REAL BLAKE EDWIN J. ELLIS, 2018 The Real Blake Edwin John Ellis, 2012-02 Purchase of this book includes free trial access to www.millionbooks.com where you can read more than a million books for free This is an OCR edition with typos Excerpt from book CHAPTER III PEACE AND WAR IN THE ABBEY Blake only worked for two years continuously at Basire s the years 1771 and 1772 It was during this time that he saw Goldsmith who as will be remembered did not live beyond 1774 Goldsmith was then over forty and his large round Irish forehead was bare to the crown of the head Blake looking out from under his thick crop of hair that started its flaring upright life two inches above his eyebrows immediately said that he wished he could have a head like that when he became a man The short Irish nose and large Irish eyes of Goldsmith he had already As time went on his hair receded till it came no further forward than the exact middle of the top of the head although he was never bald The portraits and the cast from life show that his wish was fulfilled The upper part of Blake s brow attained Goldsmith s full roundness The lower part grew more protuberant than Goldsmith s and the back of the head with the chin that balanced it became much longer and stronger It is noteworthy that both men were very envious and were exceedingly desirous to shine in company though Blake felt this craving aggressively and confidently and boldly satisfied it except during his occasional fits of doubt and depression when he was too gloomy to desire anything Goldsmith felt the hunger for appreciation with a nervous helplessness which placed him even further from gaining it than he would have been if he had not felt the desire at all We still see Goldsmith unable to keep away from Dr Johnson s set of competitive talkers though he only talked like poor Poll and we pity him as he stayed for long hours watching watching watching in the hope of getting in a brilliant remark and so making his exit with a decent round of applause to comfort **The Real Blake** Edwin J. Ellis, 2015-06-04 Excerpt from The Real Blake A Portrait Biography This biography was written as a companion volume to the edition of the complete Poetical Works of William Blake which Messrs Chatto and Windus have recently issued Both works were prepared and put in type at the same time in 1904 but there has been an unavoidable delay in their production For two years they lay dormant But as they were already in type the present writer though author of the one work and editor of the other could not use this time by making any substantial improvements either in the notes or the narrative Other works have come out since but none that attempts to take the place either of the edition of the poems or of the biography and none that adds anything important to our knowledge of Blake s life or mind A portrait biography of Blake is as much needed now as it was in 1904 and by a larger group of readers as a wider knowledge of his importance has begun to grow up The present writer regrets not to have seen the edition of the shorter poems published by Mr Frowde of the Clarendon Press Oxford under the editorship of Mr Sampson in time to make any use of it in the complete Works Mr Frowde s edition notices some few slight errors in the first full edition of Blake that prepared by the present writer aided by Mr W B Yeats for Mr Quaritch These slips of the pen have sometimes found their way into the present edition Mr Sampson had much
