Who's who in International Business Education and Research William F. Shepherd, Iyanatul Islam, Sankaran Raghunathan, 1999-01-01 This work is recommended for corporate libraries whose companies are involved in international business and for academic libraries affiliated with colleges of business Kay M Stebbins Choice This project is distinctive in that it really is a Who's Who rather than a directory of all scholars engaged in international business education and research

Proceedings of the International Conference Theory and Applications in the Knowledge Economy Eduardo Tomé, 2016-07-08 Foreword TAKE 2016 is a dream that came true In about six months a group of friends and colleagues put together in an upcoming and very dynamic university a conference with 9 streams 3 keynotes and 3 special sessions 60 papers presented 6 posters and around 80 participants from 20 countries This is awesome I would like to deeply thank Aveiro University the GOVCOPP research centre the conference committee the keynote speakers the special session convenors the stream leaders the reviewers the authors and the administrative people for all their work and support I want to have two special words one for

Blazenka Knezevic without whom the website would not have been possible the other for Gaby Neumann for work in these Proceedings Scientifically TAKE seems to be as important and new and far reaching We don t have shortage of models regarding the knowledge economy but we decisively lack to explore the relation between theory and practice TAKE is a step in exploring that difference We know that Exact sciences find the best answers and social sciences give the best questions J C Spender and we also know that Knowledge Management is more preached by scholars than done by practitioners Aino Kianto We assume the first idea and try to overcome the second Hopefully TAKE 2016 will be a great success Thank you for everything

Aligning for Advantage Thomas C. Lawton, Jonathan P. Doh, Tazeeb Rajwani, 2014-02-27 In today s multipolar world economy strategic alignment is a key determinant of competitive advantage Coca Cola Danone Diageo DuPont Lufthansa and Tata are some of the companies that strive for a pragmatic approach to balancing competitive strategies with political and social obligations Aligning for Advantage argues that to build and sustain corporate success companies must synchronize business objectives and market positions with political and regulatory activism and social and environmental engagement Moreover to be credible and realizable these external market and nonmarket strategies need to be equally attuned with corporate vision values and culture The book advances a managerial process and conceptual framework for aligning corporate strategy In some cases alignment may mean deep strategically embedded partnerships with governments NGOs or other stakeholders In others alignment may take the form of looser temporary collaborations with outside organizations No matter the approach the relationship between nonmarket and market strategies should be deliberate and genuine not accidental or artificial Truly aligned strategies should reconcile and modulate sometimes conflicting external demands in a way that is appropriate for the corporation s geographic and market positions In the end companies must leverage their overall nonmarket strategy as a source of competitive advantage

Proceedings of the 4th Asia Pacific Management Research Conference (APMRC 2022) Eva Hotnaidah Saragih, Rike Penta Sitio, Rosita Fitriyani, Dhinar Silalahi, Yeneneh Tamirat Negash, 2023-02-10 This is an open access book It has been our great honor to welcome all the participants to the 4th Asia Pacific Management Research Conference was held in Surabaya Indonesia on May 18th 20th 2022 as a hybrid conference virtually conference I recalled formulating the concept and conducting this conference with the Research Center and Case Clearing House RC CCH Team back in 2017 The conference encourages fresh and impactful studies that address the latest issues and topics particularly in economics management business and accounting The forum particularly welcomes the discussion and sharing among research fellows in a semi formal academic setting As we reach the fourth conference we are confident that we will maintain a contribution to the global literature It is undeniable that the theme of the COVID 19 Pandemic is the main issue of this fourth conference but rather than focusing on the misery we look for models technologies and concepts that are beneficial for the economy and businesses to grow toward the new normal This conference received 136 abstracts of which 57 were accepted articles in Atlantis Proceeding

Dealing with Public Risk in Private Infrastructure Timothy Irwin, 1997 Many infrastructure privatizations still leave governments and thus taxpayers exposed to significant financial risks This book examines these risks and considers how governments should respond to investors requests for guarantees and other forms of government support The report examines how governments can decide which risks to bear and which to avoid how they can reduce the risks that private investors face without giving guarantees and how they can measure budget and account for the risks they do take on

Handbook of Culture and Glocalization Roudometof, Victor N., Dessì, Ugo, 2022-05-17 Discourse based approaches to studying organizations have grown in significance over the last 25 years This accessible and insightful book exemplifies how to use a discursive approach to study organizations By drawing on her own empirical research Cynthia Hardy aligns key theoretical assumptions with a range of case studies to demonstrate the value and adaptability of a discursive approach

Handbook of Research on the Empirical Aspects of Strategic Trade Negotiations and Management Crespo, Nuno, Simoes, Nadia, 2021-06-18 International trade is a key dimension of the world economy it is a critical factor in raising living standards increasing employment and providing a larger variety of goods to consumers around the world Despite the strong focus that international trade research has received in theoretical terms the empirical aspects of trade are less clear and justify further research In this context it is essential for studies to focus on shedding light on the most important methods used to evaluate the multiple dimensions of trade within this international context Trade has a myriad of direct and indirect effects therefore touching several fields of research including economics management finance international relations political science and sociology which makes it essential to explore The Handbook of Research on the Empirical Aspects of Strategic Trade Negotiations and Management provides a systematic overview of the latest trends in the empirical analysis of trade from international perspectives It provides a survey on the methods used to evaluate a specific topic in international trade enhance knowledge about the multiple facets of international trade around the world and grant in depth surveys of previous empirical findings on specific topics in international trade Important topics covered within this book include trade diversification regional centrality ethical pricing globalization cultural impacts and open economies This book is a valuable reference tool for government officials policy makers managers executives economists practitioners stakeholders researchers academicians and students

International Firms' Economic Nationalism and Trade Policies in the Globalization Era Chandan, Harish C., Christiansen, Bryan, 2019-02-15 The current world economy is interconnected however due to recent economic crises trade deficits and nationalist movements there is a political trend of economic nationalism that is taking root in countries around the world As such global economies around the world are decreasing their international trade and introducing import tariffs and economic protectionism International Firms Economic Nationalism and Trade Policies in the Globalization Era provides a comprehensive understanding of the recent rise of economic nationalism in the context of the hyper connected global economy by providing strategies and country specific solutions for domestic and international firms

Covering how multinational corporations can overcome the protectionist sentiments while reinventing their corporate social responsibility models it showcases how economic nationalism and globalization can successfully coexist This publication is ideally designed for business leaders economists professionals policymakers researchers and academicians
