Improving Reading, Writing, and Content Learning for Students in Grades 4-12 Rosemarye T. Taylor, 2006-09-14 Fills a niche for content teachers who teach reading strategies particularly in light of the standards movement Christene Alfonsi Teacher Fairfield High School OH From a fairly concise book teachers get an important overview about a system approach to literacy All teachers get specific tools and strategies and some very useful information that could change their paradigm along the way Allyson Burnett Instructional Interventionist Alief Hastings High School Houston TX Put a strong literacy system in place to improve student achievement In contrast to the primary grades when children are learning to read students in grades 4 through 12 are expected to learn content as they read yet they may still struggle with reading basics Improving Reading Writing and Content Learning for Students in Grades 4 12 provides a realistic and systematic process for improving reading and writing while enhancing content knowledge and skills Based on proven evidence in multiple schools over a 10 year period this excellent new resource presents specific strategies and successful examples that educators can immediately implement to improve day to day classroom success while also boosting the success rate on standardized assessments Aligned with the National Reading Panel Report this book helps teachers focus on Creating a classroom community that is academically and psychologically safe for learning Responding to non negotiable expectations of daily practice Building vocabulary reading comprehension and higher order and critical thinking skills Developing fluency in reading Engaging families and the community Teachers can create the best environment and instructional experience for all students to maximize literacy learning and standards based achievement This outstanding book will be a source of reflection for continuous improvement

Assessing and Correcting Reading and Writing Difficulties Thomas G. Gunning, 2002 This text provides numerous examples and thorough coverage of procedures for assessing and instructing struggling readers of all ages In keeping with current theory the text emphasizes prevention and early intervention It is based on the premise that student performance is variable and that assessment and instruction are planned and modified to meet the varied needs and levels of students Gunning does not subscribe to a medical model that emphasizes deficiencies but rather focuses on what students can do This text calls for inclusion not exclusion but recognizes that struggling learners need expert carefully planned assessment and instruction Assessment coverage includes a grounding in basic concepts of tests and measurement While formal standardized measures are described emphasis is placed upon informal but highly regarded techniques such as the informal reading inventory miscue analysis running records observation think alouds holistic scoring of writing and portfolio assessment In addition to chapters devoted specifically to assessment ways to connect assessment and instruction are mentioned throughout the text Coverage of instructional techniques is thorough and practical Nine chapters are devoted to instructional techniques
