Shooting The Past Three Television Films And Two Shorts:

Forthcoming Books Rose Army,2000 Robert Drew and the Development of Cinema Verite in America P.J.

O'Connell,2010-03-19 Author P J O Connell traces Robert Drew s influence on cinema verite through extensive interviews with Drew and with some of the founding fathers of American cinema verite filmmaking Donn Alan Pennebaker Gregory Shuker and Richard Leacock Robert Drew s contributions to documentary film have been both technical and conceptual Realizing that his equipment was too heavy and intrusive Drew persuaded Time Life Broadcasting to sponsor the development of new lightweight portable synchronous sound equipment that freed documentary filmmakers from the bulky tripod mounted AC powered equipment of the past His new technology allowed him to capture intense moments as they happened and to make viewers feel personally involved in the events he presented While making more than twenty documentaries in the early 1960s Drew continued to initiate innovations that were not thought possible a generation before him P J O Connell is the executive producer of public affairs at Penn State Television and an affiliate assistant professor in the School of Communication at Penn State University Short-Lived Television Series, 1948-1978 Wesley Hyatt,2015-10-06 Do you remember the 1959 game show where ABC cancelled a tape featuring a female impersonator Across the Board Ever heard of Snip the 1976 sitcom starring David Brenner that NBC canned just before it debuted Almost everyone who has worked on a successful television series has also been on one that flopped Even during the first thirty years of broadcasting when NBC CBS and ABC were the only networks and not quite so quick to cancel unsuccessful programs hundreds of shows lasted less than one year This work tells the stories of those ill fated series that were cancelled within one year after their premieres The entries are arranged chronologically from the 1948 1949 through the 1977 1978 seasons and provide brief descriptions of the shows along with such facts as the type of program each series was its times dates and network its competition on other networks and the names of the cast producer director and writer The book also includes information from more than 100 interviews with actors writers directors and producers who worked on the short lived television series

European Cinemas in the Television Age Dorota Ostrowska,2007-02-01 European Cinemas in the Television Age is a radical attempt to rethink the post war history of European cinemas The authors approach the subject from the perspective of television s impact on the culture of cinema s production distribution consumption and reception Thus they indicate a new direction for the debate about the future of cinema in Europe In every European country television has transformed economic technological and aesthetic terms in which the process of cinema production had been conducted Television s growing popularity has drastically reshaped cinema s audiences and forced governments to introduce policies to regulate the interaction between cinema and television in the changing and dynamic audio visual environment It is cinematic criticism which was slowest in coming to terms with the presence of television and therefore most instrumental in perpetuating the view of cinema as an isolated object of aesthetic critical and academic inquiry The recognition of the impact of television

upon European cinemas offers a more authentic and richer picture of cinemas in Europe which are part of the complex audiovisual matrix including television and new media *Billboard* ,1955-01-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1947-04-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1954-06-05 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
