Dictionary of Scripture and Ethics Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics *Field Environmental Philosophy* Ricardo Rozzi, Alejandra Tauro, Noa Avriel-Avni, T. Wright, Roy H. May Jr., 2023-06-23 This fifth volume in the Ecology and Ethics series integrates key concepts of the previous four volumes by addressing biocultural conservation through novel educational methods In *Field Environmental Philosophy* FEP the authors undertake two complementary tasks First they address a problematic facet of education as an indirect driver of a global change and biocultural homogenization Second they contribute to solve the former problems by introducing the FEP method as well as other educational approaches from around the world that value and foster conservation of biological and cultural diversity A particular emphasis is therefore on the integration of sciences arts humanities and ethics into educational practices that involve the participation of local communities with their diverse forms of ecological knowledge and practices The book is divided into four parts Part I introduces FEP concepts and practices that involve a 4 step cycle of

transdisciplinary research poetic communication through composition of metaphors design of field activities guided with an ecological and ethical orientation and participation in biocultural conservation activities Part II exposes problems as well as solutions in formal education from preschool to higher education and non formal education to respect biocultural diversity Parts III IV provide case studies developed at long term socio ecological research LTSE sites botanical gardens and other platforms for non formal education that contribute to biocultural conservation This book supports a paradigm shift addressing still understudied indirect drivers of global change to foster the conservation of biological and cultural diversity It is a valuable asset for scientists and practitioners in science and humanities education **Pastoral Care and Liberation**

Theology Stephen Pattison,1994-03-10 This is the first book to show how Latin American liberation theology can be applied to and can transform pastoral care in countries such as Britain and the USA Hitherto pastoral care has tended to concentrate on looking after individuals Stephen Pattison suggests that much of the suffering endured by individuals is actually socially and politically caused and so is avoidable if the appropriate action is taken The author argues that what we now require is a socio politically aware and committed pastoral care which makes an option for oppressed and poor people and engages in practical struggle against the forces of injustice and oppression Focussing as it does especially on mentally ill people and on women the book will be of interest to all those who want to broaden their vision and knowledge of liberation theology or pastoral care whether theologians pastors students for ministry members of caring professions or users of the services they provide *Opening the Field of Practical Theology* Kathleen A. Cahalan,Gordon S. Mikoski,2014-04-10 *Opening the Field of Practical Theology* introduces students to practical theology through an examination of fifteen different approaches ranging from feminist to liberationist Roman Catholic to evangelical Asian American to Latino a After an introduction to the field of practical theology and its broad range of practice today the book features chapters written by leading experts in the discipline Each chapter has an identical structure to facilitate comparison covering historical context key features and figures norms and sources of authority theory practice contexts interdisciplinary considerations areas of current and future research and suggested readings *Opening the Field of Practical Theology* is an ideal introduction to the field highlighting the diverse ways practical theology is engaged today **Before the Fall** Nils Friberg,Mark R. Laaser,1998 Church and theological seminary leaders have long desired a guidebook to help them orient candidates for ministry to the issue of sexuality and ministry This is that book Nils Friberg and Mark Laaser lay out the major problems and guidelines for solutions

Chikamoneka!: Gender and Empire in Religion and Public Life Cheelo Siwila,Sylvia Mukuka,2022-03-21 This is a pioneering volume that emerges from the voices of women scholars who belong to the Circle of Concerned African Women Theologians in their response to the subjection of women and children in religion and public life The book uses the metaphor Chikamoneka literally meaning it shall be seen to demonstrate resistance to all forms of oppression by empire to humanity especially those inflicted on women and children Some of the themes that addressed in this book are drawn from women s

lived experiences This demonstrates the power of narrative theory as a tool for academic discourse The book makes a vital contribution to academic religious and secular society in the field of Gender Religion Development and Sociology It is also the first publication by the **Zambian Women of Circle**

Essays in Contextual Theology Steve Bevans, 2018-06-12 *Essays in Contextual*

Theology is a collection of essays that reflect on the doing of contextual theology from several perspectives After a general introductory essay subsequent essays reflect on topics such as contextual theology and prophetic dialogue criteria for orthodoxy the nature of tradition the role of culture the dynamics of conversion and the way theology is being done in World Christianity The collection closes with an autobiographical essay tracing the author's journey to becoming a global theologian

The Wiley Blackwell Companion to Practical Theology Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life

Willful Ignorance Helen T. Boursier, 2022-04-27 Using ethnographic research Willful Ignorance Overcoming the Limitations of Christian Love for Refugees Seeking Asylum examines the attitudes of clergy and lay leaders regarding their inattention to racism as it intersects with the harsh reality of U S immigration policies and practices This multi faceted work begins with a reality check on the scope of forced migration and its intersection with the historical legacy of racism in America including testimonies from displaced migrants and immigration advocates who help to alleviate state inflicted suffering at the U S Mexico border Helen T Boursier examines the rationales Christian leaders use to justify the local church's nominal response including the discursive buffers and stall tactics they use to deflect their lack of preaching teaching leadership and or ministry with displaced migrants who are their near neighbors The Christian church's firm foundation to embody love as social justice provides a historical rebuttal while case studies of congregations that offer displaced migrants compassionate hospitality model exemplary contemporary response Closing with practical suggestions for how to begin building bridges with migrants Boursier argues for a philosophy of religion that embraces resistance to racism and exclusion from asylum through a missiology of compassion that exemplifies an ecclesiology of love

An Introduction to Theology in Global Perspective Stephen B. Bevans, 2009 **New Pathways in Pilgrimage Studies** Dionigi Albera, John Eade, 2016-11-18 Although there has been a massive increase in the volume of pilgrimage research and publications traditional Anglophone scholarship has been dominated by research in Western Europe and North America In their previous edited volume International Perspectives on Pilgrimage Studies Routledge 2015 Albera and Eade sought to expand the theoretical disciplinary and geographical perspectives of Anglophone pilgrimage studies This new collection of essays builds on this earlier work by moving away from Eurasia and focusing on areas of the world where non Christian pilgrimages

abound Individual chapters examine the practice of ziyarat in the Maghreb and South Asia Hindu pilgrimage in India and different pilgrimage traditions across Malaysia and China before turning towards the Pacific islands Australia South Africa and Latin America where Christian pilgrimages co exist and sometimes interweave with indigenous traditions This book also demonstrates the impact of political and economic processes on religious pilgrimages and discusses the important development of secular pilgrimage and tourism where relevant Highly interdisciplinary international and innovative in its approach New Pathways in Pilgrimage Studies Global Perspectives will be of interest to those working in religious studies pilgrimage studies anthropology cultural geography and folklore studies
