Road Of Stars To Santiago Edward F. Stanton, 2021-10-21 In the tradition of Colin Fletcher's *The Man Who Walked Through Time* and William Least Heat Moon's *Blue Highways* Edward F Stanton has written a quietly beautiful and engrossing account of his own pilgrimage *Road of Stars to Santiago* is a personal story of his journey along what has been called the premier cultural route of Europe I undertook a five hundred mile walk along the ancient Camino de Santiago from the French Pyrenees to Santiago de Compostella in northwest Spain the supposed burial site of the apostle St James the Elder and beyond to Finisterre Land's End on the Atlantic coast On my journey I followed the old road

whenever possible passing through mountains medieval forests and remote villages as well as modern towns and cities I slept in fields abandoned schools or wherever I could on a thirty day trip that brought me into contact with a whole cross section of Spanish society and with pilgrims from France Belgium Holland Germany and England Most of the book has to do with my own trials and joys on the Road the physical struggle to walk about twenty miles a day in the heat or rain to find a place to eat and sleep with the psychological changes that take place when one leaves home family and routine with the contradictions inherent to a pilgrimage in the late twentieth century with experiences that ranged from the spiritual to the picaresque with the people I met on the way from shepherds and peasants to astrologers and philosophers There are plenty of humorous situations and unexpected turns Edward F Stanton *To the Field of Stars* Kevin A. Codd,2008-03-18 I am about to share here a story about stars that dance If the very thought of seeing stars dance piques your curiosity at some deep level of your soul then pay attention to what follows for the walk to the Field of Stars to Santiago de Compostela is a journey that has the power to change lives forever from the introduction Pilgrimage is a strange notion to our modern practical minds How many of us have walked to a distant holy place in order to draw nearer to God Yet the pilgrimage experience is growing these days in various parts of the world Seeking to take stock of his life Kevin Codd set out in July 2003 on a pilgrimage that would profoundly change his life To the Field of Stars tells the fascinating story of his unusual spiritual and physical journey on foot across Spain to Santiago de Compostela the traditional burial place of the apostle James the Greater Each brief chapter chronicling Codd's thirty five day trek is dedicated to one or two days on the road Codd shares tales of other pilgrims his own changes of perspective and his challenges and triumphs along the way all told with a disarming candor Seen through the eyes of a Catholic priest who honors the religious worldview that originally gave rise to these medieval odysseys pilgrimage comes to life and takes on new meaning in these pages **The Way Is Made by Walking** Arthur Paul Boers,2007-08-02 Pilgrimage is a spiritual discipline not many consider In these pages Arthur Paul Boers describes his month long journey on the Camino de Santiago in Spain a classic pilgrimage route that ends at the cathedral where St James is buried opening to us his incredible story of renewed spirituality springing from an old old path walked by millions before *Practicing Pilgrimage* Brett Webb-Mitchell,2016-11-09 Practicing Pilgrimage On Being and Becoming God's Pilgrim People explores both the theological cultural and spiritual roots of Christian pilgrimage and is a how to book on doing pilgrimage in our suburban backyards city streets rural roads churches retreat centers and our everyday life Brett Webb Mitchell takes the ancient practice of Christian pilgrimage and applies it to our contemporary lives

Beyond Piety Gilberto Cavazos-González OFM,2010-08-01 Who doesn't want a liberated life Jesus offers us liberation as we grow in a Christian spiritual life But first we need to liberate our concept of Christian Spirituality from ideas that relegate it to Church on Sunday new age self help devotional or ascetical practices or fundamentalist aggression Traditionally Christian spirituality liberates Jesus disciples from personal sin and helps them to challenge sin's social consequences so that

once liberated they will work to liberate others Christian spirituality living the Gospel brings good news for the poor liberty for the captives recovery of sight for the blind and freedom for the oppressed This is what Jesus came to do and this is what we as his disciples are called to do as we live our Christian callings in the world Whether we are at home work or play we are called to be Christian Beyond Piety invites readers to grow in their understanding of what it means to be a disciple of Christ More than a book on Franciscan or Hispanic Spirituality this book is about the Christian Spirituality all Christians are called to live It is about our human and Christian identity and the God we believe in It is about getting to know the Word of God and letting that Word get to know us It is about worship and religious devotion and moving beyond piety to Christian action It is about the call to justice and liberation *Winding Paths of Life* Arthur Pahl,2013 A deeply religious woman receives a birthday present from her five children a journey to the most important pilgrimage sites in Europe The dream of her lifetime is to get close enough to the Pope and look right into his eyes An impossible mission begins Dennis Yosick suffers from deathly cancer Down to a 105 pound body weight doctors tell him that he belongs in a Hospice yet nothing in the world can stop him from leaving Chicago and travelling 5000 miles across the ocean to a Spanish Sanctuary where he bids farewell to his life and returns home to Chicago A young man from the punk and drug scene in Frankfurt sets out on foot walking almost 1000 miles from central Germany to the heart of Rome to join the World Youth Day Upon his return to Frankfurt he becomes well known They call him Holy Olaf **Walking in the Mud** Phil Volker,2022-07-12 After facing a life changing cancer diagnosis Phil Volker started walking a circuitous route around his ten acre backyard It was a chance to exercise which his doctors had encouraged but also created a sacred space to think and pray Realizing that he was covering quite a distance he found a map of the Camino de Santiago pilgrimage route and began to map his progress calculating that 909 laps would get him from St Jean Pied de Port to the Cathedral of St James Volker completed five caminos five hundred miles each without leaving his backyard and many visitors have found healing solace and consolation in walking with him Phil s life was transformed by what he calls his three Cs Camino Catholicism and Cancer Part spiritual autobiography part pilgrimage journal and part Old Farmer s Almanac this book is the story of his journey *Keeping Company with Saint Ignatius* Luke Larson,2014-09-01 Luke Larson s book reveals The Way as I experienced it and in ways that I wish everyone could Martin Sheen Keeping Company invites you to step off the treadmill and go for a walk wherever you are There are ways that you too may experience God more intimately For a spiritual pilgrim the Road to Compostela is not about beautiful vistas meeting interesting people and drinking good wine It is not about exercise Luke Larson and his wife Evie took this famous journey for very different reasons For a true pilgrim walking an ancient path becomes a kind of discipleship a renewal of faith and in this case a journey with Jesus himself Join Luke and Evie as they explore a pilgrimage so central to the Christian story that it is often simply called The Way They also journeyed intentionally with St Ignatius of Loyola who knew parts of this road himself hundreds of years ago and the major themes of Ignatian Spirituality add rich layers to this magnificent book Combining the

beauty of Martin Sheen's movie *The Way* the allure of the pilgrimage to Santiago de Compostela and a gentle original and creative introduction to Ignatian spirituality Larson provides insight into marriage self knowledge and God A great read Dr Richard G Malloy SJ The University of Scranton author of *Being on Fire* The Top Ten Essentials of Catholic Faith We are fortunate that Luke Larson has been willing to share this incredible journey He and his wife Evie clearly have a profoundly deep spirituality that is grounded in the everyday issues that confront us in trying to encounter the living God What they learned about themselves St Ignatius of Loyola and the God of pilgrimage is an incredible window into how even lesser walks can be transformative Sr Carol Keehan DC President CEO Catholic Health Association of the United States Luke Larson spent eight years as a Jesuit seminarian He holds a bachelor's degree in philosophy and a master's in religious studies from Gonzaga University He is a mission executive with one of the largest Catholic health systems a certified chaplain executive coach and spiritual director
