Reading Hemingway Miriam B. Mandel, 1995 The Critics and Hemingway, 1924-2014 Laurence W. Mazzeno, 2015

Traces Hemingway's critical fortunes over the ninety years of his prominence telling us something about what we value in literature and why scholarly reputations rise and fall Hemingway burst on the literary scene in the 1920s with spare penetrating short stories and brilliant novels Soon he was held as a standard for modern writers Meanwhile he used his celebrity to create a persona like the stoic macho heroes of his fiction After a decline during the 1930s and 1940s he came roaring back with *The Old Man and the Sea* in 1952 Two years later he received the Nobel Prize While his popularity waxed and waned during his lifetime Hemingway's reputation among scholars remained strong as long as traditional scholarship dominated New approaches beginning in the 1960s brought a sea change however finding grave fault with his work and making him a figure ripe for vilification Yet during this time scholarship on him continued to appear His works still sell well and several are staples on high school and college syllabi A new scholarly edition of his letters is drawing prominent attention and there is a resurgence in scholarly attention to and approbation for his work Tracing Hemingway's critical fortunes tells us something about what we value in literature and why reputations rise and fall as scholars find new ways to examine and interpret creative work Laurence W. Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson Updike and Matthew Arnold for Camden House's Literary Criticism in Perspective series

The Critical Reception of Hemingway's *The Sun Also Rises* Peter L. Hays, 2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway's first major novel was received over the decades but also how different critical modes have dominated different decades and what besides tenure critics of different eras looked for in it As such it shows what has interested critics how they have reinterpreted the novel and how they have seen the characters playing different roles Thus the novel becomes a mirror reflecting not only Paris and Spain in 1925 but us

The Influence of the European Culture on Hemingway's Fiction, Silvia Ammary, 2015-06-09 The Influence of the European Culture on Hemingway's Fiction is an essential companion to all those who study Hemingway The study deals with how Hemingway depicts Europe in his fiction not necessarily from a biographical point of view as most critical books have dealt with but how he assimilates to the culture of Europe how he portrays the different aspects of that culture in food music customs architecture and literature This study views Hemingway's stories and novels through a new lens by applying new critical developments emergent approaches and transnational studies to aid in a fuller understanding of Hemingway Europe for Hemingway was a land of discovery and one cannot study his major novels without analyzing this passion for these lands The Europe that Hemingway experienced and recorded in his writing serves as an important element in his fiction becoming the

other an alien culture that was sufficiently different from his American roots Yet this otherness serves first to fulfill his psychological needs to learn and become one of the initiated through suffering whether it involves himself or the loss of other people around him

A Companion to Hemingway's Death in the Afternoon Miriam B. Mandel, 2009 New carefully focused essays providing a thorough examination of Hemingway's groundbreaking non-fictional work Published in 1932 *Death in the Afternoon* reveals its author at the height of his intellectual and stylistic powers By that time Hemingway had already won critical and popular acclaim for his short stories and novels of the late twenties A mature and self-confident artist he now risked his career by switching from fiction to nonfiction from American characters to Spanish bullfighters from exotic and romantic settings to the tough world of the Spanish bullring a world that might seem frightening and even repellant to those who do not understand it Hemingway's nonfiction has been denied the attention that his novels and short stories have enjoyed a state of affairs this Companion seeks to remedy breaking new ground by applying theoretical and critical approaches to a work of nonfiction It does so in original essays that offer a thorough balanced examination of a complex boundary-breaking and hitherto neglected text The volume is broken into sections dealing with the composition reception and sources of *Death in the Afternoon* cultural translation cultural criticism semiotics and paratextual matters and the issues of art authorship audience and the literary legacy of *Death in the Afternoon* The contributors to the volume four men and seven women lay to rest the stereotype of Hemingway as a macho writer whom women do not read and their nationalities British Spanish American and Israeli indicate that *Death in the Afternoon* even as it focuses on a particular national art discusses matters of universal concern Contributors Miriam B Mandel Robert W Trogdon Lisa Tyler Linda Wagner Martin Peter Messent Beatriz Penas Ib ez Anthony Brand Nancy Bredendick Hilary Justice Amy Vondrak and Kenneth Kinnamon Miriam B Mandel teaches in the English Department of Tel Aviv University
