

## **River Flow**

As we move  
towards the sea,  
our face becomes green  
from battling gravity as it pulls us  
and knocks us down.

Slowly moving  
towards the Atlantic,  
the tide flows in us  
like the river flows.

Every day as the sun rises  
the night ends up replacing;  
the last moon doesn't reappear.  
Earth keeps spinning,  
we keep flowing too  
until the rivers and oceans  
or earth waters are all dried.

**Reading Rivers in Roman Literature and Culture** Prudence J. Jones,2005-09-07 Reading Rivers is the first book in a new series Roman Studies Interdisciplinary Approaches Author Prudence Jones examines rivers as a literary phenomenon particularly in the poetry of Vergil The point of such an investigation is twofold an examination of Vergil's poetry elucidates particularly clearly a point about rivers that their inclusion functions almost as a literary device and an examination of rivers makes a point about Vergil that rivers are essential to understanding the trajectory of his works in particular the structure of the Aeneid This study depends primarily on the close analysis of the poetry of Vergil and of other relevant authors In Part I Jones examines the Greco Roman understanding of the river in its primary symbolic roles cosmological ritual and ethnographical Part II analyzes the river as a literary device with particular attention to the works of Vergil and argues that descriptions of rivers in Roman poetry are in many cases a form of authorial comment on the progress or structure of a narrative Jones gives scholars in the classics and literary critics who focus specifically on Roman antiquity a special prism through which to view the works of Vergil as well as other significant authors This book is also for those working in the fields of cultural studies cultural geography and ancient philosophy

The Poetics of Time - Metaphors and Blends in Language and Literature Anna Piata,2018-01-15 How does the concept of time elusive and inconceivable as it may be lend itself to verbal creativity Is it possible to trace something like a poetics of time This book embarks on this endeavor initiated by the assumption that verbal creativity can shed some new light on our understanding of time challenging everyday linguistic patterns and manipulating mental representations in unforeseen ways Drawing on empirical evidence from Modern Greek poetry the book offers a unified account of time conceptualization along a continuum

of various degrees of non conventionality It also shows unlike what has been traditionally assumed in the literature that creativity in the expression of time is not limited to metaphor but extends to other figurative tropes that are perhaps specific to poetry Poetry thus transpires as an ideal testing frame for exploring temporal cognition and meaning construction alike

**The Cambridge Companion to Wallace Stevens** John N. Serio, 2007-01-18 Wallace Stevens is a major American poet and a central figure in modernist studies and twentieth century poetry This Companion introduces students to his work An international team of distinguished contributors presents a unified picture of Stevens poetic achievement The Introduction explains why Stevens is among the world s great poets and offers specific guidance on how to read and appreciate his poetry A brief biographical sketch anchors Stevens in the real world and illuminates important personal and intellectual influences The essays following chart Stevens poetic career and his affinities with both earlier and contemporary writers artists and philosophers Other essays introduce students to the peculiarity and distinctiveness of Stevens voice and style They explain prominent themes in his work and explore the nuances of his aesthetic theory With a detailed chronology and a guide to further reading this Companion provides all the information a student or scholar of Stevens will need

**The Early Poetry of Charles Wright** Robert D. Denham, 2009-01-27 This companion covers Charles Wright s first two trilogies Country Music 1982 and The World of the Ten Thousand Things 1990 providing biographical details information on Wright s sources and influences and historical notes It pays special attention to the way that Wright s poems work together and the links that are formed between them While each poem is given its own commentary the author argues that they work together in a concentrated whole to document a man s spiritual journey

**Write Your Own Poetry** Laura Purdie Salas, 2008 No topic is off limits in poetry Whether you want to write poems that make people laugh out loud gasp in surprise or see things in a new way this book is for you Conquer the blank page and express your thoughts feelings and observations in the magical world of poetry

Underground Rivers Richard J. Heggen, 2021-01-01 Underground rivers in science history the arts and any number of sightings elsewhere

*The Meaning of Rivers* T. S. McMillin, 2011-03-15 In the continental United States rivers serve to connect state to state interior with exterior the past to the present but they also divide places and peoples from one another These connections and divisions have given rise to a diverse body of literature that explores American nature ranging from travel accounts of seventeenth century Puritan colonists to magazine articles by twenty first century enthusiasts of extreme sports Using pivotal American writings to determine both what literature can tell us about rivers and conversely how rivers help us think about the nature of literature The Meaning of Rivers introduces readers to the rich world of flowing water and some of the different ways in which American writers have used rivers to understand the world through which these waters flow Embracing a hybrid essayistic form part literary theory part cultural history and part fieldwork The Meaning of Rivers connects the humanities to other disciplines and scholarly work to the land Whether developing a theory of palindromes or reading works of American literature as varied as Henry David Thoreau s A Week on the Concord and

Merrimack Rivers and James Dickey's Deliverance McMillin urges readers toward a transcendental retracing of their own interpretive encounters. The nature of texts and the nature of nature require diverse and versatile interpretation. Interpretation requires not only depth and concentration but also imaginative thinking, broad mindedness and engaged connection making. By taking us upstream as well as down, McMillin draws attention to the potential of rivers for improving our sense of place and time.

**The Broadview Introduction to Literature: Poetry** Lisa Chalykoff, Neta Gordon, Paul Lumsden, 2013-08-09. Designed for courses taught at the introductory level in Canadian universities and colleges, this new anthology provides a rich selection of literary texts. In each genre, the anthology includes a vibrant mix of classic and contemporary works. Each work is accompanied by an author biography and by explanatory notes, and each genre is prefaced by a substantial introduction. Pedagogically current and uncommon in its breadth of representation, *The Broadview Introduction to Literature* invites students into the world of literary study in a truly distinctive way. *The Broadview Introduction to Literature: Poetry* includes a broad range of both canonical authors and important but less widely known poets, and the poems are diverse in form, subject matter, and geographical and linguistic origin. Poems in translation from languages other than English are included with the original language text in facing page format.

**Metaphor and Imagery in Persian Poetry** Ali Asghar Seyed-Gohrab, 2011-10-14. This volume contains ten chapters on Persian metaphors, tropes, rhetorical figures, and poetic forms and genres by some of the world's foremost scholars in the field of classical Persian poetry.

**Finding What You Didn't Lose** John Fox, 1995-09-01. Poetry discovers and speaks a truth ordinary language cannot express. And the passionate message in *Finding What You Didn't Lose* is that we're all poets capable of giving voice to such truth. Poet-teacher John Fox reveals how imagery, sound, metaphor, rhythm, and other poetic elements can help us tell our inner story, heal psychological wounds, discover spiritual connection, and develop the rich creative imagination that lies within us all. Transcending the traditional academic approach to poetry writing, *Finding What You Didn't Lose* deals with craft but more importantly guides readers to explore their deepest feelings and express their own unique insights through the incomparable language of poetry. Through an intermingling of inventive exercises and illustrative poems ranging from Nobel Prize winners to first-time poets, readers are inspired to add their own distinct voice to a world fellowship of poets. For those who already write poetry and the many more who want to, this book is the key to finding what you never lose: your natural inclination to express who you are through the making of poems.

**The Literature of Contemporary Sierra Leone** Ernest Cole, Mohamed Kamara, 2025-03-25. What are Sierra Leonean and diaspora authors writing about today? What genres are they working in? What are future possibilities and directions of travel? The ethnically and linguistically diverse nation of Sierra Leone boasts a rich cultural legacy, and in the first decades of the twenty-first century has built an internationally recognized literary canon despite the ravages caused by a

brutal civil war and then the Ebola and Covid pandemics While acknowledging the country's literary and creative heritage dating back to the mid twentieth century this book interrogates a number of prominent themes and critical perspectives on Sierra Leone's contemporary literature Drawing from body studies post colonial theory spatial theory trauma theory ecocriticism history and cultural studies scholars and writers from West Africa and the United States tease out the beginnings ecology and dynamism of a bona fide national literature They do so through a careful examination of such themes as social oppression and class distinction dystopia ethnocentricity homophobia misogyny and gender disparities anthropocentrism self discovery social transformation identity social degradation genocide and trauma while also theorizing constructs such as home migration displacement community and return Throughout contributors argue for a better appreciation of a vibrant national literature by Sierra Leoneans themselves as well as its place in and contribution to world literature more generally
