

A scenic landscape at sunset or sunrise. The sky is filled with warm, golden light from the low sun, which is partially obscured by clouds. The sun's rays create a lens flare effect on the left side of the image. In the foreground, there is a dark, rocky shoreline with patches of snow or ice. A winding road or path leads from the bottom right towards the horizon. The background features rolling hills and mountains under the warm glow of the setting or rising sun.

Every day my conscience makes
confession relying on the hope of
Your mercy as more to be trusted
than its own innocence.

This book contains candid reflections and practical applications of the effective Words of God communicated in and through Jesus and his Church. It would be a spiritually nutritious Foodbank for strengthening and enlivening of the people of God. It is a large Gift package of Scriptural reflections for Jesus disciples who strive to be genuinely living their faith in daily chores. It would also be a sparkling lamp for their feet and a brightening light for their path of holiness. The specialty of the term daily is Every day is the only day left in hand with us and it is the only chance entrusted to us. As our yesterday gone and our tomorrow in God's hands everything happening within this day's 24 hours will never ever be replicated in tomorrow. It is on such conviction this book is structured. In this day reflective light the author underlines his main reason for writing this book. As I am personally striving to be an extraordinary disciple of Jesus at least one day at a time according to my Master's demands which are spread through the Scriptures I see many of my fellow disciples of Jesus too in this laser and rocket speedy postmodern Age fully benefit by living faith this day in Jesus Way Spirit and Truth.
