*“GUYANA-MY ELDORADO”* DR FRANK A HANIFF,MD,2014-07-02 I am seventy six years of age have had two heart attacks and am not really very well My memory though is fine except sometimes for names but I recall the events as vividly as if they are occurring now My Far passed away on June 10 2013 Today is Valentine s Day and I visited my Far twice Our home on 2665 La Veta Avenue is a mere two minutes away I have just returned from San Bernardino Community Hospital where I visited a patient in my capacity as a Muslim chaplain I am not sure who if anyone will ever read this book It is a chronicle of our wonderful life but there are many Cinderella stories This is not a masterpiece of the English language nor is it in any way unique Writing gave me a great deal of pleasure I knew I had angels beside me and at all times one seraph We have had much joy pleasure excitement much to wonder about and much to puzzle over We have laughed and cried nearly just as much sometimes out of pleasure and sometimes out of pain and grief always we have walked with God We have made many mistakes we are only human and have alienated far too many but never deliberately nor out of meanness Those who love us will perhaps forgive and those who do not may hopefully forget our transgressions real or imagined always remembering what Jesus said about casting stones We tried to make a difference and with the help of God we did In as much as this humble effort reflects the insuperable challenges of finding peace and harmony in a small family I believe it resonates with the pain and suffering inflicted by man on his fellow man in places like Syria Central Africa and the Ukraine and with more natural disasters such as hurricanes typhoons and tornadoes which create no less pain and suffering As I approach the end of my life I continue in the Ministry of Healing in the hope that the solace and comfort I attempt to deliver will not be entirely unselfish Dr Frank A Haniff MD San Bernardino CA 92404 February 14 2014
