What a Christian needs to understand about modern marriages before they jump in head first **The Bride and the Rapture** Michael D. Udall, 2025-03-06 This book *The Bride and the Rapture* is developed upon the basis of the Galilean Jewish wedding of Jesus's day and on how the wedding was set up for a groom to approach the father of an intended bride to ask for her hand in marriage The Galilean Jewish wedding was very different from the standard Jewish weddings in Israel and Jesus used the parallel of a Galilean wedding to his end time scenarios By utilizing this wedding ceremony from betrothal to the consummation of the marriage and the marriage supper Jesus showed this parallel The author takes the reader through a Galilean Jewish wedding in chapter 1 to emphasize the different aspects involved in such a betrothal In chapter 2 he presents what the rapture is intended for when it will be and for how long In that chapter he presents his findings for the rapture the tribulation and the return of Christ called the second coming In chapter 3 the author brings the Galilean Jewish wedding and the rapture together to correlate each scenario to correspond to Jesus's end time teachings In chapter 3 the author shows by scripture analogous comparisons of scripture end times scenarios and the Galilean wedding proving that what Jesus taught was based on the Galilean wedding In chapter 4 the author brings all this together the wedding the end time prophecies and related scriptures to substantiate the truth of the premise of the book that Jesus taught his end time scenarios using the Galilean wedding as an analogy for his teachings on the rapture seven year tribulation and his return The conclusion of the author's hypothesis is proven to be accurate scripturally The fifth chapter just adds additional information in the addendum that a believer needs to know to fully understand these truths as outlined in the first four chapters A correlation of spiritual truths intertwined with sound reason adds to a better understanding of the deep things of God that a layman like the author will fully understand comprehend and use for their daily walk with God *Lady Danger* Sarah McKerrigan, 2008-12-21

Texts by for and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher s human nature and its intersection with his angelic role Far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like Christ needed humanness to make their performance of doctrine effective for their audiences At the same time the texts warned of the preacher s susceptibility to the fleshly failings of lust vainglory deception and greed Preaching s problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized flesh Addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of Christ in medieval culture *Angels and Earthly Creatures* reinserts women into the history of preaching and brings together discourses that would have been intertwined in the Middle Ages but are often treated separately by scholars The examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to Chaucer s *Canterbury Tales* Through a close and insightful reading of a wide variety of texts and figures including Hildegard of Bingen Birgitta of Sweden and Catherine of Siena Waters offers an original examination of the preacher s unique role as an intermediary standing between heaven and earth between God and people participating in and responsible to both sides of that divide *Recession of the Magi* Alfred L Tumblin III,Alfred Tumblin III,2006-06 Samir De Bastide is the last magical priest of the modern era placed in the true center of mysticism being the fair city of New Orleans and all that lies beneath its charming exterior He is joined by other descendants of divine bloodlines reaching back to the cradle of civilization to defeat a foe that was the first to rock in it This ancient enemy has patiently made arrangements from the beginning of time to fulfill a heinous agenda Samir and his allies are compelled to foil her being forced to exercise unprecedented forms of mystic battle bearing unlimited risks to the origin of their sentient purposes and sacred traditions The futures of their bloodlines are threatened by the cause and effect of choices they were destined to make with minimal time and generations of wisdom Their roads to discovery and battle lead not only from continent to continent and planet to planet but also include inter dimensional travel Follow the Magi and his lot on this epic journey and discover secrets that shake the foundation of Mankind and might very well lead to its fall
