Living As God's People Doug Allen,2017-12-15 A life application exegesis of a book of the Bible is different and often hard to find especially of one of the Epistles Life application is not a historical document nor is it a purely theological writing It is the taking of the Word of God and applying to the daily life of the believer in order that the Christian may live Christ in his walk so that those around him may see God lived out and thus come to know him As the believer becomes more adept at doing this the Holy Spirit will be able to place that believer in more and more circumstances where he can use the believer often without the believer even knowing that he is being used It becomes natural to the believer Jesus puts it this way He said I am the vine you are the branches He that abideth in me and I in him the same bringeth forth much fruit All we have to do is hang in there Jesus does the rest through his Holy Spirit That is what life application exegesis is all about It is about living experiences of life with Christ so we may learn what Jesus wants to do in our lives to touch others Just think Jesus wants to use us to touch others Blows your mind doesn t it
