Coney,2013-05-20 Once every fifty two years Arcadia's six erratic moons come together in a constellation that plays havoc with the ecological balance of the planet As a marine biologist at Riverside Research Centre Mark Swindon is chiefly concerned about the effect of catastrophic tides on his precious fish pens Then without warning a wave of seemingly motiveless violence sweeps through the normally sleepy colony and Mark too feels himself drawn against his will into a mysterious cycle of death and rebirth **Some Things We Have Remembered** Percy Melville Thornton,1912 **Alice Marriott Remembered** Alice Marriott,2014-07-25 In her large body of work that spanned more than half a century Alice Marriott gave a wide audience fresh and lively accounts of the complex cultures of the Southwestern American Indian Trained as an anthropologist ethnologist the first woman to graduate with a degree in that field from the University of Oklahoma she coupled her scientific and creative writing skills to produce books that have become classics Maria The Potter of San Ildefonso a definitive study of Pueblo Indian pottery making has remained in print for sixty years The memoirs that comprise this volume were written by Alice Marriott four years before her death in 1992 at the age of 82 They were her response to a request from Still Point Press for a full autobiography Her frail health at the time she was ill with Bell's Palsy blind in one eye recovering from multiple fractures from falls prevented her from writing more Nevertheless the pieces she

did complete are delightful personal stories told in that unique Marriott style still engaging and humorous today

Typographical Journal, 1904 Harry Emerson Fosdick Robert Moats Miller, 1985-02-21 A major figure in American religious and cultural history Fosdick was famous as a preacher a pacifist and a champion of civil rights He was also the author of forty seven books *The Real Hoosiers* Jack McCallum, 2024-03-05 The true story behind Crispus Attucks High School and the all Black basketball team loosely depicted as the championship opponent in the beloved classic sports movie Hoosiers For far too long the mythology of Indiana basketball has been dominated by Hoosiers Framed as the ultimate underdog feel good story there has also long been a cultural debate surrounding the film The Real Hoosiers sets out to illuminate the narrative that the film omits the story of the unheralded Crispus Attucks Tigers playing the game at the highest level in the 1950s in a racially divided Indiana After a crushing loss to Milan High School in the 1954 semifinal which was the game that the final scenes in Hoosiers are based on Attucks went on to win back to back Indiana state championships That team was led by a young Oscar Robertson and coached by Ray Crowe who fully recognized the seemingly insurmountable challenges of playing basketball in a state that was a bastion for not only the game but also the Ku Klux Klan Veteran sportswriter and the bestselling author of Dream Team Jack McCallum pulls back the curtain on that history which is rich far beyond the basketball court The Real Hoosiers replaces a lacuna in the history of Indiana while dissecting the myths and lore of Hoosier hoops placing the game in the context of migration segregation and integration and enhancing our understanding of this country's struggle for civil rights To Change Them Forever Clyde Ellis, 1996 Between 1893 and 1920 the U S government attempted to transform Kiowa children by immersing them in the forced assimilation program that lay at the heart of that era's Indian policy Committed to civilizing Indians according to Anglo American standards of conduct the Indian Service effected the government's vision of a new Indian race that would be white in every way except skin color Reservation boarding schools represented an especially important component in that assimilationist campaign The Rainy Mountain School on the Kiowa Comanche Apache Reservation in western Oklahoma provides an example of how theory and reality collided in a remote corner of the American West Rainy Mountain's history reveals much about the form and function of the Indian policy and its consequences for the Kiowa children who attended the school In *To Change Them Forever* Clyde Ellis combines a survey of changing government policy with a discussion of response and accommodation by the Kiowa people Unwilling to surrender their identity Kiowas nonetheless accepted the adaptations required by the schools and survived the attempt to change them into something they did not wish to become Rainy Mountain became a focal point for Kiowa society **Jacksonville After the Fire, 1901-1919** James B.
