Real Choices Offering Practical Life Affirming Alternatives To Abortion:

Real Choices Frederica Mathewes-Green, 1994 Providing pregnant women with alternatives that are practical realistic and life affirming this book examines some of the questions that surround abortion and the reasons many women choose abortion Mathewes Green explores the resources available to alleviate the problems that come with an unplanned pregnancy and tells how those resources can be improved *Abortion and the Christian Tradition* Margaret D. Kamitsuka, 2019-10-29 Abortion remains the most contested political issue in American life Poll results have remained surprisingly constant over the years with roughly equal numbers supporting and opposing it A common perception is that abortion is contrary to Christian teaching and values While some have challenged that perception few have attempted a comprehensive critique and constructive counterargument on Christian ethical and theological grounds Margaret Kamitsuka begins with a careful examination of the church's biblical and historical record refuting the assumption that Christianity has always condemned abortion or that it considered personhood as beginning at the moment of conception She then offers carefully crafted ethical arguments about the pregnant woman's authority to make reproductive decisions and builds a theological rationale for seeing abortion as something other than a sin

Students for Life John Ensor, Scott Klusendorf, 2012-09-01 More than 500 000 abortions are performed annually on college aged women Students for Life of America is a thriving network of 637 pro life student groups on college campuses in 48 states These groups educate people about the physical emotional psychological and spiritual effects that abortion has on women This helpful guide is geared for use by college aged students for the pro life cause

Stand for Life John Ensor, Scott Klusendorf, 2022-05-03 Of the 1.2 million abortions performed annually in the U.S. more than 500,000 are performed on college-aged women. They make up 44% of all abortions in the country. So it is not surprising that there is a large thriving network of pro-life groups on college campuses. These groups serve to advocate for pro-life and educate other young people about the physical, emotional, psychological, and spiritual effects that abortion has on women. While there are online guides and booklets on the topic, there are currently very few, if any, books that are specifically geared for use by young advocates for this cause. Now there is *Stand for Life*, a manual that addresses tough questions in a format that is concise and straightforward. Topics include: Defending your pro-life views in five minutes or less; Understanding the sanctity of human life; Simplifying the abortion debate; Developing a Christian response to abortion; Debate: keeping cool under fire; Q&As about such thorny issues as unsafe abortions, abortion when mothers' lives are at risk, my body, my choice, and more.

Counseling Through Your Bible Handbook June Hunt, 2008-03-15 June shows us how to use biblical truth to change minds, hearts, and lives. Dr. Mark L. Bailey, President, Dallas Theological Seminary, bestselling author June Hunt's *Biblical Counseling Handbook* is now available in hardcover. This powerful resource is based on many years of careful research, thousands of counseling phone calls, and countless hundreds of pages of written resources produced by Hope for the Heart. This 450-page handbook brings together the very best of June's extraordinary counseling ministry, which has offered Christ-centered hope and guidance to people around the world. The 50 chapters deal with the most pressing issues people face today and offer practical solutions firmly based on Scripture. Among the topics are anger, adultery, fear, phobias, alcohol, drug abuse, guilt, grief, codependency, cults, rejection, rape, depression, divorce, self-worth, suicide. Readers will want to keep this life-changing resource handy alongside their Bibles.
