I Curse the River of Time Per Petterson,2010-08-31 How impossible it was to grasp

that in the end something as fine as this could be ground into dust p 213 I Curse the River of Time the new novel from the winner of the International IMPAC Dublin Literary Award for *Out Stealing Horses* is a mesmerizingly beautiful book about love regret family secrets and failed revolution The novel takes us through thirty seven year old Arvid s life and its descent towards a moment of terrible crisis It traces his parents hesitant support when he gives up his place at college to work in a paper mill like his father his experiences as a fervent young Maoist in Norway in the 1960s the death of his younger brother the passionate enveloping romance that led to marriage and children and for a time happiness the failure of that relationship and its transformation into a source of harrowing pain By 1989 everything that gave Arvid s life meaning has melted into air The collapse of the Berlin Wall mirrors the collapse of his marriage and his self punishing alcoholism When his mother is diagnosed with stomach cancer Arvid sets off to their summer house in Denmark to be with her meeting men and women from their past along the way His despairing journey is also a quest for some kind of order in his life perhaps even a new foundation When Arvid finds his mother and accompanies her in her illness the novel turns to exploring the secrets that explain the distance between them a distance that perhaps can never be crossed I Curse the River of Time describes the ways that the present and the past are always intertwined and shows how the personal and political are one and the same Written in a subdued and elegiac style with flashes of devastating poetic beauty it is an utterly absorbing experience a book that displays wisdom of the kind that only profound loss can bring Above all it is a reminder of the power of great art to console us for life s burdens an example of the way our dreams may brighten our bleakest moments *River of Time* Jon Swain,2010-05-25 Between 1970 and 1975 Jon Swain the English journalist portrayed in David Puttnam s film *The Killing Fields* lived in the lands of the Mekong river This is his account of those years and the way in which the tumultuous events affected his perceptions of life and death as Europe never could He also describes the beauty of the Mekong landscape the villages along its banks surrounded by mangoes bananas and coconuts and the exquisite women the odours of opium and the region s other face that of violence and corruption **Waterfall (The River of Time Series Book #1)** Lisa T.

Bergren,2011-02-01 Gabriella has never spent a summer in Italy like this one Remaining means giving up all she s known and loved and leaving means forfeiting what she s come to know and love itself Most American teenagers want a vacation in Italy but the Bentarrini sisters have spent every summer of their lives with their parents famed Etruscan scholars among the romantic hills In Book One of the River of Time series Gabi and Lia are stuck among the rubble of medieval castles in rural Tuscany on yet another hot boring and dusty archeological site until Gabi places her hand atop a handprint in an ancient tomb and finds herself in fourteenth century Italy And worse yet in the middle of a fierce battle between knights of two opposing forces And thus she comes to be rescued by the knight prince Marcello Falassi who takes her back to his father s castle a castle Gabi has seen in ruins in another life Suddenly Gabi s summer in Italy is much much more interesting But what do you do when your knight in shining armor lives literally in a different world *River of Time* Sharon Ricklin

,2013-10-26 If you could go back in time and change things would you Author David Russell once said The hardest thing in life to learn is which bridge to cross and which to burn But my dilemma was learning from which bridge to jump No one with half a brain would ever believe that jumping off a bridge could in any way shape or form turn out to be a good idea And I certainly would never encourage anyone else to take a potentially fatal plunge into a deep and rushing river However I am thoroughly convinced that taking that leap myself might just turn out to be the best decision of my life Timing timing is everything The impact jolts me like an iron fist The water is arctic cold All of my muscles clench I am pulled down hard and fast and deep Trapped in the tentacles of the swift current the dark water becomes my mortal enemy Now fighting for my life I m sure I m going to drown Just before the darkness takes over I wonder Did it work [The River of the Lord: a Path Through Suffering](#) Timothy J.
