf it is thoughtful engaged contentious and often very funny It offers a full does of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him he remains as sharp critical constructive and insightful as ever Indeed this may just be his most important and engaged book Certainly it will be among his most controversial What his critics will refuse to see of course is that it is also among his most positive that it is a celebration of the best literature Canada has to offer the birth of which Metcalf himself both witnesses and actively encouraged *Shut Up He Explained* is magisterial a virtuoso performance melding several seemingly different strands into one coherent narrative which should delight and entertain as it serves to argue elucidate and celebrate **THE SAGA OF VIGA GLUM - A Norse and Viking Saga** Anon E. Mouse,2018-10-04 The Sagas of which this tale is one were composed for the men who have left their mark in every corner of Europe There is no page of modern history in which the influence of the Vikings and their conquests have not had an effect Russia Turkey Greece Palestine Sicily the coasts of Africa Southern Italy France the Spanish Peninsula England Scotland Ireland and every rock and island round them have been visited at one time or another by the men of Scandinavia and their influence is still being felt today This saga paints a picture of Icelandic society But the society presented is not one of pastoral simplicity and repose The actors within were real men and women and the events

portrayed actually occurred for this is a true story Bloodshed and violence are common and Viga Glum or Murdering Glum the hero of this story is not by any means a perfect character even when measured by the standards of the time in which he lived A time when a man's standing in the community was dictated by courage and his wealth the author tells us that for twenty years he was the first man in Eyjafirth and for twenty years more there was no better man there Viga Glum is described as one who was naturally indolent shy and moody but when he could be brought to act his courage and determination were indomitable When he had to achieve a purpose he was thoroughly unscrupulous neither blood nor false oaths stood in his way just what one would expect from a Viking The finishing touch to this part of his character is added by the peculiarity that whenever he was intent on slaying a man he was apt to be seized with a fit of uncontrollable laughter which ended in tears So join us in this ancient tale of love lust honour murder Berserkers romance and damsels in distress YESTERDAY'S BOOKS FOR TODAY'S CHARITIES 10% of the profit from the sale of this book will be donated to charities KEYWORDS TAGS Viking Norse Saga Action Adventure Iceland Norway Viga Glum Bloodshed violence Murdering Glum courage wealth Eyjafirth indolent shy moody champion determination berserker romance damsel in distress rescue knight in shining armor Viga Glum's saga, tr., with notes, by sir E. Head Glúmr, 1866 Old Norse Myths, Literature and Society
