Readings in Christian Humanism, 2009 **Readings in Christian Humanism** Joseph M. Shaw, 1982 **The Case for Christian Humanism** R. W. Franklin, Joseph M. Shaw, 1991 This is a print on demand book and is therefore non returnable Franklin and Shaw make a convincing case historical biblical liturgical and theological in focus for the essential compatibility of humanism and the Christian faith Long neglected and often misunderstood the rich tradition of Christian humanism offers much potential for greater personal and societal wholeness Existential Theology Hue Woodson, 2020-09-29 Existential Theology An Introduction offers a formalized and comprehensive examination of the field of existential theology in order to distinguish it as a unique field of study and view it as a measured synthesis of the concerns of Christian existentialism Christian humanism and Christian philosophy with the preoccupations of proper existentialism and a series of unfolding themes from Augustine to Kierkegaard To do this Existential Theology attends to the field through the exploration of genres the European traditions in French Russian and German schools of thought counter traditions in liberation feminist and womanist approaches and postmodern traditions located in anthropological political and ethical approaches While the cultural contexts inform how each of the selected philosopher theologians present genres of existential theology other unique genres are examined in theoretical and philosophical contexts particularly through a selected set of theologians philosophers thinkers and theorists that are not generally categorized theologically By assessing existential theology through how it manifests itself in genres this book brings together lesser known figures well known thinkers and figures that are not generally viewed as existential theologians to form a focused understanding of the question of the meaning of existential theology and what existential theology looks like in its varying forms **Authenticity, Passion, and Advocacy** Thomas E. Malewitz, 2020-07-08 Adolescence can be best summarized as a time of authenticity passion and advocacy As adolescents start maturing on a life journey that leads them away from dependence on their parents to becoming an independent adult they often seek out honest and transparent mentors to learn from and trust for wisdom and guidance Although Thomas Merton the celebrated spiritual author and Cistercian monk is better remembered for his writings on ecumenism nonviolence and advocacy he also had several documented correspondences with adolescents throughout his life By examining these artifacts it is clear that Thomas Merton had great insight into the spiritual needs and challenges of adolescents Throughout his life Merton's authentic struggles often parallel the searching nature that defines adolescent spirituality Through scholarship and practice this book will explore how the life and writings of Thomas Merton may serve as a guide and bridge for ministers of adolescents and will offer some practical suggestions for ministers educators and parents on topics affecting contemporary adolescents through the lens of Thomas Merton's life and writings The Gospel of Matthew and Its Readers Howard Clarke, 2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship's mainstream view of Matthew's Gospel and then presents a sampling of the ways

this text has been read understood and applied through two millennia By referring forward to Matthew s readers rather than back to the text s composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew s messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible Reviving Liberty Joan S. Bennett,1989 Milton s Great Poems Paradise Lost Paradise Regained and Samson Agonistes are here examined in the light of his lifelong commitment to the English revolutionary cause The poems Joan Bennett shows reflect the issues Milton had dealt with in theological and public policy debate foreign diplomacy and propaganda moreover they work innovatively with these issues reaching in epic and tragedy answers that his pamphlets and tracts of the past twenty years had only partially achieved The central issue is the nature and possibility of human freedom or Christian liberty Related questions are the nature of human rationality the meaning of law of history of individuality of society and everywhere the problem of evil The book offers a revisionist position in the history of ideas arguing that Renaissance Christian humanism in England descended not from Tudor to Stuart Anglicanism but from Tudor Anglicanism to revolutionary Puritanism Close readings are offered of texts by Richard Hooker Milton and a range of writers before and during the revolutionary period Not only theological and political positions but also political actions taken by the authors are compared Milton s poems are studied in the light of these analyses The concept of radical Christian humanism moves current Milton criticism beyond the competing conceptions of Milton as the poet of democratic liberalism and the prophet of revolutionary absolutism Milton s radical Christian humanism was built upon pre modern conceptions and experiences of reason that are not alien to our time It stemmed from and resulted in a religious commitment to political process which his poems embody and illuminate **Readings in Western Religious Thought: The Middle Ages through the Reformation** Patrick V. Reid,1987 Christian Nationalism and the Paradox of Secularism Andrew Fiala,2025-05-08 Christian nationalism is a backlash against the success of secularism and the growth of nonreligion Its proponents go so far as to claim that secularism is diabolical This rejection of secularism poses a significant challenge for secular systems which aim to be inclusive of diverse religious ideas This book explains the depth of this challenge while recounting the views of Christian nationalists including Donald Trump It shows how key figures in the American tradition Adams Jefferson Madison and others promoted political secularism It uses Christian theology and modern political philosophy to argue in defence of secularism and against Christian nationalism Lay Readings of the Bible in Early Modern Europe Erminia Ardissino,Élise Boillet,2019-12-30 The aim of this collection of essays is to bring together new comparative research studies on the place and role of the Bible in early modern Europe It focuses on lay readings of the Bible

interrogating established historical social and confessional paradigms It highlights the ongoing process of negotiation between the faithful congregation and ecclesiastical institutions in both Protestant and Catholic countries It shows how even in the latter where biblical translations were eventually forbidden the laity drew upon the Bible as a source of ethical cultural and spiritual inspiration contributing to the evolution of central aspects of modernity Interpreting the Bible could indeed be a means of feeding critical perspectives and independent thought and behavior Contributors Erminia Ardissino Xavier Bisaro lise Boillet Gordon Campbell Jean Pierre Cavaill Sabrina Corbellini Fran ois Dupuigrenet Desroussilles Max Engammare Wim Fran ois Ignacio J Garc a Pinilla Stefano Gattei Margriet Hoogvliet Tadhg hAnnrach in and Concetta Pennuto
