## **Schemes And Undertakings A Study Of English Politics In The Seventeenth Century:**

**Schemes & Undertakings** Clayton Roberts,1985      John Selden and the Western Political Tradition Ofir Haivry,2017-06-29 This detailed analysis establishes John Selden as one of the most interesting and important early modern political theorists      Parliament and Foreign Policy in the Eighteenth Century Jeremy Black,2004-02-26 Drawing on a wide range of British and foreign archival sources this book tackles the role of Parliament in the conduct of eighteenth century foreign policy the impact of this policy on parliamentary politics and the quality of parliamentary debates It is also an important study for our assessment of eighteenth century Britain and also more generally for an understanding of the role of contingency in the assessment of political systems Reflecting over a quarter century of work on parliamentary sources the book highlights the influence of Parliament positive and negative direct and indirect on foreign policy and politics It also has great contemporary relevance as we consider the effectiveness of democratic states when confronting authoritarian rivals and the rights of representative bodies to be consulted before wars are launched      John Locke: An Essay concerning Toleration J. R. Milton,Philip Milton,2010-03-04 J R and Philip Milton present the first critical edition of John Locke s Essay concerning Toleration and a number of other writings on law and politics composed between 1667 and 1683 Although Locke never published any of these works himself they are of very great interest for students of his intellectual development because they are markedly different from the early works he wrote while at Oxford and show him working out ideas that were to appear in his mature political writings the Two Treatises of Government and the Epistola de Tolerantia The Essay concerning Toleration was written in 1667 shortly after Locke had taken up residence in the household of his patron Lord Ashley subsequently Earl of Shaftesbury It has been in print since the nineteenth century but this volume contains the first critical edition based on all the extant manuscripts it also contains a detailed account of Locke s arguments and of the contemporary debates on comprehension and toleration Also included are a number of shorter writings on church and state including a short set of queries on Scottish church government 1668 Locke s notes on Samuel Parker 1669 and Excommunication 1674 The other two main works contained in this volume are rather different in character One is a short tract on jury selection which was written at the time of Shaftesbury s imprisonment in 1681 The other is A Letter from a Person of Quality a political pamphlet written by or for Shaftesbury in 1675 as part of his campaign against the Earl of Danby This was published anonymously and is of disputed authorship it was first attributed to Locke in 1720 and since then has occupied an uncertain position in the Locke canon This volume contains the first critical edition based on contemporary printed editions and manuscripts and it includes a detailed account of the Letter s composition authorship and subsequent history This volume will be an invaluable resource for all historians of early modern philosophy of legal political and religious thought and of 17th century Britain      *Ideology and Foreign Policy in Early Modern Europe (1650-1750)* Gijs Rommelse,2016-05-13 The years 1650 to 1750 sandwiched between an age of wars of religion and an age of revolutionary

wars have often been characterized as a de ideologized period However the essays in this collection contend that this is a mistaken assumption For whilst international relations during this time may lack the obvious polarization between Catholic and Protestant visible in the proceeding hundred years or the highly charged contest between monarchies and republics of the late eighteenth century it is forcibly argued that ideology had a fundamental part to play in this crucial transformative stage of European history Many early modernists have paid little attention to international relations theory often taking a Realist approach that emphasizes the anarchism materialism and power political nature of international relations In contrast this volume provides alternative perspectives viewing international relations as socially constructed and influenced by ideas ideology and identities Building on such theoretical developments allows international relations after 1648 to be fundamentally reconsidered by putting political and economic ideology firmly back into the picture By engaging with and building upon recent theoretical developments this collection treads new terrain Not only does it integrate cultural history with high politics and foreign policy it also engages directly with themes discussed by political scientists and international relations theorists As such it offers a fresh and genuinely interdisciplinary approach to this complex and fundamental period in Europe s development

**The Cavalier Parliament and the Reconstruction of the Old Regime, 1661-1667** Paul Seaward,2003-02-13 This book is the first detailed study of Westminster politics in the 1660s for over twenty years and the first ever in depth study of the legislation of the 1660s Dr Seaward shows how these drastic and dramatic events had changed perceptions and attitudes in British politics

A History of England, Volume 1 Douglas R. Bisson,Clayton Roberts,David Roberts,2024-09-18 The seventh edition of this two volume narrative of English history draws on the most up to date primary and secondary research encouraging students to interpret the full range of England s social economic cultural and political past from its first inhabitants to the 2020s A History of England Volume 1 Prehistory to 1714 focuses on the key social economic cultural environmental intellectual and political events and themes of English history up to the early eighteenth century Topics include the Viking and Norman conquests of the eleventh century the creation of the monarchy the Reformation and the Glorious Revolution of 1688 The text discusses events in Scotland Wales and Ireland as they affected developments in England There is a new section dealing with the decline of belief in witchcraft This book is essential introductory reading for students of the history of England and Britain

*Ben Jonson* Ian Donaldson,2012-02-20 Ben Jonson was the greatest of Shakespeare s contemporaries In the century following his death he was seen by many as the finest of all English writers living or dead His fame rested not only on the numerous plays he had written for the theatre but on his achievements over three decades as principal masque writer to the early Stuart court where he had worked in creative and often stormy collaboration with Inigo Jones One of the most accomplished poets of the age he had become in fact if not in title the first Poet Laureate in England Jonson s life was full of drama Serving in the Low Countries as a young man he overcame a Spanish adversary in single combat in full view of both the armies His early satirical play *The Isle of Dogs* landed

him in prison and brought all theatrical activity in London to a temporary and very nearly to a permanent standstill He was almost at the gallows for killing a fellow actor after a quarrel and converted to Catholicism while awaiting execution He supped with the Gunpowder conspirators on the eve of their planned coup at Westminster After satirizing the Scots in Eastward Ho he was imprisoned again and throughout his career was repeatedly interrogated about plays and poems thought to contain seditious or slanderous material In his middle years twenty stone in weight he walked to Scotland and back seemingly partly to fulfil a wager and partly to see the land of his forebears He travelled in Europe as tutor to the mischievous son of Sir Walter Raleigh who caused him to be drunken and dead drunk and wheeled provocatively through the streets of Paris During his later years he presided over a sociable club in the Apollo Room in Fleet Street mixed with the most learned scholars of his day and viewed with keen interest the political religious and scientific controversies of the day Ian Donaldson's new biography draws on freshly discovered writings by and about Ben Jonson and locates his work within the social and intellectual contexts of his time Jonson emerges from this study as a more complex and volatile character than his own self declarations and much modern scholarship would allow and as a writer whose work strikingly foresees and at times pre emptively satirizes the modern age

**Republics Ancient and Modern, Volume II** Paul A. Rahe, 2017-11-01 This is a work vast in scale soaring in its scholarly ambition and magnificent in its achievement The author's command of the primary sources is staggering in breadth and depth deftly orchestrated and rich with insight Deploying an avalanche of evidence Rahe shows how alien the modern project in all its diverse versions was to the classics as well as the Bible Thomas L Pangle Political Theory

**Revolutionary England, c.1630-c.1660** George Southcombe, Grant Tapsell, 2020-04-22 Revolutionary England c 1630 c 1660 presents a series of cutting edge studies by established and rising authorities in the field providing a powerful discourse on the events crises and changes that electrified mid seventeenth century England The descent into civil war killing of a king creation of a republic fits of military government written constitutions dominance of Oliver Cromwell abolition of a state church eruption into major European conflicts conquest of Scotland and Ireland and efflorescence of powerfully articulated political thinking dazzled bewildered or appalled contemporaries and has fascinated scholars ever since Compiled in honour of one of the most respected scholars of early modern England Clive Holmes this volume considers themes that both reflect Clive's own concerns and stand at the centre of current approaches to seventeenth century studies the relations between language ideas and political actors the limitations of central government and the powerful role of religious belief in public affairs Centred chronologically on Clive Holmes seventeenth century heartland this is a focused volume of essays produced by leading scholars inspired by his scholarship and teaching Investigative and analytical it is valuable reading for all scholars of England's revolutionary period

**Politics and Opinion in Crisis, 1678-81** Mark Knights, 2006-03-09 A reassessment of the succession crisis 1678 81 and the political crisis it provoked [A History of England, Volume 2](#) Douglas Bisson, Clayton Roberts, David Roberts, 2024-09-18 The seventh edition of this two volume

narrative of English history draws on the most up to date primary and secondary research encouraging students to interpret the full range of England's social economic cultural and political past from its first inhabitants to the 2020s *A History of England Volume 2 1688 to the Present* focuses on the key social economic cultural environmental intellectual and political events and themes of English history since 1688 Topics include Britain's emergence as a great power in the eighteenth century the American War for Independence the Industrial Revolution and the economic crisis of the 1970s The text discusses events in Scotland Wales and Ireland as they affected developments in England The second volume features an in depth treatment of the origins and course of the First and Second World Wars and provides an updated analysis of developments since 2012 including an account of Britain's withdrawal from the European Union the resignations of David Cameron Boris Johnson and Liz Truss as prime minister the selection of Rishi Sunak as the nation's first British Asian prime minister and a discussion of the 2015 2017 and 2019 elections This book is essential introductory reading for students of the history of England and Britain

Reading Between the Lines Annabel Patterson, 2004-01-14 Annabel Patterson tackles the hottest topic in literary studies today the Great Books debate providing a superbly formulated moderate stance between the Western canon's radical opponents and its zealous protectors

*Charles II* J R Jones, 2023-07-21 First published in 1987 Charles II argues that the conditions affecting government and political activity changed constantly through the reign creating new situations and new sets of problems for the restored monarch and his servants Charles and his ministers found themselves under almost constant pressures from the parliament the Church foreign states and organized public opinion that differed essentially from those encountered by previous rulers These pressures proved to be the most important influence on Charles making him concentrate almost entirely on short term tactics and eventually engage in complex manoeuvring to outwit the leaders of the first two political parties the Whigs and his own Tory auxiliaries The conditions affecting government differed sharply from one phase of Charles' reign to another Professor Jones charts the attitudes and the extent of Charles' involvement in administration and politics from his exile through the Restoration his relationships with Clarendon Buckingham and Danby the Cabal of 1668-73 the mixed administration from 1679 and the contest with the Whigs to his personal rule during the last four years of his reign This book will be of interest to students of history and literature

*Court Patronage and Corruption in Early Stuart England* Linda Levy Peck, 2003-08-29 This wide ranging volume goes to the heart of the revisionist debate about the crisis of government that led to the English Civil War The author tackles questions about the patronage that structured early modern society arguing that the increase in royal bounty in the early seventeenth century redefined the corrupt practices that characterized early modern administration

**Flesh in the Age of Reason** Roy Porter, 2005-01-27 As an introduction to early modern thinking and the impact of past ideas on present lives this book can find few equals and no superiors Porter is a witty humane writer with an extraordinary vocabulary and a sparkling sense of fun Whether he is quoting from obscure medical texts or analysing scabrous diaries dishing the dirt on long dead

bigwigs or evoking sympathy for human suffering his grasp is masterly and his erudition appealing I wish I could read it again for the first time you can Times Educational Supplement Book of the Week In this startlingly brilliant sequel to the prize winning ENLIGHTENMENT Roy Porter completes his lifetime s work offering a magical enthusiastic and charming account of the writings of some of the most attractive figures ever to write English *Knowledge and the Public Interest, 1575-1725* Vera Keller,2015-11-12 This study shows that modernity has its origins in the advancement of knowledge and not in the Scientific Revolution **The Discourse of Legitimacy in Early Modern England** Robert Zaller,2007 The Discourse of Legitimacy is a wide ranging synoptic study of England s conflicted political cultures in the period between the Protestant Reformation and the civil war Sir Henry Neville Was Shakespeare John Casson,William D. Rubinstein,2016-04-15 Who really wrote the plays of Shakespeare **Converging Worlds** Louise A. Breen,2013-06-17 Providing a survey of colonial American history both regionally broad and Atlantic in coverage Converging Worlds presents the most recent research in an accessible manner for undergraduate students With chapters written by top notch scholars Converging Worlds is unique in providing not only a comprehensive chronological approach to colonial history with attention to thematic details but a window into the relevant historiography Each historian also selected several documents to accompany their chapter found in the companion primary source reader Converging Worlds Communities and Cultures in Colonial America includes timelines tailored for every chapter chapter summaries discussion questions lists of further reading introducing students to specialist literature fifty illustrations Key topics discussed include French Spanish and Native American experiences regional areas such as the Midwest and Southwest religion including missions witchcraft and Protestants the experience of women and families With its synthesis of both broad time periods and specific themes Converging Worlds is ideal for students of the colonial period and provides a fascinating glimpse into the diverse foundations of America For additional information and classroom resources please visit the Converging Worlds companion website at [www.routledge.com/textbooks/9780415964999](http://www.routledge.com/textbooks/9780415964999)

Thank you very much for downloading **Schemes And Undertakings A Study Of English Politics In The Seventeenth Century**. Maybe you have knowledge that, people have look hundreds times for their chosen novels like this Schemes And Undertakings A Study Of English Politics In The Seventeenth Century, but end up in malicious downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some infectious bugs inside their computer.

Schemes And Undertakings A Study Of English Politics In The Seventeenth Century is available in our digital library an online access to it is set as public so you can get it instantly. Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, the Schemes And Undertakings A Study Of English Politics In The Seventeenth Century is universally compatible with any devices to read
