**Handbook of Stressful Transitions Across the Lifespan** Thomas W. Miller,2009-11-28 This volume provides a unique and valuable contribution to our understanding of the impact of stressful life events and mass trauma on the person the culture and society in the course of the life span It provides a comprehensive look at our psychological state of affairs at the beginning of the twenty first century There are several volumes that address some or most of these areas individually but this volume is unique in that it has brought together theoreticians researchers and clinicians who address critical challenges in our lives But we are now several months into the global financial crisis requiring a transition not only for the western world but for the third world How on earth do families in trauma zones from Sri Lanka to Afghanistan New Orleans to Gaza cope with similar declining older relatives with added traumas and zero medical resources attempt to survive In news reports politicians and financiers denying the inevitable and struggling for solutions that cannot be relevant to the new reality that they have yet to discover *Spiritual Needs & Pastoral Services* Larry

VandeCreek,2010-11-01 What do spiritual needs health care pastoral services religious resources statistics and quantitative research methods have in common Traditional literature in the pastoral care counseling and education movement probably would say Not a great deal Indeed the pastoral arts and sciences have tended to be high on art especially praxis but relatively low on science especially quantitative research That s too bad claims Dr Larry VandeCreek who has gathered together a sample of previously published but widely scattered research reports which he hopes will inform hospital chaplains congregational pastors hospital personnel and theological students on ways in which knowledge gained from carefully designed research can enhance their project of care Selecting only quantitative research reports the volume explores such topics as the role of spirituality in terminally ill hospitalized patients the demonstrated helpfulness of prayer in health crisis the possible impact of hope among women with breast cancer the role and impact of chaplaincy services in general hospitals as well as other studies demonstrating a variety of relationships between spirituality and health care

**Religion and Recovery from PTSD** Harold Koenig,Donna Ames,Michelle Pearce,2019-12-19 This volume focuses on the role that religion and spirituality can play in recovery from post traumatic stress disorder PTSD and other forms of trauma including moral injury Religious texts from the Bible to Buddhist scriptures have always contained passages that focus on

helping those who have experienced the trauma of war Many religions have developed psychological social behavioral and spiritual ways of coping and healing that can work in tandem with clinical treatments today in assisting recovery from PTSD and moral injury In this book the authors review and discuss systematic research into how religion helps people cope with severe trauma including trauma caused by natural disasters intentional interpersonal violence or combat experiences during war They delve into the impact that spirituality has in both the development of and recovery from PTSD Beyond reviewing research they also use case vignettes throughout to illustrate the very human story of recovery from PTSD and how religious or spiritual beliefs can both help or hinder depending on circumstance A vital work for any mental health or religious professionals who seek to help people dealing with severe trauma and loss

**Ceremony of Innocence** Kay

Carmichael,2016-07-27 What use are tears What is their purpose In this original and disturbing book Kay Carmichael argues that we underestimate the importance of this powerful means of communication Tears are dismissed as a symbol of weakness when we should value them as a source of energy and creativity In vivid case histories based on original research she shows how why when and where human beings cry and the barriers placed in their way

**Returnblessings** Diann L. Neu,2002

Diann L Neu s earliest childhood memories are intertwined with the blessings of the Earth She grew up interacting passionately with nature and first came to know God through the rhythms of the seasons She writes Nature taught me about the Divine and prayer The book probes the interrelatedness of ecology and feminism Neu vividly describes how ecofeminism values women and nature and seeks to resist their associated exploitation and domination Using the framework of the four seasons she presents sixteen liturgies designed to celebrate the sacred power that originates and emanates from the Earth Neu prompts readers to reflect on issues of ecojustice and invites participants to pray and work for the healing of the Earth and freeing all creation from the devastation of racism colonialism classism and gender privilege
