Reading in the Dark Jessica R. McCort, 2016-04-28 Contributions by Rebecca A Brown Justine Gieni Holly Harper Emily L Hiltz A Robin Hoffman Kirsten Kowalewski Peter C Kunze Jorie Lagerwey Nick Levey Jessica R McCort and Janani Subramanian *Dark novels* shows and films targeted toward children and young adults are proliferating wildly It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated *Reading in the Dark* fills a gap in criticism devoted to children s popular culture by concentrating on horror an often neglected genre These scholars explore the intersection between horror popular culture and children s cultural productions including picture books fairy tales young adult literature television and monster movies *Reading in the Dark* looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers Refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults In addition scholars consider how adult horror has been domesticated by children s literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films Scholars likewise examine the impetus behind such re envisioning of the adult horror novel or film as something appropriate for the young The collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers experiences of such mechanisms *In the Dark* Pearson Education, 2002-04-23 *Navigator* is a KS2 reading scheme which covers fiction and non fiction It provides material to give pupils a 20 minute guided reading session per week during each school year *Done in the Dark. Teaching John McGahern's "The Dark" Anna Teekell, Ellen Scheible, 2025-10-15 *Teaching John McGahern's The Dark* provides an indispensable companion to the classic Irish novel With an introduction aimed at first time readers and four critical essays this edition guides readers through the novel s famously controversial history While *The Dark* was initially banned in Ireland for obscenity scholars now demonstrate that McGahern s novel of adolescence is not obscene but revelatory exposing the corruption underlying authority structures in mid century Ireland from the family to the church to the government s willingness to ignore national and communal trauma *The Dark* is a story of alarming brutality surprising tenderness and poetic lyricism a reflection of Irish society that maintains historical significance as contemporary Ireland continues to build its national identity An invaluable resource this edition gives students and scholars a rich source of contextualizing material to address the themes and significance of McGahern s complex novel *The Dark Side of Literacy* Benjamin Bennett, 2008 A radical critique of the concepts of reading and the reader as they are commonly used in literary criticism The book sketches in broad terms the historical provenance of the reader in an argument that includes discussions

of Dante Boccaccio Cervantes Marlowe and German idealist philosophy **Inside the Dark Tower Series** Patrick McAleer, 2014-01-10 Stephen King is no stranger to the realm of literary criticism but his most fantastic far reaching work has aroused little academic scrutiny This study of King s epic Dark Tower series encompasses the career of one of the world s best selling authors and frames him as more than a horror writer Four categories of analysis genre art evil and intertextuality provide a focused look at the center of King s fictional universe This book reaches beyond popular culture treatments of the series and examines it against King s horror work audience expectations and the larger literary landscape **The Dark** John McGahern, 2025-05-15 Bringing John McGahern s 1965 masterpiece back into print in the United States after years of inaccessibility this new sixtieth anniversary critical edition includes an introduction aimed at first time readers explanatory footnotes McGahern s own glossary and four scholarly essays aimed at guiding readers through the novel s famously controversial history While the text was initially banned in Ireland for obscenity this edition demonstrates that McGahern s novel of adolescence is not obscene but revelatory exposing the corruption underlying authority structures in mid century Ireland from the family to the church to the government s willingness to ignore national and communal trauma The Dark follows a promising young boy s struggles to break free from the economic and social forces trapping him in a lifestyle that is both familiar and suffocating At the heart of the novel is the boy s complex and stormy relationship with his abusive widowed father who is left to raise a family with little outside aid The Dark is a story of alarming brutality surprising tenderness and poetic lyricism a reflection of Irish society that maintains historical significance as contemporary Ireland continues to build its national identity *Middlebrow Modernism* Melinda J. Cooper, 2022-10-01 Eleanor Dark 1901-85 is one of Australia s most innovative 20th century writers Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture Yet Dark s contribution to 20th century literature has been undervalued in the fields of both Australian literary studies and world literature Although two biographies have been written about her life there has been no book length critical study of her writing published since 1976 *Middlebrow Modernism* counters this neglect by providing the first full length critical survey of Eleanor Dark s writing to be published in over four decades Focusing on the fiction that Dark produced during the interwar years and reading this in the context of her larger body of work this book positions Dark s writing as important to the study of Australian literature and global modernism Melinda Cooper argues that Dark s fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction It seeks to mediate and reconcile apparent binaries modernism and mass culture liberal humanism and experimental aesthetics settler society and international modernity The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place based attachments to nation and local community within the mid 20th century *Middlebrow Modernism* posits that Dark s fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates

operating within global modernist and world literature studies providing perspectives these fields might otherwise miss
