## **Reading Parfit:**

**Reading Parfit** Jonathan Dancy, 1997-08-15 Reading Parfit brings together some of the most distinguished scholars in the field to discuss and critique Derek Parfit's outstanding work *Reasons and Persons*      **Reading Parfit** Simon Kirchin, 2017-03-16 Derek Parfit was one of the world's leading philosophers. His *On What Matters* was the most eagerly awaited book in philosophy for many years. Reading Parfit: *On What Matters* is an essential overview and assessment of volumes 1 and 2 of Parfit's monumental work by a team of international contributors and includes responses by Parfit himself. It discusses central features of Parfit's book including the structure and nature of reasons, the ideas underlying moral principles, Parfit's discussions of consequentialism, contractualism, and Kantian deontology, and his metaethical ideas and arguments. Reading Parfit will be central reading for students of ethics and anyone seeking a deeper understanding of one of the most important works of philosophy published in the last fifty years.      *Derek Parfit's Reasons and Persons* Andrea Sauchelli, 2020-02-12 Derek Parfit 1942-2017 is widely considered to be one of the most important moral philosophers of the twentieth century. *Reasons and Persons* is arguably the most influential of the two books published in his lifetime and hailed as a classic work of ethics and personal identity. Derek Parfit's *Reasons and Persons: An Introduction and Critical Inquiry* is an outstanding introduction to and assessment of Parfit's book with chapters by leading scholars of ethics, metaphysics, and of Parfit's work. Part I provides a much needed introduction to key topics and themes in *Reasons and Persons* that will be useful for those new to Parfit's complex work. These include Parfit's idea of self-defeating theories, rationality and time, personal identity, future generations, and well-being. Part II explores various debates generated by *Reasons and Persons*, including its connections with Buddhism, metaethics, theory of rationality, transformative choices, and further developments in personal identity and metaphysics, such as conativism. Combining clear exposition of the major topics and arguments in *Reasons and Persons* with scholarly perspectives on more advanced themes, this book is ideal for students of ethics, metaethics, metaphysics, and anyone interested in Derek Parfit's philosophy.      **Personal Identity** Ellen Frankel Paul, Fred Dycus Miller, Jeffrey Paul, 2005 What is a person? What makes me the same person today that I was yesterday or will be tomorrow? Philosophers have long pondered these questions. In Plato's Symposium, Socrates observed that all of us are constantly undergoing change; we experience physical changes to our bodies as well as changes in our manners, customs, opinions, desires, pleasures, pains, and fears. Aristotle theorized that there must be some underlying substratum that remains the same even as we undergo these changes. John Locke rejected Aristotle's view and reformulated the problem of personal identity in his own way: is a person a physical organism that persists through time, or is a person identified by the persistence of psychological states by memory? These essays, written by prominent philosophers and legal and economic theorists, offer valuable insights into the nature of personal identity and its implications for morality and public policy.      **Oxford Studies in Normative Ethics**, 2025-06-05 Oxford Studies in Normative Ethics is an annual forum for new work in normative ethical

theory Leading philosophers present original contributions to our understanding of a wide range of moral issues and positions from analysis of competing approaches to normative ethics including moral realism constructivism and expressivism to questions of how we should act and live well OSNE is an essential resource for scholars and students working in moral philosophy

*The Oxford Handbook of Consequentialism* Douglas W. Portmore, 2020 Provides an authoritative and comprehensive overview of consequentialism today Includes a brief summary of the anthology's four parts and a concise primer on the nature and importance of the consequentialism/nonconsequentialism distinction Relates consequentialism to the significant reform movements calling for environmentalism effective altruism animal liberation and women's liberation Book jacket

*Parfit's Ethics* Richard Yetter Chappell, 2021-05-13 Derek Parfit 1942-2017 was one of the most important and influential moral philosophers of the late 20th and early 21st centuries This Element offers a critical introduction to his wide-ranging ethical thought focusing especially on his two most significant works *Reasons and Persons* 1984 and *On What Matters* 2011 and their contribution to the consequentialist moral tradition Topics covered include rationality and objectivity distributive justice self-defeating moral theories Parfit's Triple Theory according to which consequentialism contractualism and Kantian ethics ultimately converge personal identity and population ethics

*The Oxford Handbook of Moral Realism* Paul Bloomfield, David Copp, 2023 Morality seems to play a special role in human life distinct from conventional norms like those of etiquette or simple preferences based on subjective tastes There are various theories of the foundations of morality some of which treat morality as subjective in an important way Moral realism is however a family of theories that take morality to have an objective factual basis such that morality is not up to us and is not under our control The contributions in this Oxford Handbook explore the central ideas and themes constituting moral realism and defend particular views about it

**Deontology, Responsibility, and Equality** Kasper Lippert-Rasmussen, 2005 Three questions that loom large in moral and political philosophy are these Can deontological moral constraints be justified When if ever are we morally responsible for what we do How is the ideal of equality best configured Deontology Responsibility and Equality deals with selected aspects of these three broad questions It critically discusses certain attempts by Frances Kamm and Thomas Nagel among others to account for the impermissibility of minimizing violations in terms of moral status Also it challenges the view that there is a morally relevant difference between doing and allowing harm and especially between killing and letting die In relation to the second question it concentrates on recent developments within compatibilist accounts of moral responsibility prompted by the work of Harry Frankfurt It challenges his purported refutation of the principle of alternative possibilities as well as certain positive compatibilist identification-based accounts of respon

*The Bloomsbury Encyclopedia of Utilitarianism* James E. Crimmins, 2017-01-26 The idea of utility as a value goal or principle in political moral and economic life has a long and rich history Now available in paperback The Bloomsbury Encyclopedia of Utilitarianism captures the complex history and the multi-faceted character of utilitarianism making it the first work of its kind to bring

## Reading Parfit Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reading Parfit has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reading Parfit has opened up a world of possibilities. Downloading Reading Parfit provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reading Parfit has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reading Parfit. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reading Parfit. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reading Parfit, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reading Parfit has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Reading Parfit Books

**What is a Reading Parfit PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reading Parfit PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reading Parfit PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF.
