Lost Dreams (Storms of New England book 5) Kari Lemor, 2021-08-09 Once bitten twice shy For the past decade fire captain Greg Storm has wanted no part of another relationship all thanks to a faithless wife who handed over their infant son and fled He and his son have done just fine by themselves Teacher Alandra Cabrera and abandonment go together all too well She and her daughter were left in the cold by a controlling husband who really only wanted a personal servant and perfect wife Once a mother she fit neither of those roles His dismissal shattered her already limited self esteem With Greg's son in Ali's class the two get to know each other better beyond school and town committees They both have extreme trust issues and taking that first step toward something more requires courage Especially with the trauma and rejection left in the wake of their past Unless they find their way beyond the barriers a future together seems out of reach
