The Doctors' Dinner Party Ibn Butlân, 2024-03-05 A witty satire of the medical profession The Doctors' Dinner Party is an eleventh century satire in the form of a novella set in a medical milieu A young doctor from out of town is invited to dinner with a group of older medical men whose conversation reveals their incompetence Written by the accomplished physician Ibn Butlân the work satirizes the hypocrisy of quack doctors while displaying Ibn Butlân's own deep technical knowledge of medical practice including surgery blood letting and medicines He also makes reference to the great thinkers and physicians of the ancient world including Hippocrates Galen and Socrates

Combining literary parody with social satire the book is richly textured and carefully organized in addition to the use of the question and answer format associated with technical literature it is replete with verse and subtexts that hint at the infatuation of the elderly practitioners with their young guest The Doctors Dinner Party is an entertaining read in which the author skewers the pretensions of the physicians around the table An English only edition **Hikayat Abi al-Qasim** Selove Emily Selove,2016-02-12 Hikayat Abu al Qasim probably written in the 11th century by the otherwise unknown al Azdi tells the story of a gate crasher from Baghdad named Abu al Qasim who shows up uninvited at a party in Isfahan Dressed as a holy man and reciting religious poetry he soon relaxes his demeanour and growing intoxicated on wine insults the other dinner guests and their Iranian hometown Widely hailed as a narrative unique in the history of Arabic literature a ikA yah also reflects a much larger tradition of banquet texts Painting a picture of a party crasher who is at once a holy man and a rogue he is a figure familiar to those who have studied the ancient cynic tradition or other portrayals of wise fools tricksters and saints in literatures from the Mediterranean and beyond This study therefore compares a ikA yah a mysterious text surviving in a single manuscript to other comical banquet texts and party crashing characters both from contemporary Arabic literature and from Ancient Greece and Rome *In Our Element* Lindsay Fauntleroy,2025-08-05 Immerse Yourself in the Wisdom and Healing Power of the Elements All five elements live within you and experiences like heartache anxiety and procrastination are signs that one of them is out of balance This beginner friendly book introduces you to each of the elements Water Wood Fire Earth and Metal and shows you how to use them to improve your mental emotional and spiritual health In Our Element weaves together Eastern medicine Western psychology Indigenous traditions and African ancestral principles of spirituality With a practical approach that incorporates journal prompts flower essences yoga poses and music Lindsay Fauntleroy teaches you how to tap into the five elements for a balanced and empowered life that aligns with your soul s calling **Only His Sheep Will Raise Their Heads** Nelda Larson; Janette Trost,2008-01-02 The motive of our ministry is to teach people an overview of the whole Bible in a way that they will never forget it In the book Only His Sheep Will Raise Their Heads we examine prophecies of the End Times and give an overview of the Bible in regards to the church age that we are a part of today the rapture of the church and the ultimate return of the Lord From the fig tree learn its lesson as soon as its young shoots become soft and tender and it puts out its leaves you know of a surety that summer is near Matthew 24 32 If this was important for the disciples it is even more important for us We are 2000 years closer than they were We know from the fig tree that He is giving a spiritual analogy Who is the fig tree in prophecy Israel Israel is the fig tree in the Word of God What Jesus is bringing out here is if you want to know prophecy don t look at the United States England Europe etc Look at the hub of prophecy Israel Those other nations are important in prophecy but the most important today is the fig tree in the nation of Israel We have seen the return of the Jews to their homeland We know by the Word of God that Jesus is coming soon How soon We are not to know Many years back and not so many years back during all of the

wars that were going on people thought it was the tribulation and Israel wasn't even mentioned yet They were looking at the wars rather than the fig tree We can look at the fig tree today It's doing fine In fact the leaves are all over it
