Reading Nelligan:

Reading Nelligan Emile Talbot, 2003-05 mile Nelligan 1879 1941 wrote all of his poetry as an adolescent before spending four decades in a psychiatric asylum Considering all of Nelligan's work and using a largely textual approach mile Talbot points out the Canadian roots of Nelligan's originality He argues that these are discernable despite Nelligan's use of the discourse of nineteenth century continental French poetry particularly that of the Parnassians and the Decadents Talbot's textual analysis is integrated with a consideration of the social cultural artistic and religious climate of both late nineteenth century Montreal and the European literary culture to which Nelligan was responding Talbot considers such pertinent factors as the spirituality of guilt the role of the mother and a societal context that rejected both the revelation of the self and the autonomy of art In doing so he sheds new light on Nelligan's use of European poetic language to fashion a poetry marked by his own culture

Nelligan's Legacy Thomas F. Kistner, 2000-10-04 Nelligan's Legacy is a story of big time New Jersey politics and vicious treachery The novel is written with such a firm grip on the way things really are in this hotbed of ambition and intrigue that it could only have been written by someone who has spent a great deal of time in those trenches Tom Kistner is that man Richard V Nelligan a retiring corporate big shot is asked to take the reins of the powerful formerly boss controlled Middlesex County Democratic Organization He teams up with a young local political phenom Thomas Jefferson Hobbs who he hires as his executive director and right hand man and together they not only maintain the organization's strength but take it to new heights The reader is given unfiltered access to a big time political headquarters and its daily workings All communications go through Democratic headquarters or they go nowhere like personal checks big or small must go through a Federal Reserve clearing house or they are not redeemed These communications take many forms and are usually cryptic slanted vague and occasionally sinister but always obscure and ambiguous I just want you and Dick to know I'm not available for that Senate spot on the ticket next year I'd love to help you guys out but my law practice has just gotten too busy I don't have the time Don't worry Ed we won't call you Hobbs who is this Musso guy from your town he keeps sending me resumes and pictures of his wife and kids Wants to be an Assemblyman or Freeholder Shouldn't he be going through the organization Yes George he should Just throw the shit away You know we haven't had a Freeholder from this end of the county for almost thirty years It's been about that long since you gave us a Democratic plurality Look all I'm saying is it would help if he wasn't Jewish too many Hebes on the board now Listen it's your town We don't give a shit what you do but some of the guys think it would be smart if you got rid of him he's trouble that's off the record unofficial it's your town you do what's best for your people We'd like you to come speak to our group They need a lift to feel like they matter We they sometimes feel left out When and where Pulaski Hall next Tuesday at eight You got it I'll be there
